INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Sponsor of
Cornerstone Education Group 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cornerstone Education Group 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions and Assets (Held at End of Year) as of and for the year ended June 30, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CORNERSTONE EDUCATION GROUP 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Cornerstone Education Group 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees, as defined in the plan document, of Cornerstone Education Group (the “Company” or “Plan Administrator”), who have attained the age of 21 and are considered a full-time employee (“participants”). Certain groups of employees are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (“ERISA”).

The Setting Every Community Up for Retirement Enhancement Act 2.0 of 2022 (the SECURE Act 2.0) was signed into law December 29, 2022. This law, among other things, includes several required and optional provisions that will impact employee benefit plans that go into effect at various times through 2027. The provisions that were required to be implemented on or after December 29, 2022 are; 1) the change of the RMD age from 72 to 73, 2) a reduction in the excise tax due for failure to take a RMD, 3) the ability for fiduciaries to not have to recoup inadvertent overpayments to plan participants (though the Plan must still be made whole), and 4) limits the time to recontribute amounts taken for qualified birth or adoption distributions from an unlimited time period to 3 years. The optional provisions that could be implemented on or after December 29, 2022 are; 1) the ability to give de minimis incentives to boost employee participation in an employee benefit plan, 2) to allow employer match or non-elective contributions to be made on a Roth basis, 3) to allow an employer to elect if hardship withdrawals can be self-certified by participants, and 4) to allow for distributions related to disasters and terminal illness. The Plan did not elect any of the optional provisions during the 2024 plan year.

Custodian

Alerus Financial, N.A. (“Alerus”) is the Plan’s custodian. Alerus invests all participant and employer contributions, as well as earnings thereon.

CORNERSTONE EDUCATION GROUP 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Contributions

Participants can contribute a portion of their compensation as a pre-tax or Roth contribution to the Plan, up to the maximum allowed under the Plan and the Internal Revenue Code. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated fund until changed by the participant. Automatic participant deferrals increase annually by 1% up to 12%.

The Company's matching contributions are discretionary and determined as a percentage of participant elected deferrals. Participants are eligible for matching contributions immediately upon entrances into the plan. During the year ended June 30, 2024, the Company contributed 50% of the first 8% of eligible compensation for contributions into the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's discretionary matching contributions; (b) the participants' voluntary contributions and rollover contributions; and (c) the Plan's earnings (losses). The accounts are charged for any withdrawals, distributions, and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings (losses) thereon. The Plan provides that participants are immediately vested in the Company's matching contributions plus actual earnings (losses) thereon, upon entry into the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance in the participant's account. The loans are secured by the vested balance in the participant's account and bear interest at Prime plus 1%, which is commensurate with local prevailing rates as determined by the plan administrator. The term of such loans may not exceed five years except in the case of a loan for the purchase of a principal residence which may be repaid over a reasonable period of time. Participants may have a maximum of one loan outstanding at a time. Principal and interest is paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Payment of Vested Benefits

On termination of service due to death, disability or retirement, participants may elect to receive an amount equal to the value of the vested interest in their accounts in either a lump-sum amount or in installments, depending on the size of the participant's account balance at the time of termination. Participants with a vested account balance of less than \$5,000 must take a lump-sum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account in a lump-sum distribution.

In-service distributions are allowed when a participant reaches age 59½. Rollover contributions may be withdrawn at any time. The Company may authorize certain withdrawals from a participant's account in the event of proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of certain accounting policies followed in the preparation of these financial statements.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions

Contributions from the Plan participants are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the plan agreement.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

As provided in the plan agreement, expenses may be paid either by the Plan or by the Company. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payments of benefits are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The plan sponsor has performed a review of events subsequent to the statements of net assets available for benefits date through September 23, 2025, the date the financial statements were available to be issued.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of June 30, 2024 and 2023 and net appreciation of investments, interest and dividends for the year ended June 30, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Alerus.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2024 and 2023.

Assets at Fair Value as of June 30, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,273,607	\$ -	\$ -	\$ 9,273,607

Assets at Fair Value as of June 30, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,811,711	\$ -	\$ -	\$ 7,811,711

For the years ended June 30, 2024 and 2023, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. During the year ended June 30, 2024, there were direct fees of \$21,514 paid to Alerus, a party-in-interest as defined in Section 3(14) of ERISA. Indirect fees paid by the Plan for investment management services are included in the net appreciation of the fair value of investments. Salaries and certain services required for reporting to the Internal Revenue Service are paid by the Company, which qualifies as a party-in-interest.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to amend, modify, terminate or partially terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested and the net assets would be distributed to the participants according to the participants' account balances.

NOTE 7 – TAX STATUS

The Plan uses a preapproved plan sponsored by Reliance Trust Company. The Internal Revenue Service has determined and informed the plan administrator by a letter dated March 31, 2017, that the non-standardized pre-approved profit sharing plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan itself is not required to and has not received a determination letter from the IRS. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to examination by the Internal Revenue Service for the statutory period.

NOTE 8 – DELINQUENT CONTRIBUTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. The Company did not timely remit certain participant contributions to the Plan as required by ERISA regulations. During the year ended June 30, 2023, untimely remitted participant contributions and loan payments totaled \$51,442. During the year ended June 30, 2022, untimely remitted participant contributions and loan payments totaled \$99,692. Lost earnings related to untimely remitted participant contributions were paid into the plan in 2025. Amounts have not been recorded in the Plan's financial statements as of June 30, 2024.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, currency fluctuation, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
