INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Republic State Mortgage 401(k) Profit Sharing Plan & Trust
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Republic State Mortgage 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Republic State Mortgage 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Republic State Mortgage 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Republic State Mortgage 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Republic State Mortgage 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Republic State Mortgage 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Republic State Mortgage 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan documents for a complete description of Plan provisions.

General

The Plan is a defined contribution plan covering eligible employees of Republic State Mortgage Co. (the “Company”). The Plan is subject to the provisions of the Department of Labor’s (DOL’s) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Plan’s Administrative Committee (Administrative Committee) determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees.

Some administrative functions are performed by employees of the Company. No compensation is remitted to the Company for these services.

Plan assets are held and managed by Fidelity Management Trust Company (FMTTC), which invests contributions and Plan earnings, makes investment transactions as directed by the Investment Committee and provides certain recordkeeping services. Fidelity Investments (Fidelity) acts as the third-party administrator for the Plan, which performs certain plan administration and annual ERISA compliance testing.

Eligibility

Employees may become a participant of the Plan when they have reached two months of service and are age twenty-one or older. An eligible employee may enter the Plan on the next monthly entry date after all entry requirements have been met.

Contributions

Each year, participants may contribute up to 86 percent (%) of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e. rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may elect to make discretionary profit sharing and matching contributions. For the plan year ending December 31, 2024, the Company matched 1% of base compensation that a participant contributes to the Plan. Additional profit-sharing amounts may be contributed at the option of the Company’s board of directors and are invested in a portfolio of investments as directed by the Company. During the year ended December 31, 2024, the Company made no additional profit-sharing contribution. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution as well as allocations of the Plan’s earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

REPUBLIC STATE MORTGAGE 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Years of Service	Vesting Percentage
less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

Forfeitures of terminated participants' non-vested accounts may be applied to administrative expenses or to future employer contributions. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$4,318 and \$2,023, respectively. These accounts are used to reduce future employer contributions and administrative fees. In 2024, administrative fees were reduced by \$6,526.

Notes Receivable from Participants

Participants may borrow from their fund accounts at a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is determined at the time the loan is made. Principal and interest is paid ratably through at least quarterly payroll deductions.

Benefit Payments

On termination of service due to death, disability, or retirement, account balances \$5,000 or less are distributed in a lump-sum at the Company's discretion. For account balances greater than \$5,000, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a certain period of time. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. For account balances \$5,000 or less, where the participant does not elect either to receive or to roll over the distribution, the Plan Custodian may distribute as soon as administratively feasible without participant consent. For account balances greater than \$5,000, where the participant does not elect either to receive or to roll over the distribution, the Plan Custodian must receive participant consent before any distribution is made.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments generally are reported at fair value but may also be reported at contract value or net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements, contract value, and NAV.

The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by its investment advisors.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

Payment of Benefits

Distributions to participants are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative fees on the statement of changes in net assets available for benefits. Investment-related expenses are included in net appreciation of fair value of investments on the statement of changes in net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements has been derived from information certified to be complete and accurate by the Trustee under such regulation:

	2024	2023
Investments at fair value	\$ 8,543,415	\$ 8,607,762
Notes receivable from participants	\$ 117,902	\$ 148,538
Interest on notes receivable from participants	\$ 12,449	
Net appreciation in fair value of investments	\$ 709,604	
Dividends and interest	\$ 305,484	

NOTE 4 – FAIR VALUE MEASUREMENT

FASB ASC 820, *Fair Value Measurements and Disclosures*, (ASC 820) defines fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not assumptions specific to the entity.

ASC 820 specifies a hierarchy of valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon the market data obtained from independent sources (observable inputs). In accordance with ASC 820, the following summarizes the fair value hierarchy:

Level 1 Inputs – Unadjusted quoted market prices for identical assets or liabilities in an active market that the Company has the ability to access.

Level 2 Inputs – Inputs other than the quoted market prices in active markets that are observable either directly or indirectly.

Level 3 Inputs – Inputs based on prices or valuation techniques that are both unobservable and significant to the overall fair value measurements.

NOTE 4 – FAIR VALUE MEASUREMENT (Continued)

ASC 820 requires the use of observable market data, when available, in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

While the Plan believes its valuation methods are appropriate and consistent with those used by other market participants, the use of different methods or assumptions to estimate the fair value of certain financial statement items could result in a different estimate of fair value at the reporting date. The significant unobservable inputs in the fair value measurement may result in significantly different fair value measurements if any of those inputs were to change in isolation. Generally, a change in the assumptions used in the fair value measurement would be accompanied by a directionally opposite change in other assumptions. Those estimated values may differ significantly from the values that would have been used had a readily available market for such items existed, or had such items been liquidated, and those differences could be material to the financial statements.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust: The Plan invests in a collective investment trust, Fidelity Managed Income Portfolio Class 2, that does not have a readily determinable fair value. The investment's fair value has been estimated using the net asset value (NAV) as a practical expedient, is excluded from the fair value hierarchy, and is shown below to reconcile to total investments at fair value presented in the statement of net assets available for benefits. As of December 31, 2024, the NAV (and thus the reported fair value) of the investment was \$472,225. Participant transactions occur at NAV with a daily redemption frequency. A redemption notice of up to 12 months may be required for plan-level redemptions. As of December 31, 2024, there were no unfunded commitments.

Assets Measured at Fair Value

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 8,071,190	\$ -	\$ -	\$ 8,071,190
Total fair value hierarchy	\$ 8,071,190	\$ -	\$ -	\$ 8,071,190
Collective Investment Trust				472,225
Total investments at fair value				\$ 8,543,415

NOTE 4 – FAIR VALUE MEASUREMENT (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 7,337,653	\$ -	\$ -	\$ 7,337,653
Total fair value hierarchy	\$ 7,337,653	\$ -	\$ -	\$ 7,337,653
Collective Investment Trust				60,809
Total investments at fair value				\$ 7,398,462

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Management evaluated the significance of transfer between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2024 and 2023, there were no significant transfers in or out of Levels 1, 2 or 3.

NOTE 5 – TAX STATUS

The Internal Revenue Service has determined and informed the prototype plan adopted by the Plan by a letter dated June 30, 2020, that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the prototype plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and believes the Plan is qualified and that the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee and therefore these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits, as they are paid through revenue sharing, rather than direct payment. The Company pays directly any other fees related to the Plan's operations. Participant contributions and notes receivable from participants also qualify as party in interest transactions. These party in interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to the Form 5500:

	2024	2023
Net assets available for benefits per the financial statements	\$ 8,661,317	\$ 8,756,300
2024 NAV to fair value adjustment of collective investment trust	(28,402)	-
Net assets available for benefits per the Form 5500	<u>\$ 8,632,915</u>	<u>\$ 8,756,300</u>

The following is a reconciliation of the net increase in net assets per the financial statements for the year ended December 31, 2024, to Form 5500:

	2024
Net decrease in net assets per the financial statements	\$ (94,983)
2024 NAV to fair value adjustment of collective investment trust	(28,402)
Net decrease in net assets per the Form 5500	<u>\$ (123,385)</u>

NOTE 9 – SUBSEQUENT EVENTS

Management of the Plan evaluated all events or transactions that occurred after December 31, 2024, through October 1, 2025, the date the Plan's financial statements were available to be issued.
