INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
The Contractors Plan Trust Health Reimbursement Arrangement

Opinion

We have audited the accompanying financial statements of The Contractors Plan Trust Health Reimbursement Arrangement (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Contractors Plan Trust Health Reimbursement Arrangement as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of The Contractors Plan Trust Health Reimbursement Arrangement and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Contractors Plan Trust Health Reimbursement Arrangement's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Contractors Plan Trust Health Reimbursement Arrangement's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Contractors Plan Trust Health Reimbursement Arrangement's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year)("supplemental schedule") as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of The Contractors Plan Trust Health Reimbursement Arrangement (the "Plan") provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

The Plan was created effective January 1, 2022 and has been established as a health reimbursement arrangement, as defined in the Internal Revenue Code (the "Code") and the Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). This Plan was designed to administer and pay qualified medical expense claims for a closed group of participants whose employment was terminated prior to December 31, 2021.

The Plan does not accept new participants and no additional contributions are being made. It solely maintains balances related to the aforementioned terminated participants. Claims continue to be processed and paid in accordance with the plan's provisions for eligible medical expenses incurred by these individuals. The Plan's management does not anticipate expanding the Plan beyond its current scope.

The Plan is part of The Contractors Plan Trust II ("Trust"). The Plan's custodian is American Bank of Commerce (the "Custodian"). Fringe Benefit Group, Inc. ("FBG") serves as the third party administrator and recordkeeper to the Plan. FBG is responsible for determining whether claimed benefits are provided for by the Plan, processing claim payments, ensuring the claim payments are correct and within the payment limits stipulated by the Plan, and maintaining all documentation in support of claim payments. Hamilton Construction Company (the "Sponsor" or "Employer") serves as Plan sponsor.

Benefits

The Plan provides for reimbursement of qualifying medical expenses and covers eligible employees of the Sponsor from the participant's Health Reimbursement Account ("HRA"). Each participant's benefits are limited to the amount contributed previously by the Sponsor annually. Remaining funds stay in the participants HRA until used.

Plan termination

In the event the Plan terminates, any and all assets remaining in the Plan (after the payment of all expenses) shall be used for the continuance of one or more benefits of the type provided by the Plan until all assets have been expended.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of estimates

The preparation of the financial statements in conformity with US GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Actual results could differ from these estimates.

Payment of benefits

Claim payments are recorded when paid by FBG.

Expenses

Administrative expenses are recorded to the Plan up to \$6.50 per month per participant or the remaining funds within the participant's account.

Subsequent events

The Plan has evaluated subsequent events through September 8, 2025, which is the date the financial statements were available to be issued.

3. INTEREST TRUST

The Plan utilizes The Contractors Trust Plan II (the Trust), which is a trust arrangement maintained FBG for the benefit of multiple employee benefit plans. The Trust holds all Employer contributions made to the Plan. As of the date of this financial statement, the Trust assets solely consisted of non-interest bearing cash, which represents readily available funds to reimburse participants for qualified medical expenses incurred under the Plan.

The value of the Plan's interest in the Trust is based on the beginning of year value of the Plan's interest in the Trust plus actual contributions less payments and administrative expenses. As of December 31, 2024 and 2023, the Plan's interest in the net assets of the Trust was approximately 9% and 8%, respectively.

3. INTEREST TRUST (continued)

The following table presents the Trust balance and Plan's interest in the Contractors Plan Trust II as of December 31, 2024:

	Contractors Plan Trust II Balances	Plan's Interest in Contractors Plan Trust II Balances
Cash	\$ 10,794,191	\$ 965,132

The following table presents the Trust balance and the Plan's interest in the Contractors Plan Trust II as of December 31, 2023:

	Contractors Plan Trust II Balances	Plan's Interest in Contractors Plan Trust II Balances
Cash	\$ 13,354,146	\$ 1,043,486

4. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid expenses that consist primarily of administrative fees paid to FBG. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses.

5. TAX STATUS

The trust established under the Plan to hold the Plan's net assets is a welfare benefit fund as defined in Section 419 of the Internal Revenue Code. As such, contributions to this welfare benefit fund by the Sponsor is subjected to certain limitations. The Trust is subject to federal income tax on unrelated income. For the years ended December 31, 2024 and 2023, the Trust paid no income taxes because there was no unrelated income earned by the Trust.

In accordance with guidance on accounting for uncertainty in income taxes, management has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. RISKS AND UNCERTAINTIES

The Trust includes cash held within a financial institution. At times, such deposits may be in excess of the Federal Deposit Insurance Corporation ("FDIC") insurance limit. Plan management does not believe the Plan is exposed to any significant credit risk.
