LOCAL 600 ACCIDENTAL DEATH AND DISMEMBERMENT TRUST FUND

FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Local 600 Accidental Death and
Dismemberment Trust Fund
70 West 36th Street, 9th Floor
New York, New York 10018

Members of the Board:

Opinion

We have audited the accompanying financial statements of Local 600 Accidental Death and Dismemberment Trust Fund (the "Trust Fund"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Trust Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Trust Fund; and determining that the Trust Fund's transactions that are presented and disclosed in the financial statements are in conformity with Trust Fund's

provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Board of Trustees
Local 600 Accidental Death and
Dismemberment Trust Fund

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF THE PLAN

The Local 600 Accidental Death and Dismemberment Trust Fund (the "Trust Fund") is a multiemployer, defined benefit, welfare benefit plan providing accidental death and dismemberment insurance benefits to eligible members of International Cinematographers Guild Local 600 on whose behalf employers are required to make contributions under the terms of collective bargaining agreements.

1. Inception Date - May 7, 1999
2. Board of Trustees - 1 representing Management

C. Insurance Contract

All benefit premiums are paid to the Hartford Insurance Company. The premiums were \$19,168 per policy year for the years ended December 31, 2024 and 2023.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Trust Fund's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). There is no benefit obligation as of December 31, 2024, 2023, and 2022, and accordingly, no statements of benefit obligations and of changes in benefit obligations are presented.

B. Estimates

The preparation of financial statements in accordance with GAAP requires the Trust Fund's administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Employer Compliance Audits

Employer remittance reports were accepted as submitted, without examination or verification of employers' payroll records.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Tax-Exempt Status

No provision for federal or state income tax is made. The Trust Fund has received tax-exempt status from the federal government under Internal Revenue Code Section 501(c)(9).

GAAP requires management to evaluate tax positions taken by the Trust Fund and recognize a tax liability if the Trust Fund has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Trust Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 3 - CONCENTRATION OF CREDIT RISK

As of December 31, 2024, the Trust Fund had amounts that exceeded the Federal Deposit Insurance Corporation (FDIC) insurance limit. The Trust Fund has not experienced any losses in such account and believes it is not exposed to any significant credit risk on cash.

NOTE 4 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 18, 2025, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
