INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Safe-Harbor 401 (K) Profit Sharing Plan for Employees of Alliance for Aging, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of Safe-Harbor 401 (K) Profit Sharing Plan for Employees of Alliance for Aging, Inc., (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statement comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Safe-Harbor 401 (K) Profit Sharing Plan for Employees of Alliance for Aging, Inc. (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete and comprehensive description of the Plan’s provisions.

General

The Plan is a single-employer defined contribution plan covering all full-time and part-time employees of Alliance for Aging, Inc. (the “Company”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility Requirements

All employees are eligible to participate in the Plan, with the exception of those that are non-resident aliens with no U.S. source income and those who are classified or treated as independent contractors. Employees must be at least 18 years old and must have completed one year of service to participate in the plan.

Requirements for Contributions

Each year participants may elect to contribute a percentage of their annual compensation on a pretax and/or after tax basis, as defined in the Plan. All contributions are subject to certain limitations established by the Internal Revenue Service. The maximum pre-tax contribution was \$23,000 for December 31, 2024 and \$22,500 in 2023, respectively. Additionally, if a participant has attained age 50, the participant is eligible to make an additional catch-up contribution. The age-50 catch-up contribution cannot exceed \$7,500 in 2024 and 2023, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company makes employer base contributions on the participant’s behalf that satisfies the Internal Revenue Service safe harbor contribution requirements. Prior to each plan year, the participant will receive written notice indicating the safe harbor contribution percentage for the upcoming year. The employer base contribution for the December 31, 2024 plan year was equal to 8%.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company’s contribution and Plan earnings from participant directed investments, net of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals plus actual earnings thereon.

Payment of Benefits

Upon retirement, termination of service, or disability; distributions are made to participants in the form of a partial distribution or installment distribution for a specified term. In-service distributions are generally limited to employees that reach 59 1/2 years of age or to cases involving hardship.

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions to various investment options offered by the Plan.

EMPLOYEES OF ALLIANCE FOR AGING, INC.
NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Participant Loans

Participant may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent (50%) of the participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest rates determined by the Plan administrator at the time of the loan application. Principal and interest is paid ratably through payroll deductions.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are presented using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Valuation of Investments and Income Recognition

All of the Plan's investments are stated at fair value. Units of pooled separate accounts are value based on the underlying investments, which are mutual funds for which quoted prices are available in active markets. Security transactions are recorded on a trade date basis, which is the date the order to buy or sell is executed. Interest income is accrued on a daily basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from their financial statements. Plan expenses are recorded when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates and assumptions.

Subsequent Events

The Plan has evaluated subsequent events and transactions for potential recognition or disclosure through September 22, 2025, which is the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S CERTIFYING ENTITY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America, the certifying entity of the Plan.

**SAFE-HARBOR 401 (K) PROFIT SHARING PLAN FOR
EMPLOYEES OF ALLIANCE FOR AGING, INC.
NOTES TO THE FINANCIAL STATEMENTS**

NOTE 4 – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	<p>Inputs to the valuation methodology include</p> <ul style="list-style-type: none"> • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in active markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p>
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled separate accounts: Investments in units of pooled separate accounts held with an insurance company are stated at estimated fair market value and are valued by the insurance company based on the net asset value of units held by the Plan at year-end. The net asset value is determined by the insurance company based on the market value of the underlying investments held in the pooled fund.

General Account: Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

**SAFE-HARBOR 401 (K) PROFIT SHARING PLAN FOR
EMPLOYEES OF ALLIANCE FOR AGING, INC.
NOTES TO THE FINANCIAL STATEMENTS**

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024 and 2023:

December 31, 2024	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Total investments in the fair value heirarchy				
Pooled separate accounts	\$ 7,446,367	\$ -	\$ -	\$ 7,446,367
General account	-	649,340	-	649,340
Total investments at fair value	<u>\$ 7,446,367</u>	<u>\$ 649,340</u>	<u>\$ -</u>	<u>\$ 8,095,707</u>

December 31, 2023	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Total investments in the fair value heirarchy				
Pooled separate accounts	\$ 6,154,195	\$ -	\$ -	\$ 6,154,195
General account	-	655,466	-	655,466
Total investments at fair value	<u>\$ 6,154,195</u>	<u>\$ 655,466</u>	<u>\$ -</u>	<u>\$ 6,809,661</u>

The Plan Administrator evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2024 and 2023, there were no significant transfers in or out of levels 1, 2, or 3.

NOTE 5 – TAX STATUS

The Plan has adopted a Prototype Non-Standardized Plan sponsored by Mutual of America Financial Group. On November 30, 2020, the Internal Revenue Service (“IRS”) stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Code and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no examinations for any tax periods in progress.

**SAFE-HARBOR 401 (K) PROFIT SHARING PLAN FOR
EMPLOYEES OF ALLIANCE FOR AGING, INC.
NOTES TO THE FINANCIAL STATEMENTS**

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its matching contribution at any time and to modify, suspend or terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants would become fully vested in their employer contributions.

NOTE 7 – PARTY IN INTEREST/RELATED PARTY TRANSACTIONS

Certain plan investments are managed by the Plan's certifying entity, Mutual of America; therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Certain administrative expenses were paid by the Plan or the Company. The Plan issues loans to participants, which are secured by the vested balance in the participant's accounts. These transactions qualify as party-in-interest. Employees of the Company provide administrative services to the Plan for which no fees are charged.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 – INTEREST ACCUMULATION ACCOUNT

Participants may select from a variety of investments including an interest accumulation account with Mutual of America Life Insurance Company ("Mutual"). Mutual maintains amounts allocated under this contract in a general account titled the "Mutual of America Interest Accumulation Account." On a daily basis, Mutual increases the value of units in the general account to appropriately match the stated rate of interest. The account is charged for withdrawals and administrative expenses. Participants may withdraw or transfer all or a portion of their account balance at any time. Accordingly, participant account balances are completely liquid.
