To the Trustee of
Signature Solar, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Signature Solar, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SIGNATURE SOLAR, LLC 401(k) PLAN

Notes to the Financial Statements
December 31, 2024

1. Description of Plan

The following description of the Signature Solar, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a qualified defined contribution plan covering all eligible employees of Signature Solar, LLC (the “Plan Sponsor”), as well as employees of EG4 Electronics, LLC, Solar 76, and Outback Power, LLC. The Plan was established by the Plan Sponsor on January 1, 2024, to provide retirement benefits for its employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (“ERISA”).

Also, effective January 1, 2024, the Plan entered into a service agreement with ADP Retirement Trust Services, LLC (“ADP”). ADP is responsible for, among other things, the custody and investment of the Plan’s assets and the payment of benefits to eligible participants. ADP serves as the Custodian and the Trustee, and ADP provides recordkeeping functions to the Plan.

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act (“Secure 2.0 Act”) was passed by Congress. The Secure 2.0 Act contains numerous provisions that impact employee benefit plans. Generally, the deadline for formally adopting any required plan amendments made pursuant to the Secure 2.0 Act is December 31, 2026; however, plans must be operated in accordance with the effective dates of each new provision. The Plan has administratively complied with and adopted all applicable provisions of the Secure 2.0 Act for the years ending December 31, 2024, and 2023. The Plan Sponsor expects the Plan to be formally amended prior to the Secure Act 2.0 deadlines.

Eligibility

Full-time employees are eligible to participate in the Plan upon attaining the age of 21 and completing 3 months of service with the Plan Sponsor. Plan entry date is to be the first day of the month coinciding with or next following the date the employee satisfies the eligible requirements. Effective January 1, 2025, the Plan’s eligibility requirements and initial enrollment rules were amended. Employees are now eligible to participate in the Plan when they have attained the age of 18 and completed three months of service.

Contributions

The Plan is a contributory plan whereby participants may contribute up to a maximum of 100% of pre-tax annual compensation not to exceed the dollar limit set by law of \$23,000 for 2024. Participants age 50 or older may elect to defer an additional \$7,500 of “catch up” contributions to the Plan. In addition, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan Sponsor may make discretionary matching contributions to the Plan. For the 2024 Plan year, the Plan Sponsor made Safe Harbor contributions equal to 100% on the first 3% of participant compensation, plus 50% of the next 2% of the participant’s compensation. The Plan Sponsor’s matching contributions to the Plan amounted to \$602,755 for the year ended December 31, 2024.

The Plan Sponsor may also make discretionary profit-sharing contributions to the Plan in an amount determined by the Plan Sponsor, as defined in the Plan agreement. There were no such contributions for the year ended December 31, 2024.

1. Description of Plan (Continued)

Participant Accounts

Each participant's individual account is credited with participant contributions, the Plan Sponsor's contributions and Plan investment earnings. Participants may choose to have their account balance deposited in various investment programs. Allocation of Plan investment earnings is based on the participant's account balance, as defined.

Vesting

Participants are immediately vested in their contributions and Sponsor's Safe Harbor matching contributions and actual earnings thereon. Vesting in the Plan Sponsor's nonelective contributions and profit-sharing contributions is based on years of continuous service as follows:

<u>Years of service</u>	<u>Vested Percentage</u>
1	100%

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 year to a maximum of 5 years. The loans are secured by the balance in the participant's account and bear interest at 1% over Prime. Interest rate on participant loans was between 8.75% and 9.50% as of December 31, 2024. Principal and interest is paid ratably through either payroll deductions or participant payments. As of December 31, 2024, participant notes receivable balance was \$20,286.

Investment Options

At December 31, 2024, participants may self-direct employee and employer contributions in to various investment options available for investment. The investment options include mixes of mutual funds from aggressive to conservative, international, growth, and bonds. Participants may change their investment options at any time.

Payments of Benefits

In accordance with the Plan document, upon termination of service, a participant is entitled to receive, as benefits, an annuity or a lump sum amount equal to the value of his/her account.

Forfeitures

Forfeitures may be used to pay allowable administrative expenses and reduce Plan Sponsor matching contributions. As of December 31, 2024, forfeiture balances were \$0. For the year ended December 31, 2024, forfeitures of \$622 were utilized to reduce employer contribution amounts and plan expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

This is the initial year of the Plan's operations; accordingly, comparative financial information is not presented. The financial statements of the Plan are prepared using the accrual method of accounting. The Plan's investments are stated at fair market value. Quoted market prices are used to value investments. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments consists of realized gains and losses and the change in unrealized gains and losses in the Plan's investments. Realized gains and losses from the sale of investments are computed using the participant's cost basis in the investment aggregated at the Plan level. Net changes in unrealized appreciation/depreciation in investments represent the difference between the fair value of investments held at year-end and the cost of investments purchased in the current fiscal year or the fair value of investments held at the end of the preceding year.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on participant notes receivable is recorded when earned. Delinquent notes receivable from participants are recorded as a distribution based on the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

Payments of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Plan administrative expenses are paid by either the Plan Sponsor or the Plan, as provided in the Plan agreement. Amounts paid by the Plan for certain administrative fees were \$8,078 for the year ended December 31, 2024.

SIGNATURE SOLAR, LLC 401(k) PLAN

Notes to the Financial Statements
December 31, 2024

2. Summary of Significant Accounting Policies (Continued)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as excess contributions payable. As of December 31, 2024, excess contributions payable amounted to \$2,047. The Plan distributed the 2024 excess contributions to the applicable participant prior to the March 15, 2025 deadline.

Subsequent Events

The Plan evaluated the impact of subsequent events through September 23, 2025, the date these financial statements were issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

3. Fair Value Measurements

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

The Plan maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the following fair value measurement.

- Level 1: quoted prices in active markets for identical assets or liabilities;
- Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The description of the valuation methodologies used for assets measured at fair value is as follows:

- Registered investment companies: Investments in shares of registered investment companies are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end (Level 1 inputs).
- Common collective trusts: The fair value of the investments in the common collective trust is determined based on the fair value of the underlying securities within the fund, which represents the net asset value ("NAV") of the shares held by the Plan at year end.

The method described above for common collective trusts may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

SIGNATURE SOLAR, LLC 401(k) PLAN

Notes to the Financial Statements December 31, 2024

3. Fair Value Measurements (Continued)

The table below sets forth by level, within the fair value hierarchy, the Plan's assets and fair value as of December 31, 2024.

Investments	Level 1	Level 2	Level 3	Total
Registered investment companies:	\$	\$	\$	\$
Mutual funds	67,112	-	-	67,112

Investments measured at NAV:				
Common/collective trusts				1,446,139
Total investments at fair value				<u>\$ 1,513,251</u>

4. Party-in-interest Transactions

Certain Plan investments may be managed by ADP and Reliance. The Plan allows participants to borrow from their vested balances. These transactions qualify as party-in-interest transactions. These transactions are exempt from prohibited transaction rules under ERISA.

5. Information Certified by the Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and supplemental schedule is complete and accurate: investments in the statements of net assets available for benefits as of December 31, 2024; net appreciation in value of investments and interest and dividends in the statement of changes in net assets available for benefits for the year ended December 31, 2024; and the investment information included in the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024.

6. Reconciliation of Schedule H of Form 5500 to Financial Statements

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 at December 31, 2024:

Net assets available for benefits per the financial statements	\$ 1,531,490

6. Reconciliation of Schedule H of Form 5500 to Financial Statements (Continued)

The following is a reconciliation of participant contributions, employer contributions, and corrective distributions per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2024:

	<u>Participant Contributions</u>	<u>Employer Contributions</u>	<u>Corrective Distributions</u>
Amount per financial statements	\$ 923,143	\$ 602,755	\$ 2,047

Current year excess contributions payable			(2,047)
Amount per Schedule H of Form 5500	<u>\$ 923,143</u>	<u>\$ 602,755</u>	<u>\$ -</u>

7. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Plan Termination

Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time by resolution of its Plan Sponsor subject to the provisions of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan shall become fully vested and nonforfeitable.

9. Prohibited Transactions

There were no prohibited party-in-interest transactions during the year ended December 31, 2024.

10. Tax Status

The prototype plan was approved by the Internal Revenue Services ("IRS") on October 6, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The financial statement effects are recognized when the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

2024

This Form is Open to Public Inspection

For calendar plan year 2024 or fiscal plan year beginning and ending

<p>A Name of plan</p>	<p>B Three-digit plan number (PN) ▶</p>	
<p>C Plan sponsor's name as shown on line 2a of Form 5500</p>	<p>D Employer Identification Number (EIN)</p>	

Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
