INDEPENDENT AUDITOR'S REPORT

Board of Trustees
San Antonio Electrical Vacation Trust
San Antonio, Texas

Opinion

We have audited the accompanying financial statements of San Antonio Electrical Vacation Trust (the Trust), an employee benefit plan subject to the Employee Retirement Income Security act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Trust as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Trustees Responsibilities for the Financial Statements

The Trustees are responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

The Trustees are also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) and reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A DESCRIPTION OF TRUST

San Antonio Electrical Vacation Trust (the Trust) was established for the purpose of providing for vacation and holiday benefits for eligible participants of South Texas Chapter, National Electrical Contractors Association, and Local Union #60, International Brotherhood of Electrical Workers. Payments are subject to the determination of the Trustees concerning the particular type or types of benefits to be provided. The Trust was created to comply with the requirements of Section 302 (C)(6) of the Labor Management Relations Act of 1947, as amended and with the Employee Retirement Income Security Act of 1974 (ERISA), relating to employee benefits.

It is intended that the Trust shall continue in perpetuity. However, the Trust may be terminated when there is no longer in effect an agreement between any of the employers and any Local Union which requires employer payments for the purposes provided in the Trust Agreement.

In the event of termination of the Trust, the Trustees shall abide by the termination provisions of ERISA and may, should the Trustees feel it advisable, petition the proper court for the appointment of an independent trustee. No part of the Trust shall ever revert to or be payable to any employer or other party hereto, nor to any employee except in the form of benefits equivalent or similar to those provided in the Trust Agreement.

NOTE B REPORTING AND SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies followed by the Trust are as follows:

Accounting Records – The accounting records of the Trust are maintained on the accrual basis for financial reporting purposes. Interest income is recognized when earned.

Employers' Contributions – Employers' contributions are payable to the Trust by employers who, under a collective bargaining agreement, have agreed to make contributions on behalf of covered employees. Employers contribute 4% of the employees' covered employment gross wages which are accumulated in vacation benefit accounts. During 2024 two employers contributed approximately \$4,100,000 or 78% of total contributions.

Vacation Benefits – Employees are eligible to participate on the first day of employment. Employees are 100% vested in contributions made to their vacation accounts. Employees have the option of opening a segregated account at a specified financial institution for their contributions or allowing the Trust to maintain their balance in a general account. Employees are allowed monthly withdrawals from their accounts if their contributions are maintained in a segregated account. If employees maintain their contributions in the general account, employees may make two withdrawals per year from their vacation benefit account.

SAN ANTONIO ELECTRICAL VACATION TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE B REPORTING AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions Receivable – Employers’ contributions receivable are recognized for contributions for payroll periods prior to the fiscal year end of the Trust but not received by the Trust until after fiscal year end.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Trust Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Concentration of Market Risk – Contributions paid to the Trust are directly affected by the level of construction activity and economic conditions within the San Antonio, Texas area. Therefore, the Trust could suffer the risk of loss of contributions should the San Antonio area suffer an economic downturn.

Subsequent Events – The Trust has evaluated subsequent events through October 1, 2025, the date the financial statements were available to be issued. No subsequent events occurred, which require adjustment or disclosure to the financial statements at December 31, 2024.

NOTE C CASH AND CERTIFICATES OF DEPOSIT

Cash consists of cash held in checking and money market accounts.

The Trust had cash comprised of the following at December 31:

	<u>2024</u>	<u>2023</u>
Cash	\$ 18,083	\$ 17,516
Cash - Money market account	<u>1,306,312</u>	<u>766,219</u>
Total cash	<u>\$ 1,324,395</u>	<u>\$ 783,735</u>

As of December 31, 2024, the Trust had approximately \$914,000 in cash balances in excess of the FDIC limit. It is the Trust’s practice to utilize high net worth institutions to limit its credit risk. The Trustees believe the Trust is not exposed to any significant credit risk on these accounts.

NOTE D PARTIES-IN-INTEREST

The Trust has entered into agreements for services with certain individuals who are considered parties-in-interest. The Trust's trustees have approved of these transactions.

Fees paid during the year for legal, accounting, administrative and other professional services were rendered by parties-in-interest. All of these transactions were consummated during the normal course of business.

NOTE E INCOME TAX STATUS

The Internal Revenue Service has ruled that the Trust qualifies under Section 501(c)(9) of the Internal Revenue Code and is, therefore, not subject to tax under present income tax laws. The Trust received a favorable determination letter dated November 9, 1972, from the Internal Revenue Service. The Trust has been amended since receiving the determination letter. The Trustees are of the opinion that the Trust continues to be exempt from federal income taxes and continues to conform to the requirements of ERISA.

The Trust believes that all significant tax positions utilized by the Trust will more likely than not be sustained upon examination. As of December 31, 2024, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2021 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statement of changes in net assets available for benefits.
