INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
The Legal Aid Society of Cleveland Retirement Savings Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Legal Aid Society of Cleveland Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Delaware Charter & Trust Company d/b/a Principal Trust Company (Principal Trust Company), a member of the Principal Financial Group, Empower Trust Company, LLC, and Empower Annuity Insurance Company, the custodians of the Plan, qualified institutions, as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by trust companies, qualified institutions, agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C). The information in the financial statements referred to above related to benefits provided by and certified to by an insurance company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents as of and for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by trust companies, qualified institutions, agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C). The information in the supplemental schedules related to benefits provided by and certified to by an insurance company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE A - DESCRIPTION OF PLAN

The following description of The Legal Aid Society of Cleveland Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan covering substantially all employees of The Legal Aid Society of Cleveland (the Organization, Plan Administrator, and Plan Sponsor). The Plan was amended on November 8, 2024 to include employees of The Legal Aid Society of Northeast Ohio LLC. Employees are immediately eligible to contribute employee deferrals and must complete one year of service to be eligible to receive employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may elect to defer up to 100% of their compensation as defined by the Plan on a pre-tax or after-tax basis. Employees who have not declined participation in writing or completed a salary deferral agreement as of the date of their eligibility to participate in the Plan will be automatically enrolled in the Plan with a deferral of 2%, which will be increased annually by 1% up to a maximum of 6%. The Plan provides an employer matching contribution equal to 50% of the first 6% of annual compensation that a participant contributes to the Plan after one year of service. The Plan also provides for an employer contribution of 10% of participants' annual compensation after one year of service. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan provides for catch up contributions for participants who reach the age of fifty by the end of the Plan year. The Plan also provides for additional catch up contributions for participants who reach fifteen years of service by the end of the Plan year. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Organization's contributions, as well as an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and in the Organization's contributions plus actual earnings thereon.

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Notes receivable terms range from 1 - 5 years, or up to 10 years for the purchase of a primary residence. Notes receivable are secured by the balance in the participant's account and bear interest at the prime rate plus 1.00%. Interest rates on notes receivable ranged from 4.25% to 9.50% at December 31, 2024. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon reaching age 59½ or termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, partial payments, or periodic payments based upon the terms of the Plan document. If the value of the vested benefits credited to a participant's account is \$1,000 or less at the time of termination, the entire amount will automatically be distributed to a participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement plan as designated by the Plan Administrator.

Active participants may make hardship withdrawals of the vested employee contribution portion of their account balances, subject to Plan provisions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodians. See Note D for discussion of fair value measurements.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be in default, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Contributions and Contributions Receivable

Contributions from Plan participant and related employer contributions are recorded in the year in which the employee's participant contributions are withheld from compensation. Any contributions attributable to the Plan year but not received by the trust by the last day of the Plan year are recorded as a receivable.

The carrying amount of contributions receivable are assessed for the need to record a valuation allowance. The valuation allowance is an estimate derived from the Plan's historical losses of contributions receivable, adjusted for the Plan Administrator's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Plan. Based on the Plan Administrators assessment as of December 31, 2024 and 2023, no allowances for contributions receivable were recorded as of December 31, 2024 and 2023.

Revenue Sharing

Revenue sharing income represents the portion of investment management fees provided to the Plan from the investment fund manager to offset the cost of services provided to the Plan. Revenue sharing, which is included as a component of investment income on the statement of changes in net assets available for benefits, was \$4,580 for the year ended December 31, 2024.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Participant accounts are charged a fee ratably based on their account balances for expenses incurred to maintain the Plan. These expenses are included in administrative expenses. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in investment income on the accompanying statement of changes in net assets available for benefits.

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tax Status

The Organization adopted a prototype non-standardized 403(b) Plan which received an opinion letter from the IRS dated March 31, 2017, stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in accordance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through September 8, 2025, the date which the financial statements were available to be issued.

NOTE C - CERTIFICATION

Investment information disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2024 was obtained by management and agreed to or derived from information certified as complete and accurate by the custodians.

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2024 are summarized below:

	<u>Level 1</u>
Money market fund	\$ 1,312
Mutual funds	<u>20,352,649</u>
Total investments in the fair value hierarchy	<u>\$ 20,353,961</u>

The Plan's investments accounted for at fair value as of December 31, 2023 are summarized below:

	<u>Level 1</u>
Money market fund	\$ 1,149
Mutual funds	<u>17,770,416</u>
Total investments in the fair value hierarchy	<u>\$ 17,771,565</u>

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodology for the Plan's money market and mutual funds measured at fair value. There have been no changes in the methodology used as of December 31, 2024 and 2023.

Money market and mutual funds are valued at the net asset value of the shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

NOTE E - GUARANTEED INVESTMENT CONTRACTS

The Plan has a traditional fully benefit-responsive guaranteed investment contract with the Prudential Insurance Company of America. Contributions from the Plan are maintained in the Prudential Insurance Company of America's general account. Under the contract, the Plan owns a promise by the issuer to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time. The crediting rate is based on a formula established by the contract issuer, but may not be less than 3.00%. The crediting rate is reviewed on a quarterly basis for resetting. At participants' discretion, they may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance subject to certain restrictions in a 90 day timeframe subsequent to withdrawal.

A Plan Sponsor initiated termination of the contract could limit the ability of the Plan to transact at contract value. In this instance, contract value could be paid over a period of time, or at the Plan Sponsor's discretion, be paid over a maximum of one year after the application of a market value adjustment. The Plan Sponsor does not believe that any events which would limit the Plan's ability to transact at contract value are probable of occurring.

The Plan has a traditional fully benefit-responsive guaranteed investment contract with the Principal Life Insurance Company under which contributions from the Plan are maintained in the Principal Life Insurance Company's general account. Under the contract, the Plan owns a promise by the issuer to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time. The crediting rate is based on a formula established by the contract issuer, but may not be less than 1.55%. The crediting rate is reviewed on a semiannual basis for resetting. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance without restriction.

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE E - GUARANTEED INVESTMENT CONTRACTS (CONTINUED)

The contract may be terminated by the Plan Sponsor or issuer subject to a notice period of 30 days. A Plan Sponsor initiated termination of the contract could limit the ability of the Plan to transact at contract value. In the event of termination, the Plan Sponsor will be subject to either a twelve month irrevocable advance notice or a 5% surrender charge. The Plan Sponsor does not believe that any events which would limit the Plan's ability to transact at contract value are probable of occurring.

Traditional guaranteed investment contracts totaled \$5,109,936 and \$5,187,815 at December 31, 2024 and 2023, respectively. These contracts meet the fully-benefit responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment contract value.

The Plan's ability to receive amounts due is dependent on the issuers' abilities to meet their financial obligations. The issuers' abilities to meet their financial obligations may be affected by future economic and regulatory developments.

NOTE F - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include the investment in the funds of the custodians, and related dividend income, interest, and the payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.

Principal Financial Group (Principal) provides certain administrative services to the Plan. Principal receives revenue from mutual fund and guaranteed investment contract providers for services provided to the funds. This revenue is used to offset a portion of the administrative costs of the Plan. In addition, Principal received revenue for these services at crediting rates per investment ranging from 0.02% to 0.82% of the funds' balances as of December 31, 2024. These fees reduce the rate of return to the Plan for these investments and are netted within net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

Empower Capital Management (Empower) provides certain administrative services to the Plan. Empower received revenue for these services at crediting rates per investment ranging from 0.32% to 1.82% of the funds' balances as of December 31, 2024. These fees reduce the rate of return to the Plan for these investments and are netted within net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
