Mather & Co. CPAs, LLC  
9100 Shelbyville Road, Suite 200  
Louisville, Kentucky 40222

This representation letter is provided in connection with your audits of the financial statements of Road & Rail Services, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (collectively, the financial statements).

We elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to the Plan's assets held for investment (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by

the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

- 27) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 28) The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities, are as follows: The fair value of an accumulation unit of each pooled separate account that is determined and published at the close of each business day is directly related to the fair value per share of the underlying investments adjusted for any contributions, dividends and/or distributions received, withdrawals made on that day, and the daily equivalent of any fee charged pursuant to the contract. Each investment account is invested exclusively in shares of a specific mutual

fund or other investment entities as directed by the contract holder and/or the participant. The methods and significant assumptions used result in a measure of fair value and contract value appropriate for financial measurement and disclosure purposes.

- 29) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value and contract value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value and contract value measurements reported or disclosed represent our best estimate of fair value and contract value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (*FASB Accounting Standards Codification (ASC) 820, Fair Value Measurement*). In addition, our disclosures related to fair value and contract value measurements are consistent with the objectives outlined in FASB ASC 820.
- 30) All required amendments to and filings of plan documents with the appropriate agencies have been made. The Plan operates under a non-standard pre-approved profit-sharing plan sponsored by OneAmerica Financial Partners, Inc. (affiliated with the Plan's investment custodian). The Internal Revenue Service (IRS) ruled in an opinion letter dated August 19, 2020 that the non-standard pre-approved plan was qualified under applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of the IRS opinion letter. However, the Plan's trustees, sponsor, and administrator are not aware of any occurrences that would adversely affect the Plan's qualified status, and believe the Plan is currently designed and operating in compliance with the applicable IRC requirements, is qualified, and the related trust is tax-exempt.
- 31) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the IRC, and we intend to continue them as a qualified plan (and trust). The Plan's sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- 32) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- 33) The Plan has complied with the fidelity bonding requirements of ERISA.
- 34) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 35) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

## **ERISA Required Supplemental Schedules**

- 36) We believe the form and content of the Schedule of Assets (Held at End of Year) are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
