INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
HES Facilities, WFF Facilities, & Clean-Tech Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of HES Facilities, WFF Facilities, & Clean-Tech Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of HES Facilities, WFF Facilities, & Clean-Tech Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HES Facilities, WFF Facilities, & Clean-Tech Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HES Facilities, WFF Facilities, & Clean-Tech Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HES Facilities, WFF Facilities, & Clean-Tech Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HES Facilities, WFF Facilities, & Clean-Tech Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HES Facilities, WFF Facilities, & Clean-Tech Company 401(k) Plan
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the HES Facilities, WFF Facilities, & Clean-Tech Company 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan was established on January 1, 1997, restated effective August 1, 2021, and is a defined contribution plan covering employees of Clean-Tech Company, WFF Facility Services, Inc., and HES Facilities, LLC (collectively the “Company”, “Sponsor”, and “Employee”). The plan is subject to the provisions of the Department of Labor’s (DOL’s) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The plan’s trustee is responsible for oversight of the Plan and determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

Some administrative functions are performed by employees of the Company. No compensation is remitted to the Company for these services.

Plan assets were held and managed by Principal Life Insurance Company; Principal Global Investors Trust Company; Delaware Charter Guarantee and Trust Company; and Empower Trust Company, LLC who invested contributions and Plan earnings, made investment transactions as directed by Plan management and provided certain recordkeeping services. Ascensus acted as the third-party administrator for the Plan and performed certain plan administration and annual ERISA compliance testing.

Effective August 1, 2022 the Plan transferred its assets from Principal Life Insurance Company and affiliates to Empower Trust Company, LLC. Empower Trust Company, LLC took over the Plan’s custodial services and Empower Retirement Services, LLC assumed the recordkeeping services at that time.

Eligibility

Employees who have attained age twenty-one, who are not residents of Puerto Rico, Non-resident aliens, Highly Compensated Employees, or Union Employees are eligible to participate in the plan after obtaining one year of credited service. An eligible employee may enter the plan on the first day of the plan year quarter after all entry requirements have been met.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation as defined by the plan (subject to annual deferral limits). The Plan also allows participants to make Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

HES Facilities, WFF Facilities, & Clean-Tech Company 401(k) Plan
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

The plan provisions also provide for discretionary employer matching contributions and discretionary employer non-elective contributions for each business unit. During the year ended December 31, 2022 the Company provided for an employer matching contribution equal to 20% of the first 5% of participant compensation deferred for Compensation earned prior to August 1, 2022. There was no discretionary employer non-elective contribution made during 2022.

Participant accounts

Each participant's account is credited with the participant's contributions and employer contributions. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and discretionary non-elective contributions is based on years of continuous service as shown in the table below. A participant is credited a year of service for each year the participant has at least 1,000 credited hours of service. A participant is 100% vested in the company's matching and non-elective contributions if they are employed on or after their normal retirement age or if they terminate employment on account of death or disability.

Years of Service	Percent Vested
1	25%
2	50%
3	75%
4	100%

Notes receivable from participants

Participant loans are not permitted by the plan.

Investment Options

Upon enrollment of the Plan, a participant may direct employee and Plan sponsor contributions in any of the investment options that are offered by the plan.

Benefit Payments

Benefit payments may generally be made to a participant upon the participant's retirement, death, disability, termination of employment, obtain attaining age 59.5, or upon incurring a financial hardship. Normal retirement age is 65. Benefits shall be paid to participants in an amount equal to the value of the participant's vested interest in his or her account in a single lump sum. Distribution of a deceased participant's account will be made to the designated beneficiary.

Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience severe financial hardship. The participant must meet the condition that they cannot relieve the amount of the need by stopping the elective contributions to the Plan. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

Forfeitures

Forfeitures are used to reduce employer contributions and to pay plan expenses. No Forfeitures were utilized during the year ended December 31, 2022 to reduce employer contributions or to pay plan expenses. There were no unused forfeitures as of December 31, 2022 or 2021.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions receivable

Contributions receivable represents amounts owed to the Plan from the Sponsor related to unfunded salary deferrals and discretionary matching contributions along with a provision for corrective employer contributions due to the plan for certain corrective actions related to missed deferral opportunities during the current and prior plan years. Management has performed an assessment on all balances due to the Plan and has determined that all amounts are collectible. As such, no allowance for doubtful accounts was deemed necessary.

Investment valuation and income recognition

Investments generally are reported at fair value but may also be reported at net asset value (NAV) or contract value.

December 31, 2022 and 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements and NAV. The Plan administrator determines the Plan's valuation policies utilizing information provided by the Plan's custodians.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS or plan provisions are recorded as a liability with a corresponding reduction to contributions. There were approximately \$59,000 and \$20,000 of excess contribution liabilities as of December 31, 2022 and 2021, respectively, related to improper deferrals that were allowed on highly compensated employees. Such amounts were refunded, together with their applicable earnings, in 2025 to the impacted participants.

Payment of benefits

Distributions to participants are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees related to participant directed transactions are charged directly to participants' accounts and are included in administrative expenses. During the year ended December 31, 2022, approximately \$22,000 of administrative expenses were charged and allocated to participant accounts respectively.

Risks and Uncertainties

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risks associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

Subsequent Events

The Plan has evaluated subsequent events through September 16, 2025, the date the financial statements were available to be issued.

NOTE 3: INFORMATION CERTIFIED BY QUALIFIED INSTITUTION (UNAUDITED)

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements has been derived from information certified to be complete and accurate by Principal Life Insurance Company; Principal Global Investors Trust Company; Delaware Charter Guarantee and Trust Company; and Empower Trust Company, LLC, the Custodians, and the qualified institutions of the plan under such regulation:

- a) Investments, at fair value, included in the statements of net assets available for benefits on December 31, 2022 and 2021.
- b) Investments, at contract value, included in the statements of net assets available for benefits on December 31, 2022 and 2021.
- c) Investment income information included in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- d) Net depreciation in the fair value of investments included in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- e) All amounts included in Note 4, Fair Value Measurements (Unaudited).
- f) All amounts included in Note 5, Fully Benefit Responsive Investment (Unaudited).
- g) All information included in the supplemental schedule of assets (held at end of year) as of December 31, 2022.

NOTE 4: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of input that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - Observable; or
 - Can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2022 and 2021.

Mutual Funds: The fair value of the Plan's investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts (PSAs): The Plan's investment in PSAs are valued at the NAV of the units held by the Plan at year end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value; therefore, these NAV investments have been excluded from the fair value hierarchy leveling. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. At December 31, 2022 and 2021, there were no unfunded commitments related to the Plan's PSA investments.

Collective Investment Trust (CIT): The fair value of participation units held in the Principal Stable Value Fund are based on the NAV of the units held by the Plan at year end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value; therefore, this NAV investment has been excluded from the fair value hierarchy leveling. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Investments held by a CIT are required to be reported at fair value, however, contract value is the relevant measurement characteristic for that portion of the net assets of a CIT attributable to fully benefit-responsive investment contracts. This is because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the underlying defined-contribution plans. There are no unfunded commitments relating to these investments.

The investment objective of the Principal Stable Value Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive payments. Withdrawals from the Principal Stable Value Fund for benefit payments and participant transfers to noncompeting options are made to plan participants promptly upon request but in all cases within 30 days after written notification has been received. All plan sponsor-directed full or partial withdrawals are subject to a twelve month advance written notice requirement, though the Principal Stable Value Fund may waive this requirement at its discretion.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Signifiacnt Unobservable Inputs Level 3	Total
December 31, 2022				
Mutual Funds	\$ 1,636,611	\$ -	\$ -	\$ 1,636,611
Investments in fair value heirarchy	1,636,611	-	-	1,636,611
CIT measured at NAV*	-	-	-	9,359
Investments, at fair value	\$ 1,636,611	\$ -	\$ -	\$ 1,645,970
December 31, 2021				
Mutual Funds	\$ 70,100	\$ -	\$ -	\$ 70,100
Investments in fair value heirarchy	70,100	-	-	70,100
PSAs measured at NAV*	-	-	-	1,895,808
CIT measured at NAV*	-	-	-	16,353
Investments, at fair value	\$ 70,100	\$ -	\$ -	\$ 1,982,261

** In accordance with FASB ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.*

5: FULLY BENEFIT-RESPONSIVE INVESTMENT (UNAUDITED)

The plan has entered into a traditional fully benefit-responsive investment held through a rider on a group annuity contract with Empower Annuity Insurance Company of America ("EAICA") with investments totaling \$9,942 at December 31, 2022. EAICA maintains the contributions in their general account. The account is credited with earnings on the underlying investments and charged for participants withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The crediting rate was 1.05% as of December 31, 2022.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participant if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by EAICA, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 5: FULLY BENEFIT-RESPONSIVE INVESTMENT (UNAUDITED) (Continued)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include, but are not limited to: (1) Termination of the contract; (2) spin-offs, divestitures, layoffs, or partial or total plan termination; (3) Retirement incentive programs; (4) Plan Mergers; (5) Plan Sponsor Bankruptcy; or (6) Liberalization of plan withdrawal or transfer rules. Management has determined that any such event is not probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) Noncompliance with state or federal law, (2) a breach of material obligation under the contract, (3) failure to maintain assets of at least \$25,000, or (4) Plan disqualification.

Participant transactions may be redeemed daily. Upon termination of the EAICA group annuity contract, the Plan sponsor may receive a lump sum payout with a market value adjustment or can receive payout based on the contract value. If the payout is based on the contract value EAICA may elect, at its option, to defer payments by either 12 months or 36 months, depending on certain market conditions. A 12-month put will apply if on the date EAICA receives notice of contract termination in good order the average of the three-year and five-year Treasury constant maturity rates is less than 300 bps above the lowest weekly average of the three-year and five-year constant maturity Treasuries over the previous 104 weeks from notice. EAICA shall use published rates from the United States Federal Reserve website. A 36-month put will apply if on the date EAICA receives contract termination notification in good order the average three-year and five-year Treasury constant maturity rates is 300 bps or more above the lowest weekly average of the three-year and five-year constant maturity Treasuries over the previous 104 weeks from notice.

NOTE 6: TAX STATUS

The Plan sponsor has adopted a prototype non-standardized profit-sharing plan with a cash or deferral arrangement. This plan has received approval from the Internal Revenue Service on an opinion letter dated 6/30/2020, which stated the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and is tax-exempt as of the financial statement date.

Tax positions are recognized only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. Plan management has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken to require the recognition of a liability or disclosures on the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS:

Certain Plan investments are managed by Principal Life Insurance Company and affiliates who was the recordkeeper of the Plan and, therefore, these transactions qualify as party in interest transactions. Certain Plan investments are managed by Empower Trust Company, LLC and affiliates who iss the recordkeeper of the Plan and, therefore, these transactions qualify as party in interest transactions.

Principal Life Insurance Company and its affiliates provided administrative and recordkeeping services to the Plan. Fees paid by the Plan for these administrative services totaled approximately \$19,000 during 2022.

NOTE 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in Employer contributions.
