INDEPENDENT AUDITOR'S REPORT

The Plan Administrator and Participants e.Republic LLC 401(k) Savings & Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of e.Republic LLC 401(k) Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of e.Republic LLC 401(k) Savings & Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of e.Republic LLC 401(k) Savings & Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about e.Republic LLC 401(k) Savings & Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

PATRICK
KENDRICK
GIBSON
Certified Public Accountants, LLP

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the e.Republic LLC 401(k) Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about e.Republic LLC 401(k) Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

**E.REPUBLIC LLC
401(k) SAVINGS & RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE A – DESCRIPTION OF THE PLAN

The following description of the e.Republic LLC 401(k) Savings & Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan that was established in 1996, to provide benefits to all eligible employees of e.Republic LLC (the Company and Plan Sponsor), as defined in the Plan document. Employees are eligible to participate in the Plan after two months of full-time employment and obtaining age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(a) of the Internal Revenue Code.

Effective February 2, 2023, the name of the Plan was changed from e.Republic Inc. 401(k) Savings & Retirement Plan to e.Republic LLC 401(k) Savings & Retirement Plan.

Administration: The Company contracted with a third-party administrator who processes and maintains the records of participant data and Fidelity Management Trust Company to act as the trustee and custodian of Plan assets.

Contributions to the Plan: Each year, participants may contribute a portion of their eligible annual salary to the Plan subject to certain Internal Revenue Code limitations. Participants can contribute to pre-tax or after-tax salary deferrals. Contributions are withheld from each participant's compensation and invested in accordance with the participant's instructions. Participants may also contribute amounts representing distributions from other qualified retirement plans.

Employer contributions: The Company may make discretionary matching and profit sharing contributions. The Company made discretionary matching contributions of \$535,987 and \$440,911 during the years ended December 31, 2024 and 2023, respectively.

No discretionary employer profit sharing contributions were made in 2024 or 2023.

During the year ended December 31, 2024, the Company made qualified non-elective contributions, totaling \$5,990, as part of the self-correction program available to retirement plans under the Employee Plans Compliance Resolution System (EPCRS).

Participant accounts: Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

Vesting and forfeitures: Participants are immediately vested in their contributions. Discretionary Company profit sharing contributions vest as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
2	20%
3	40%
4	60%
5	80%
6 or more	100%

E.REPUBLIC LLC

NOTES TO FINANCIAL STATEMENTS – CONTINUED

DECEMBER 31, 2024 AND 2023

NOTE A – DESCRIPTION OF THE PLAN – CONTINUED

Discretionary Company matching contributions vest as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
0	25%
1	50%
2	75%
3 or more	100%

Forfeitures are used to pay administrative expenses or reduce Company contributions. At December 31, 2024 and 2023, forfeited nonvested Company contributions totaled \$4,245 and \$32,347 respectively. \$35,333 of forfeitures were used to reduce Company contributions for the year ended December 31, 2024. No forfeitures were used to reduce Company contributions or pay Plan expenses during 2023.

Payment of benefits: The Plan provides for the payment to the participant (or, if applicable, the beneficiary) at retirement (age 65), disability, death, or termination of employment. In-service distributions are also permitted if the participant is at least age 59 ½. Participants who qualify for retirement benefits will receive their benefits in the form of a lump sum cash payment. The benefit to which a participant is entitled is the benefit that can be provided directly from the participant’s vested account balance. Participants who separate from service and have a vested account balance of \$7,000 or less are subject to an administrative distribution at the discretion of the Plan administrator.

Notes receivable from participants: A participant may borrow up to the lesser of \$50,000 or 50% of the participant’s vested account balance subject to the approval of the Plan administrator. The minimum loan amount is \$1,000. All borrowings bear a fixed rate of interest commensurate with local prevailing rates as determined on the date of advance by the Plan administrator. Borrowings generally must be repaid within a five-year period through regular payroll deductions. Participants may only have two outstanding loans at a time. Loans are segregated investments and to the extent a participant borrows, his or her account will not share in the earnings and gains in value attributable to other Plan investments. Accordingly, the interest participants pay on their loans will be directly credited to their account.

Risks and uncertainties: The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates, or other factors in the near term would materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting: The accompanying financial statements have been prepared on the accrual method of accounting and in accordance with accounting principles generally accepted in the United States of America. Contributions from participants are recorded when withheld from the participant. Benefit payments are recorded when paid.

E.REPUBLIC LLC

NOTES TO FINANCIAL STATEMENTS – CONTINUED

DECEMBER 31, 2024 AND 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment valuation and income recognition: Investments are recorded at fair value. *Fair value* is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurements.

The net appreciation or decline in fair value of investments includes the realized gain or loss on the sale of securities and unrealized appreciation or decline arising from the differences between the fair value at the beginning of the year and at the end of the year.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to distributions and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are charged directly by the funds and are thereby factored into each fund as a reduction in investment return.

NOTE C – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**E.REPUBLIC LLC
401(k) SAVINGS & RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS – CONTINUED

DECEMBER 31, 2024 AND 2023

NOTE C – FAIR VALUE MEASUREMENTS – CONTINUED

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023 and there have been no transfers between levels during the years ended December 31, 2024 and 2023.

Mutual and money market funds: The fair value of mutual and money market funds is based on quoted net asset values of the shares held by the Plan at year-end. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Brokerage accounts: Units primarily consist of mutual funds, options and common stocks that are valued at the closing market price on the active market on which the public investment securities are traded.

Common collective trust: Valued at net asset value of units of a collective trust. The net asset value, as provided by the fund manager, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

The occurrence of one or more employer initiated events could limit the Plan’s ability to transact at contract value. The Plan administrator does not believe any events limiting the Plan’s ability to transact at contract value are probable of occurring.

NOTE E – INFORMATION CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company.

	<u>2024</u>	<u>2023</u>
<i>Investments, at fair value:</i>

<i>Interest from notes receivable from participants:</i>	\$18,902	\$7,361

NOTE F – TAX STATUS

The Plan adopted the Fidelity pre-approved defined contribution plan effective February 2, 2023. The Internal Revenue Service has determined and informed Fidelity by letter dated June 30, 2020, that the pre-approved plan document and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Therefore, no provision for income taxes have been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS – CONTINUED

DECEMBER 31, 2024 AND 2023

NOTE G – RELATED PARTY TRANSACTIONS

Since the inception of the Plan, the Plan Sponsor has absorbed some of the administration expenses of operating the Plan. Certain Plan investments in mutual funds are managed by Fidelity Investments (an affiliate of Fidelity Management Trust Company). Any purchases and sales of these funds are performed in the open market at fair value. The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE H – PLAN TERMINATION

The Company intends to continue the Plan indefinitely for the benefit of its employees; however, subject to the provisions of the ERISA, it reserves the right to terminate or modify the Plan at any time by resolution of the Company's Board of Directors. In the event of a Plan termination, participants will become 100% vested in their accounts.

NOTE I – SUBSEQUENT EVENTS

Effective August 6, 2025, the Plan was amended to allow for after-tax contributions, in-Plan Roth rollover contributions, and in-Plan Roth conversions.

Management has evaluated subsequent events through September 30, 2025, which is the date the financial statements were available to be issued, and has determined that there are no additional adjustments or disclosures required.

NOTE J – NONEXEMPT TRANSACTIONS

The Company failed to remit to the Plan's custodian certain employee contributions and loan repayments, totaling \$64,946 and \$115,923 in 2024 and 2023, respectively, within the period prescribed by the Department of Labor regulations. Delays in remitting contributions to the custodian were due to administrative errors. The Company has made contributions to the affected participants' accounts to compensate for any lost earnings due to the delays.
