Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BDO USA, PC**

(2) EIN: **13-5381590**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditor's Report

The Plan Administrator
Staten Island Physician Practice P.C.
Union Employees Pension Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Staten Island Physician Practice P.C. Union Employees Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the *Audits of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the *Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of Plan

The following description of the Staten Island Physician Practice P.C. Union Employees Pension Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Staten Island Physician Practice P.C. (SIPP) who are members of the Office and Professional Employees International Union, Local - 153 AFL-CIO (the Union). Effective January 1, 2016, employees of SIPP became employees of AdvantageCare Physicians, P.C. (ACP).

Employees are eligible to participate in the Plan if they are members of the Union and have completed one year of service, working 1,000 hours or more. The entry date for participation is the first day of each month immediately following or coincident with the date the employee completes the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Empower Trust Company, LLC (Empower) is the trustee and custodian of the Plan.

Contributions

The participants are not permitted to contribute to the Plan.

SIPP, in 2015, and ACP, in 2016 (collectively, the Employer or the Company), contributed to the Plan 7% of qualified annual wages, as defined in the Plan document, of each eligible participant hired prior to January 7, 2007. The Employer contributes to the Plan 5% of qualified annual wages, as defined in the Plan document, of each eligible participant hired after January 7, 2007. For the Plan year ended December 31, 2024, the Employer contributed \$143,337.

The Employer is also required to make contributions of \$19.30 per week for the 2024 Plan year to the OPEIU Local 153 Pension Fund (the Local Pension Fund), as per the collective bargaining agreements. The Employer reduces, as per the Plan document, its contributions to the Plan by the amounts contributed to the Local Pension Fund.

Participant Accounts

Each participant's account is credited with the Employer's contribution and an allocation of Plan earnings and expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Forfeitures shall reduce the Employer's contributions as described in the Plan. The Employer's contributions are credited to the applicable participants' accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

The Plan does not allow participants to borrow from their accounts.

Staten Island Physician Practice P.C. Union Employees Pension Plan

Notes to Financial Statements

Vesting of Accounts

A participant shall be fully vested in their account based on years of service, in accordance with the following table:

Years of Service	Vesting (%)
Less than 2	-
2 but less than 3	20
3 but less than 4	50
4 but less than 5	75
5 or more	100

The Plan is subject to top-heavy provisions. The above schedule reflects top-heavy vesting rules.

A participant shall be 100% vested in their account if they die, become disabled, or reach their early or normal retirement date. Early retirement age is 64 and normal retirement age is 65 under the Plan.

Payments of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or an annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Forfeited Accounts

As of December 31, 2024 and 2023, forfeited non-vested accounts totaled \$5,443 and \$20,321, respectively. Forfeitures resulting from non-vested terminations are used to reduce Employer contributions. Forfeitures in the amount of \$18,604 were used to reduce Employer contributions during the Plan year ended December 31, 2024.

ERISA Spending Account

An ERISA Spending Account (ESA), maintained by Empower, may be used to pay Plan-related expenses or can be allocated to Plan participants during the year. The ESA is a Plan-level unallocated account held under the terms of the Plan, which may be credited with revenue in excess of the amount of compensation Empower received during the year. The revenue may include distribution fees and administrative fees that Empower or its affiliates received from the Plan's investment options. For the year ended December 31, 2024, the ESA account earned \$46 of interest and dividends and \$716 was used to reduce Plan expenses. As of December 31, 2024 and 2023, the ESA has a balance of \$1,257 and \$1,927, respectively.

Administrative Expenses

Administrative expenses related to the Plan, other than trustee fees, are paid by the Company.

Notes to Financial Statements

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared using the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in fair value of investments, which consists of realized and unrealized gains or losses on investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Administrative Expenses

Management fees and operating expenses charged to the Plan for investments in the mutual funds, common collective trusts, and the pooled separate account are deducted from income earned on the Plan participants' accounts on a daily basis and are not separately reflected in these financial statements. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments on the statement of changes in net assets available for benefits for the year ended December 31, 2024.

Benefits Paid to Participants

Benefit payments to participants are recorded when paid.

3. Risks and Uncertainties

The Plan provides for various investment options in any combination of funds offered by the Plan. These funds are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Staten Island Physician Practice P.C. Union Employees Pension Plan

Notes to Financial Statements

4. Certified Investment Information

Certain information disclosed in the accompanying financial statements, related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower and Empower Life & Annuity Insurance Company of New York (ELA of NY), qualified institutions.

5. Fair Value Measurement

GAAP establishes the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy, as defined by GAAP, are as follows:

Level 1 - This level consists of quoted (unadjusted) prices for identical assets or liabilities in active markets.

Level 2 - This level consists of quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - This level consists of significant inputs to the valuation model that are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds - Mutual funds are valued at unadjusted quoted market prices, which represent the net asset value (NAV) of shares owned by the Plan at year-end.

Common Collective Trusts - Common collective trusts are valued based on the value of the units owned by the Plan. NAV, as a practical expedient, is based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means. The Plan's investment in the common collective trusts can be redeemed immediately at the current NAV per share as a practical expedient. There were no unfunded commitments as of December 31, 2024 and 2023.

Pooled Separate Account - The pooled separate account is valued at the NAV of the units held. The NAV is based on the fair value of the underlying investments held by the pooled separate account less its liabilities. The fair value of the underlying investments, which can consist of a single mutual fund or multiple securities, is determined using market quotations or prices obtained from independent pricing sources. The NAV, as provided by Empower Annuity Insurance Company, is used

Staten Island Physician Practice P.C. Union Employees Pension Plan

Notes to Financial Statements

as a practical expedient to estimate fair value. NAV would not be used if it were probable that the investment would not be traded at NAV. The pooled separate account provides for daily redemptions by the Plan at reported NAV with no advance notice. There are no unfunded commitments related to this investment. This is a direct filing entity.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets that are accounted for at fair value on a recurring basis:

December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,643,917	\$ -	\$ -	\$ 2,643,917
Common collective trusts, measured at NAV*				2,675,935
Pooled separate account, measured at NAV*				229,389
Total Investments, at fair value				\$ 5,549,241

December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,615,498	\$ -	\$ -	\$ 2,615,498
Common collective trusts, measured at NAV*				2,331,307
Total Investments, at fair value				\$ 4,946,805

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts included in these tables are intended to permit reconciliation of the fair value hierarchy table to the amounts presented in the statements of net assets available for benefits.

The Plan had no assets that were measured at fair value on a nonrecurring basis as of December 31, 2024 and 2023.

6. Group Annuity Contract

The Plan has a fully benefit-responsive contract with ELA of NY amounting to \$1,242,311 and \$1,363,086 at December 31, 2024 and 2023, respectively. ELA of NY maintains the contributions in general accounts. ELA of NY is contractually obligated to repay the principal and the specified interest rate that is guaranteed to the Plan. Because the group annuity contract is fully benefit-responsive, it is valued at contract value. Contract value, as reported to the Plan by ELA of NY, represents contributions made under the contract, plus earnings, less participant

Staten Island Physician Practice P.C. Union Employees Pension Plan

Notes to Financial Statements

withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

Certain events limit the ability of the Plan to transact at contract value with ELA of NY. Such events include (1) amendments to the Plan document (including complete or partial Plan termination, or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (i.e., divestiture or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption from ERISA. The Plan management does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with the participants, is probable.

7. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by and/or acquired via Empower or its affiliates. These transactions qualify as exempt party-in-interest transactions.

8. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company, by a letter dated June 7, 2016, that the Plan and related trust were designed in accordance with the applicable regulations of the Internal Revenue Code (IRC). The Company and Plan management believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

10. Subsequent Events

Plan management has evaluated the accompanying financial statements for subsequent events through September 30, 2025, the date the financial statements were available to be issued, and has determined that no material subsequent events have occurred that would require an adjustment to or disclosure in the accompanying financial statements.
