INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Royale Blue Hospitality, LLC Retirement Plan
Fajardo, Puerto Rico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Royale Blue Hospitality, LLC Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Royale Blue Hospitality, LLC Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Cont'd)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Royale Blue Hospitality, LLC Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Royale Blue Hospitality, LLC Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Royale Blue Hospitality, LLC Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Royale Blue Hospitality, LLC Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audits of the Financial Statements (Cont'd)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions as of December 31, 2024 and Schedules of Assets Held at End of Years as of December 31, 2024 and 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROYALE BLUE HOSPITALITY, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF PLAN

The following description of the Royale Blue Hospitality, LLC Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Royale Blue Hospitality, LLC ("the Sponsor"). The Plan was organized effective October 31, 2019, and is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974.

In July 2019, the Sponsor acquired the property and assumed the operations of El Conquistador Resort Golf Club located in Fajardo, Puerto Rico. On October 31, 2019, the Company approved the creation of a defined contribution plan. All participants in the prior operations of the hotel's 401(k) plan became 100 percent vested in that plan upon termination and were provided the option to have their account balances rolled into the qualified new plan.

As of December 31, 2024 and 2023 there were 711 and 583 active participants in the Plan, respectively.

Contributions

Effective January 1, 2020, participants could contribute up to a maximum of \$15,000 of pre-tax annual compensation, as defined in the Plan. In addition to the maximum amount of pre tax contributions allowed under the Plan, participants who have attained age 50 or over could make catch-up contributions of up to \$1,500 each plan year. The employer can make discretionary contributions based on a percentage of the eligible compensation for the years 2024 and 2023, respectively. Participants direct the investment of all contributions into various investment options offered by the Plan.

Participants' accounts

Each participants' account is credited with the Sponsor's contributions, allocation of plan earnings, and charged with an allocation of administrative expenses. Allocations are based on account balances. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF PLAN (CONT'D)

Forfeited accounts

The portion of a participant's account not vested at the date of their termination of employment, is forfeited immediately. Forfeitures accrued during a plan year are used to reduce the employer's contribution to the Plan for the plan year immediately after the year in which forfeitures were made or distributed between the participants in proportion to its actual contribution to the plan and in relation to the total contributed to the Plan in that year. Additionally, said forfeitures can be used in order to reduce the employer matching contributions or to reduce or pay the administrative expenses of the Plan, whichever is decided by the Plan Sponsors annually. At December 31, 2024 and 2023, there were not any forfeited non-vested accounts, respectively.

Vesting

Participants vesting in the Plan's discretionary contribution to their accounts plus actual earnings thereon, are based on years of continuous service. A participant's vesting percentage in the employer discretionary contribution for the years 2024 and 2023 is as follows:

<u>Years of service</u>	<u>Vested Percentage</u>
1 or less	20%
2	40%
3	60%
4	80%
5	100%

Payment of benefits

Upon termination of services due to death, disability, retirement, or other reasons, a participant receives a lump-sum amount equal to the value of the participant's vested interest in their account.

Eligibility to participate

To become a participant, an employee has to complete nine months of service and attain the age of 21.

DECEMBER 31, 2024 AND 2023

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Non-participant directed investments

Investments held by the Plan represent non-participant-directed accounts. As of December 31, 2024 and 2023, all investments were held in mutual funds, respectively.

Estimates

The preparation of financial statements in conformity with U.S.A. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair market value. The fair market value of a financial instrument is the amount that would be received to sell an asset in an orderly transaction between market participants at the measurement date (the exit price). Shares of mutual funds are valued at the net value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gain and losses on investments bought and sold as well as held during the year.

Payment of benefits

On termination of services due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or annual installments over a period normally not shorter than five years. Upon termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE B - SUMMARY OF ACCOUNTING POLICIES (CONT'D)

Administrative expenses

Significant costs of plan administration are being absorbed by the Sponsor.

NOTE C - INFORMATION CERTIFIED BY A CUSTODIAN (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedules, which was prepared by BPAS Trust Company of Puerto Rico, the custodian of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that such information is complete and accurate.

For the years December 31, 2024 and 2023, the Plan's mutual fund investments (including gain and losses on investments bought and sold, as well as held during the years) appreciated in value by \$58,657 and \$88,836, respectively.

NOTE D - FAIR VALUE MEASUREMENT

The FASB ASC 820-10, "Fair Value Measurements and Disclosures" establishes a fair value hierarchy that prioritizes the inputs of techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Basis of fair value measurement:

- Level 1- Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2- Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3- Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

NOTE D - FAIR VALUE MEASUREMENT (CONT'D)

As required by FASB ASC 820-10, assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. As of December 31, 2024 and 2023, all of the Plan's mutual funds investments were measured using level 1.

The investment fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for investment measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023, respectively.

Mutual funds : valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by their level within the fair value hierarchy, describe the Plan's assets fair value measurement as of December 31, 2024 and 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2024:</u>				
Mutual funds	\$ 1,305,091	\$ -	\$ -	\$ 1,305,091

<u>December 31, 2023:</u>				
Mutual funds	\$ 840,463	\$ -	\$ -	\$ 840,463
	<u> </u>	<u> </u>	<u> </u>	<u> </u>

NOTE E - PLAN TERMINATION

NOTE F - TAX STATUS

The Plan is qualified under Section 1081.01 (d) of Internal Revenue Code for a New Puerto Rico of 2011, and therefore the trust is exempt from taxation. In the normal course of business, the Plan is potentially subject to income tax audits in the Commonwealth of Puerto Rico for its taxable years 2020 to 2024, until the applicable statute of limitations expire. Tax audits by their nature are often complex and can require several years to complete.

In general, contributions to a qualified plan are deductible by the Sponsor when made since earnings of the trust are tax exempt. Participants are not taxed on their benefits until withdrawn from the plan.

Management has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

Management is unaware of any variations in the operation of the Plan from the terms of the Plan documents.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – PARTY-IN-INTEREST INVESTMENTS AND TRANSACTIONS

There were no prohibited party-in-interest investments or transactions during the years ended December 31, 2024 and 2023. For the years ended 2024 and 2023, the Sponsor remitted late several participant's contributions totaling \$43,500 and \$36,182, respectively.
