Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures

in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## HATZEL & BUEHLER, INC. IRC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

#### Note 1 - Description of the Plan

The following description of the Hatzel & Buehler, Inc. IRC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### General

The Plan was adopted on January 1, 1994. The Plan is a defined-contribution plan under Section 401(k) of the Internal Revenue Code (IRC) covering all employees of Hatzel & Buehler, Inc. and Bluestone Communications, Inc. (the Companies) who are not covered by a collective bargaining agreement, who have reached the age of twenty-one and have completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions

Each year, participants may contribute a percentage of their annual earnings as a pre-tax contribution, subject to the limitations under applicable provisions of the Internal Revenue Code. Also, participants may designate all or a portion of their deferral contributions as an after-tax contribution into a Roth 401(k) account. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). The Companies make a fixed matching contribution based upon a percentage of a participant's salary deferral. The Companies may also make discretionary matching contributions on an annual basis to participants who remain employed at the end of the year. Participants who have reached the age of twenty-one and have completed six months of service are eligible for matching contributions. All matching contributions are limited up to 6% of a participant's compensation as defined by the Plan. For the year end December 31, 2024, the employer fixed matching contribution totaled \$877,566 and there was no discretionary matching contribution.

Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment options at any time throughout the year.

## HATZEL & BUEHLER, INC. IRC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

#### Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Companies' contributions and Plan earnings, benefit payments, and charged with an allocation of administrative expenses. Allocations are based on participant earnings and contributions or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their salary deferral contributions and rollover contributions plus actual earnings thereon. Vesting in the Companies' fixed matching and discretionary matching contributions is graded based on the following schedule:

<u>Years of Vesting Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

#### Notes Receivable from Participants

Loans from the Plan may be made to participants. The minimum loan amount available is \$1,000. A maximum of one loan may be outstanding at any one time for any eligible participant, with a maximum loan amount available of the lesser of 50% of the participant's vested account or \$50,000. Within each eligible participant's account, a loan sub-account is maintained in order to track principal and interest amounts owed by the participant. The loans bear interest at a reasonable rate determined by the Plan Administrator which is the Prime Rate plus 1%. Interest rates range from 4.25% to 9.50% at December 31, 2024 and 2023, respectively. Principal and interest are paid ratably through weekly payroll deductions and generally, loans must be repaid within five years.

## HATZEL & BUEHLER, INC. IRC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

#### Payment of Benefits

Participant benefits under the Plan are payable to the participants, their beneficiaries or their estates upon severance of employment, normal retirement, disability or death. Benefits for any of these events are payable in the form of a lump-sum distribution or a direct rollover.

If the value of a participant's vested interest in their account is between \$5,000 and more than \$1,000, the Plan Administrator will notify them of the cash out rules and give them the opportunity to elect whether to (1) receive payment or (2) have the payment rolled over directly to an IRA or other eligible plan that they select. If they do not make an election within the period prescribed by the Plan Administrator and the distribution of their account is to be made before their normal retirement date, their vested interest in their account will be rolled over directly to an IRA maintained by a provider selected by the Plan Administrator (an automatic rollover IRA).

If the value of their vested interest is \$1,000 or less, and they do not make an election, payment will be made directly to them.

#### Forfeited Accounts

As of December 31, 2024 and 2023, amounts available from forfeiture of non-vested accounts are \$136 and \$678, respectively. Any portion of a terminated participant's account balance that is not vested at the date of termination will be used to offset future employer contributions. The employer matching contribution at December 31, 2024 has been reduced by \$43,021 from forfeited non-vested accounts.

### Note 2 - Summary of Significant Accounting Policies

#### Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

#### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

## HATZEL & BUEHLER, INC. IRC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### DECEMBER 31, 2024 AND 2023

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Certain Plan investments represent parties-in-interest as defined by ERISA.

#### Administrative Expenses

For the year ended December 31, 2024, administrative expenses charged by the recordkeeper, Empower Trust Company, LLC totaled \$53,096, all of which was deducted from the Plan's assets. Other administrative expenses incurred on behalf of the Plan, including those expenses associated with accounting, legal, and other administrative services of the Plan, are assumed by the Companies. Certain administrative functions are performed by employees of the Companies. No such employees receive compensation from the Plan.

#### Payment of Benefits

Benefits are recorded when paid.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

HATZEL & BUEHLER, INC. IRC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 3 - Information Certified and Provided by Empower Trust Company, LLC

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, the trustee, a qualified institution:

<u>Investments At Fair Value</u>	<u>December 31,</u>	
	<u>2024</u>	<u>2023</u>
Mutual funds	\$38,454,361	\$31,951,357
Common collective trust fund	<u>2,294,614</u>	<u>2,436,726</u>
<u>Total Investments At Fair Value</u>	<u>\$40,748,975</u>	<u>\$34,388,083</u>
<u>Notes Receivable From Participants</u>	<u>\$ 252,185</u>	<u>\$ 172,528</u>

Empower Trust Company, LLC also certified to the completeness and accuracy of \$4,331,404 of net appreciation in fair value, \$1,447,507 of interest and dividends income related to the aforementioned investments and \$17,795 of interest related to notes receivable from participants for the year ended December 31, 2024.

Note 4 - Fair Value Measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the framework are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

HATZEL & BUEHLER, INC. IRC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at quoted prices as reported on the active market in which the investments are traded.

Common Collective Trust Fund: Valued based on the net asset value (NAV) of shares of the underlying fund, the fund's dividends and the trust fund's account charges. Fair value approximates contract value. The investment is measured at NAV as a practical expedient for fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$38,454,361</u>			<u>\$38,454,361</u>
<u>Total Assets in the Fair Value Hierarchy</u>	<u>\$38,454,361</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	38,454,361

	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$31,951,357</u>			<u>\$31,951,357</u>
<u>Total Assets in the Fair Value Hierarchy</u>	<u>\$31,951,357</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	31,951,357
Common collective trust fund (a)				<u>2,436,726</u>
<u>Total Assets at Fair Value</u>				<u>\$34,388,083</u>

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

None of the above investments have unfunded commitments. The redemption frequency and redemption notice periods are daily.

Note 5 - Risk and Uncertainties

The Plan provides for investment options in various combinations of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to levels of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 6 - Income Tax Status

The Plan adopted a prototype non-standardized plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on November 14, 2022, stating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

HATZEL & BUEHLER, INC. IRC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 8 - Party-In-Interest

Certain Plan investments managed by Empower Trust Company, LLC, hold the Plan's assets, invests interest and dividend income and cash received and initiates distributions to participants. Empower Trust Company, LLC, is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions, which are exempt from prohibited transactions rules.
