INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Metalsa Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Metalsa Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Metalsa Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements of information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in the note titled "Information Prepared and Certified by Trustee" included in the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Post Office Box 12765, Roanoke, Virginia 24028-2765

<http://www.ffc.com>

- the information in the financial statements referred to above related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Metalsa Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Metalsa Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Metalsa Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Metalsa Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) as of December 31, 2024 and Delinquent Participant Contributions for the year ending December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Metalsa Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Metalsa Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Metalsa Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements of information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in the note titled "Information Prepared and Certified by Trustee" included in the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

501 S. Jefferson Street, Roanoke, Virginia 24011
Post Office Box 12765, Roanoke, Virginia 24028-2765

<http://www.ffc.com>

- the information in the financial statements referred to above related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Metalsa Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Metalsa Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Metalsa Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Metalsa Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) as of December 31, 2024 and Delinquent Participant Contributions for the year ending December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

METALSA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN:

The following description of Metalsa (“Plan Sponsor” and “Employer”) Retirement Savings Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Plan Sponsor who are not members of a collective bargaining unit. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Members of the collective bargaining units are covered under the Metalsa - UAW Retirement and Savings Plan.

Contributions

Participant Contributions: Plan participants can elect to contribute from 1% up to 100% of their eligible compensation, not to exceed the allowable amount under Section 402(g) of the Internal Revenue Code. Participants may designate their contributions as a pre-tax deferral or as a Roth contribution. Contributions are based upon total eligible compensation, which includes all W-2 compensation paid during the taxable year except for taxable group term life insurance, severance pay, attendance bonuses and various taxable expense allowances. Total eligible compensation also includes any Participant pre-tax contributions made under the Plan. Contributions made by highly compensated employees may be restricted by dollar limits set annually by the Internal Revenue Service. Participant’s contributions are made through automatic payroll deductions every pay period. Pre-tax deferral contributions and related earnings are not taxable to the participant until they are withdrawn from the Plan.

After-tax Participant Contributions: The Plan also allows participants to contribute a portion of their eligible compensation into the Plan as after-tax participant contributions. After-tax participant contributions are contributed to the Plan from amounts that have already been treated as taxable income. These contributions will not reduce their taxable income in the year in which they contribute a portion of their eligible compensation into the Plan but will be tax-free when distributed from the Plan. Earnings on after-tax participant contributions will not be taxed until a distribution is taken from the Plan.

Rollovers: Participants who were members of an unrelated qualified plan may elect to make a rollover contribution from that plan to the Plan.

Employer Contributions: The Employer makes a safe harbor match which is limited to 100% of the participant’s deferral/after-tax participant contributions up to 3% of eligible compensation plus 50% of the participant’s deferral/after-tax Participant contribution from 3% - 5% of compensation.

METALSA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

1. DESCRIPTION OF PLAN - (Continued):

Contributions – (Continued)

The Employer may also make annual discretionary matching and/or profit-sharing contributions in an amount to be determined at Plan year end by the Plan Sponsor's Board of Directors. These discretionary contributions will be allocated following the end of the Plan year to all eligible participants.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Employer's contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the employer safe harbor match plus actual earnings thereon. Vesting in the Employer's discretionary profit sharing contributions plus actual earnings thereon is based on years of continuous service where 50% is vested after two years of credited service and 100% is vested after three years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to a variety of investment funds.

Benefits Paid

The Plan is designed to provide participants with benefits at the time of retirement. However, if employment with the Plan Sponsor is terminated, the balance of a participant's vested Plan accounts becomes distributable to them. Upon proper notification of the Plan administrator, the account balance will be distributed to the participant in the form of a lump-sum cash payment. The participant may also request a rollover distribution, as soon as practicable after separation from service. Unclaimed benefit checks for terminated participants are deposited into the Plan's forfeiture account after 180 days of check issuance and are presented as benefits payable on the statement of net assets available for benefits.

The normal retirement age for the Plan is 65. Participants may continue employment and participation in the Plan past the normal retirement age.

If a participant dies before any or all of their account balance has been distributed to them, their beneficiary will be entitled to receive all undistributed benefits. Participants automatically become 100% vested in their account balance upon their death.

Prior to terminating service or attaining normal retirement age, a participant under certain hardship conditions may elect to receive a distribution of their contributions, certain Employer contributions and earnings thereon.

METALSA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

1. DESCRIPTION OF PLAN - (Continued):

Participants Notes Receivable

Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their account balance or \$50,000 as of the loan origination date. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Principal and interest is paid ratably through regular payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following accounting policies, which conform to accounting principles generally accepted in the United States ("GAAP"), have been used consistently in the preparation of the Plan's financial statements:

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investment bought and sold as well as held during the year.

Participants Notes Receivable

The notes receivable from participants are valued at cost at borrowing less principal repayments received from participant plus any accrued interest.

Benefits Paid

Benefits are recorded when paid.

Income Taxes

The income tax returns of the Plan for 2024, 2023 and 2022 are subject to examination by the income taxing authorities, generally for three years after they are filed.

METALSA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued):

Administrative Expenses

Participant loan origination and annual loan maintenance fees are paid by the participant acquiring the loan. Other plan expenses are paid first from available forfeiture balances. Any remaining expenses are paid by the Plan Sponsor.

3. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

4. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. There are no Plan assets requiring the use of Level 3 inputs as of both December 31, 2024 and 2023.

METALSA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

4. FAIR VALUE MEASUREMENTS – (Continued):

The following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies – Shares of registered investment companies (mutual funds) are valued at quoted market prices on the last business day of the Plan year, which represent the fair value of shares held by the Plan.

Common Collective Trust – The common collective trust is valued at the net asset value (“NAV”) of the units held by the Plan. The NAV is based upon the value of the underlying investments which are traded on an active market.

The following table sets forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024 and 2023:

	Quoted prices in Active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total
December 31, 2024:				
Registered investment companies	\$ 93,017,187	\$ -	\$ -	\$ 93,017,187
Common collective trust	-	2,754,104	-	2,754,104
Total	<u>\$ 93,017,187</u>	<u>\$ 2,754,104</u>	<u>\$ -</u>	<u>\$ 95,771,291</u>
December 31, 2023:				
Registered investment companies	\$ 81,858,860	\$ -	\$ -	\$ 81,858,860
Common collective trust	-	4,133,224	-	4,133,224
Total	<u>\$ 81,858,860</u>	<u>\$ 4,133,224</u>	<u>\$ -</u>	<u>\$ 85,992,084</u>

During the year ended December 31, 2024, the Plan’s investments (including bought, sold and held during the year) appreciated as follows:

	2024
Registered investment companies	\$ 10,026,191
Common collective trust	85,495
	<u>\$ 10,111,686</u>

METALSA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

5. TRANSFER TO/FROM OTHER PLANS:

As described in Note 1, the Plan Sponsor also sponsors the Metalsa-UAW Retirement and Savings Plan for its employees who are members of a collective bargaining unit. Participants of that plan may change employment, with the Plan Sponsor, to positions that preclude them from continuing their membership in a collective bargaining unit. These participants become immediately eligible in the Plan and their balance from the Metalsa-UAW Retirement and Savings Plan is transferred to the Plan. Likewise, as Plan participants become members of a collective bargaining unit, they immediately become eligible in the Metalsa-UAW Retirement and Savings Plan and their Plan balance is transferred to that plan.

6. TAX STATUS:

The Plan is an adoption of a prototype plan sponsored by Vanguard Fiduciary Trust Company (“Trustee”). The IRS has determined and informed the Trustee by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and; therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

7. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

For the year ended December 31, 2024 and 2023, all assets are held and invested by the Trustee. The Trustee also receives and holds all income from the investments. In accordance with DOL Section 2520.103-8, verification of the transactions and investment values is not required and is not within the scope of the audits. The following information included in the accompanying financial statements and Schedule of Assets (Held at End of Year) was obtained from data that has been prepared and certified to as complete and accurate by the Trustee as of December 31, 2024 and 2023 and for the year ended December 31, 2024:

	<u>2024</u>	<u>2023</u>
Investments	\$ 95,771,291	\$ 85,992,084
Participant notes	\$ 1,598,712	\$ 1,579,210
Dividends and interest	\$ 3,712,825	
Net appreciation in fair value of investments	\$ 10,111,686	
Interest income on participant notes receivable	\$ 102,954

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 97,274,716	\$ 87,476,007
Less deemed distributions	<u>(75,396)</u>	<u>(96,263)</u>
Net assets available for benefits per the Form 5500	<u>\$ 97,199,320</u>	<u>\$ 87,379,744</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the year ending December 31, 2024 to Form 5500:

	<u>2024</u>
Net increase in net assets available for benefits per financial statements	\$ 9,798,709
Less deemed distributions	(34,899)
Plus loan offsets	<u>55,766</u>
Net increase in net assets available for benefits per Form 5500	<u>\$ 9,819,576</u>

9. RELATED PARTY TRANSACTIONS:

Certain administrative functions are performed by officers or employees of the Plan Sponsor. These individuals are also Plan participants. No such officer or employee receives compensation from the Plan.

Plan investments were managed by Vanguard Fiduciary Trust Company and the Plan is administered by Vanguard Corporation. Vanguard Fiduciary Trust Company is also the Trustee as defined by the Plan and; therefore, these transactions qualify as party-in-interest.

Participant notes receivable qualify as party-in-interest transactions. Loan fees are paid by the participants and are included in administrative expenses of \$4,274 for the year ended December 31, 2024. All other Plan expenses are paid by the Plan Sponsor.

METALSA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS - (Continued)

10. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

11. DELINQUENT PARTICIPANT CONTRIBUTIONS:

During the year ended December 31, 2024, the Plan Sponsor did not remit certain participant contributions to the Plan within the time frame specified by the Department of Labor's rules and regulations. Delinquent contributions of \$23,822 were remitted late and will be reported as nonexempt prohibited transactions on the Plan's Form 5500, Schedule H, Part IV, line 4a.

12. SUBSEQUENT EVENTS:

The Plan Sponsor has evaluated all subsequent events through September 23, 2025, the date the financial statements were available to be issued.
