## **Independent Auditor's Report**

Plan Administrator and Participants  
Tip Top Poultry, Inc. Retirement Savings 401(k) Plan  
Marietta, Georgia

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the financial statements of the Tip Top Poultry, Inc. Retirement Savings 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audits"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audits opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audits does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor’s Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule, schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Notes to Financial Statements****December 31, 2024 and 2023****1. Summary of Significant Plan Provisions**

The following description of the Tip Top Poultry, Inc. Retirement Savings 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- a. **General** – The Plan is a defined contribution plan for the benefit of employees of Tip Top Poultry, Inc. (the “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.
- b. **Eligibility** – Each employee, who is not a nonresident alien or union employee, shall be eligible to participate in the Plan. Salaried employees and employees with the job title of supervisor, line lead, or driver are eligible to participate in the Plan on the first day of the second month after the employee is hired. All other employees are eligible to participate in the Plan upon attaining age 21 and completing one year of service. Entry dates for these employees are January 1 and July 1. Effective January 1, 2023, the service requirement for all other employees was changed to six months and entry dates were changed to the first day of the month after meeting the eligibility requirements.
- c. **Contributions** – Participants may contribute through payroll deductions and rollover contributions. Each new participant entering the Plan shall automatically contribute 6% of eligible compensation unless an election is made not to participate or to defer a different percentage of eligible compensation. The Employer will make a qualified automatic contribution arrangement (“QACA”) safe harbor matching contribution of 100% of participants’ elective contributions up to 2% of eligible compensation plus 50% of elective contributions between 2% and 6% of eligible compensation. In addition, the Employer may, at its discretion, make a profit sharing contribution to be determined each year. The Employer made no such discretionary contribution for the years ended December 31, 2024 or 2023. The Internal Revenue Code (“IRC”) imposes limits as to the maximum annual amount of additions that can be made to a participant’s account.
- d. **Participant accounts** – Each participant’s account is credited with the participant’s and Employer contributions and allocations of Plan earnings/losses, and is charged with applicable withdrawals and an allocation of administrative expenses. Allocations are based on participant’s earnings, contributions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- e. **Vesting rights** – A participant’s benefit shall be fully vested and nonforfeitable if their employment is terminated as a result of death, disability, or reaching normal retirement age. If a participant terminates employment for any reason other than those mentioned above, they are entitled to the total value of their own contributions plus earnings thereon and a vested percentage of the QACA contributions and discretionary profit sharing contributions made by the Employer plus earnings thereon.

## Notes to Financial Statements

December 31, 2024 and 2023

1. Summary of Significant Plan Provisions (cont.)

The vesting percentage for QACA safe harbor matching contributions is as follows:

<u>Years of Service</u>	<u>Percentage of Account Vested</u>
Less than two years	0%
Two years or greater	100%

The vesting percentage for Employer discretionary profit sharing contributions is as follows:

<u>Years of Service</u>	<u>Percentage of Account Vested</u>
One year	25%
Two years	50%
Three years	75%
Four years	100%

- f. **Investment options** – Upon enrollment in the Plan, participants may direct their contributions into any of the investment options offered under the Plan. Participants may change their investment selections at any time.
- g. **Notes receivable from participants** – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000, as reduced in accordance with the Plan agreement, or one-half of the participant’s vested account. Note terms are for a period of up to five years or for an extended period of time if for the purchase of a primary residence. The notes are secured by the participant’s account and bear interest at a rate of Prime plus 1%. Principal and interest are paid at least quarterly through payroll deductions. Participants are allowed to have a maximum of one loan outstanding from the Plan at any one time.
- h. **Forfeitures** – The portion of a participant’s account to which they are not entitled upon termination of participation is deemed a forfeiture. Forfeitures are used to pay Plan expenses or to reduce the Employer matching contribution. Forfeitures of approximately \$95,200 and \$11,200 were used to reduce the Employer matching contribution during the years ended December 31, 2024 and 2023, respectively. There were approximately \$96,800 and \$74,800 in forfeitures available for future use as of December 31, 2024 and 2023, respectively.
- i. **Payment of benefits** – Upon termination of service with the Employer, a participant, or their beneficiary, may elect to receive a lump sum amount equal to the value of the participant’s vested account balance. Upon termination of employment, participants may also elect to defer payment of their account balance if it exceeds \$5,000. If a participant’s vested account balance is equal to or less than \$5,000, the account will be automatically rolled over to an individual retirement account designated by the Plan administrator. In-service withdrawals are available to participants who attain age 59½ or meet certain hardship requirements.

**Notes to Financial Statements****December 31, 2024 and 2023****1. Summary of Significant Plan Provisions (cont.)**

- j. **Termination of the Plan** – Although it has not expressed any intention to do so, the Employer reserves the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant will have a 100% nonforfeitable interest in his individual account.

**2. Summary of Significant Accounting Policies**

- a. **Basis of accounting** – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- b. **Estimates** – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c. **Investment valuation and income recognition** – Investments are reported at fair value. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

- d. **Notes receivable from participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan documents.
- e. **Payment of benefits** – Benefits are recorded when paid.
- f. **Administrative expenses** – All reasonable expenses of administration may be paid out of Plan assets unless paid by the Employer. Any administrative expenses voluntarily paid by the Employer are excluded from these financial statements. Fees related to loans and distributions are charged directly to the participants’ accounts.

**3. Investments**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by John Hancock Trust Company, LLC (“John Hancock”), the trustee of the Plan, and was not subjected to any audit procedures, except for comparing the information with the related information included in the financial statements and supplemental schedule:

**Notes to Financial Statements****December 31, 2024 and 2023****3. Investments (cont.)**

- a. Investments at fair value as shown on the accompanying statement of net assets available for benefits of \$21,584,202 and \$18,635,919 as of December 31, 2024 and 2023, respectively.
- b. Interest and dividends as shown on the accompanying statement of changes in net assets available for benefits of \$500,521 and \$424,291 (excluding \$51,033 and \$36,293 of interest from notes receivable from participants) for the years ended December 31, 2024 and 2023, respectively.
- c. Net change in value of investments as shown on the accompanying statement of changes in net assets available for benefits of \$1,796,977 and \$2,167,430 for the years ended December 31, 2024 and 2023, respectively.
- d. All investment transactions that occurred during the years ended December 31, 2024 and 2023.
- e. All information included in the schedule of assets (held at end of year), excluding participant loans.

The Plan provides for investments in various securities which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Further, due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

**4. Fair Value Measurements**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is categorized based on a hierarchy that gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

## Notes to Financial Statements

December 31, 2024 and 2023

4. Fair Value Measurements (cont.)

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 or 2023.

*Mutual funds:* These investments are valued at quoted market prices on the last business day of the Plan year.

*Common collective trust fund:* This investment is stated at fair value based on the net asset value ("NAV") of units held by the Plan at year-end, as calculated by the issuer. The NAV is calculated based on the fair value of the underlying assets owned by the fund, minus its liabilities, divided by the number of units outstanding. The NAV is used as a practical expedient to estimate fair value.

*Money market fund:* This investment is valued at the fair value of the underlying investments, which are valued based on quoted market prices in active markets at the end of the Plan year.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies, or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table below sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2024</u>				
Mutual funds	\$ 20,584,618	\$ -	\$ -	\$ 20,584,618

Investments measured at NAV*				<u>683,130</u>
Investments at fair value				<u>\$ 18,635,919</u>

\*Certain investments that are measured at NAV per share (or its equivalent) have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

The following table summarizes investments for which fair value is based on the NAV practical expedient:

	<u>Fair Value as of December 31,</u>		<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>
	<u>2024</u>	<u>2023</u>	<u>Commitments</u>	<u>Frequency</u>	<u>Notice Period</u>
Common collective trust fund	\$ 902,718	\$ 683,130	N/A	Daily	None

5. Tax Status

The Plan is utilizing a non-standardized pre-approved profit sharing plan document (the "Plan Document"), which received an opinion letter dated June 30, 2020, in which the Internal Revenue Service ("IRS") stated the Plan Document is designed in accordance with the applicable sections of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter of the Plan Document for its own qualification. Although the Plan Document has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

**Notes to Financial Statements****December 31, 2024 and 2023****6. Parties-in-Interest Transactions**

John Hancock is the Plan's trustee and by definition is a party-in-interest. The Plan pays John Hancock for its services. Cambridge Wealth Advisors, LLC ("Cambridge") serves as investment advisor to the Plan and by definition is a party-in-interest. The Plan pays Cambridge for its services. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions under ERISA.

**7. Subsequent Events Evaluation Date**

Management of the Plan evaluated the events and transactions subsequent to its December 31, 2024 financial statement date and determined there were no significant events necessary for disclosure through October 2, 2025, which is the financial statement issuance date.
