This representation letter is provided in connection with your audit of the financial statements of 403(b) Thrift Plan for Employees of Arizona's Children Association (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements (collectively, the "financial statements").

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit.

5. Information Provided

1. We have provided you with:
 - a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters.
 - b. A substantially complete draft of Form 5500.
 - c. Additional information that you have requested from us for the purpose of the audit.
 - d. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - e. Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

2. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
4. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a. Management,
 - b. Employees who have significant roles in internal control, or
 - c. Others where the fraud could have a material effect on the financial statements.
5. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
6. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
7. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
8. We have disclosed to you the names of all of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.
9. The Plan has satisfactory title to all owned assets, which are recorded at fair value, except for investments recorded at contract value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
10. We have no—
 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the Plan.
11. Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
12. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

13. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:

Interest-bearing cash: Consists of highly liquid instruments that generate interest income. The carrying value of interest-bearing cash is its value.

Pooled separate accounts: These funds' assets are invested in registered investment companies. The funds are valued at the net asset value of units of the separate account. The net asset value of the units is determined daily and includes adjustments for investment fees. The net asset value is used as a practical expedient to estimate fair value.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

14. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
15. All required amendments to and filings of Plan documents with appropriate agencies have been made.
16. The Plan obtained its latest opinion letter on March 31, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
17. The Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue it as a qualified Plan. The Plan sponsor has operated the Plan in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
18. The Plan has complied with the fidelity bonding requirements of ERISA.
19. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Sec. 408 (b)(2).

20. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
21. We have reviewed the Plan's financial instruments in accordance with FASB ASC 326, *Financial Instruments - Credit Losses* and have concluded that the standard and its related disclosures are not relevant to the Plan or its users.
22. In regards to the following nonattest services performed by you: financial statement preparation services and standard recurring journal entries, we have –
 - a. Assumed all management responsibilities.
 - b. Designated an individual with suitable skill, knowledge or experience to oversee the services.
 - c. Evaluated the adequacy and results of the services performed.
 - d. Accepted responsibility for the results of the services.
 - e. Ensured that the data and records are complete and we have sufficient information to oversee the services.
23. We have obtained the service auditor's report from our service organization Mutual of America Financial Group. We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation during the periods under audit.
24. We have responded fully and truthfully to all inquiries made to us during the audit.
25. The Plan's books and records are complete.

ERISA Required Supplemental Schedules

26. We believe the form and content of the Schedule of Delinquent Participant Contributions and Schedule of assets (held at end of year) are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
