INDEPENDENT AUDIOR'S REPORT

To the Plan Administrator of
Edgewood Management Corporation Retirement Plan
Gaithersburg, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Edgewood Management Corporation Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Edgewood Management Corporation Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to *29 CFR 2520.103-8* of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with *29 CFR 2520.103-5* of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator of
Edgewood Management Corporation Retirement Plan

Opinion (Cont.)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Edgewood Management Corporation Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Edgewood Management Corporation Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Edgewood Management Corporation Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Edgewood Management Corporation Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator of
Edgewood Management Corporation Retirement Plan

Other Matter—Supplemental Schedule Required by ERISA (Cont.)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Edgewood Management Corporation Retirement Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

Note 1 - Description of Plan

The following description of the Edgewood Management Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan documentation for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution Plan covering employees of Edgewood Management Company, Inc. and Mid-City Financial Corporation (the Employers). Effective August 2023, employees of Mid-City Financial Corporation are no longer covered in the Plan and are not considered part of the Employers. Effective December 2023, employees of Field Payroll, LLC, DC Field Payroll, LLC, Special Services Patrol, Inc., Inwood House and DC Field Union Payroll, LLC were covered by the Plan and are considered part of the Employers. All employees of the Employers who have reached age 21 and have completed 60 days of service prior to the effective date shall be eligible to participate in the Plan. Entry dates are the first day of each month during the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of compensation, up to limits set by the Internal Revenue Service, as defined in the Plan. Participants direct the investment of their contributions into various options offered by the Plan. Participants may change their allocation on a daily basis. The Employers will make a safe harbor match equal to 100% of a participant's contribution on the first 4% of compensation. Contributions are subject to certain limitations. Total contributions made by the Employers for the years ended December 31, 2024 and 2023 were \$501,506 and \$318,789, respectively.

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Employers' contribution and (b) Plan earnings or loss, and charged with an allocation of administrative expenses.

Earnings or losses shall be allocated to the participants in the same proportion that a participant's account bears to the total of all participants' accounts within the various investment funds.

Edgewood Management Corporation Retirement Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2024 and 2023

Note 1 - Description of Plan (Cont.)

Forfeited Accounts

Forfeitures resulting from terminated non-vested participants are used by the Employers to offset future matching requirements and Plan expenses. During the years ended December 31, 2024 and 2023, no amounts were used to reduce employer contributions. During the years ended December 31, 2024 and 2023, \$59,611 and \$23,853 were used from forfeited accounts to pay for Plan expenses, respectively. As part of the merger on December 31, 2023, \$78,842 of forfeitures were transferred to the Plan. The amounts available for future allocation at December 31, 2024 and 2023 were \$75,607 and \$105,442, respectively.

Vesting

Participants are fully vested immediately in their contributions and employer safe harbor match contributions, plus actual earnings thereon. For any additional discretionary employer matching contributions or employer nonelective contributions, vesting is according to the following schedule:

Years of Service (as defined by the Plan Document)	Percent Vested
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits

Upon termination of employment, retirement, death, or disability, participants will receive a lump sum payment of the employee's account balance. The participant, eligible spouse or beneficiary may also be eligible to elect a direct rollover of the vested account balance to an individual retirement account or another employer's plan.

Notes Receivable from Participants

Under certain circumstances, as outlined in the Plan document, the Plan allows employees to obtain loans from the Plan. These loans are secured by the vested portion of the participant's account and bear interest at rates ranging from 5.25% - 10.50%. Repayment of the loans must be completed within five years, unless the loan proceeds are used to purchase a primary place of residence. Repayment of loans is provided through automatic payroll deduction.

NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2024 and 2023

Note 2 - Summary of Accounting Policies

Administrative Expenses

The costs of administering the Plan are partially paid for by the Plan and the Employers. For the Plan years ended December 31, 2024 and 2023, the amount paid by the Plan was \$193,048 and \$101,689, respectively.

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America. This basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. The Plan administrator has determined all notes receivable are fully collectible from the participants' vested account balances; consequently, no amounts have been recorded as an allowance.

 NOTES TO FINANCIAL STATEMENTS (Cont.)

Note 2 - Summary of Accounting Policies (Cont.)

Contributions and Related Receivables

Contributions from Plan participants are recorded in the year in which the participant contributions are withheld from the amounts paid. The Employers discretionary match and profit sharing contributions are recorded in the year in which the Employers designated the contributions. All participant and employer contributions are participant-directed. The Plan administrator evaluates employer contributions receivable periodically for potential uncollectible amounts based on the likelihood of collection. The Plan administrator has determined that all participant and employer contributions receivable are fully collectible; consequently, no amount has been recorded as an allowance for doubtful accounts in the accompanying statements of net assets available for benefits.

Plan Merger

On December 31, 2023 the Field Payroll Retirement Plan was merged into the Edgewood Management Corporation Retirement Plan. Prior to the merger, the plans covered eligible employees at the Edgewood Management Corporation and Field Payroll. The transferred net assets have been recognized in the accounts of the Edgewood Management Corporation Retirement Plan as of December 31, 2023, at their balances as previously carried in the accounts of the Field Payroll plan. The changes in net assets of the combined plans are included in the accompanying statements of changes in net assets available for benefits from December 31, 2023. A summary of the transferred net assets follows:

Note 4 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ASC 820-10 Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Under *FASB ASC 820* the fair value of certain investments may be measured using the net asset value (NAV) per share (or its equivalent). Such investments are not classified in the fair value hierarchy. The table below presents the balances of assets measured using the net asset value per share (or its equivalent) as of December 31:

Note 4 - Fair Value Measurements (Cont.)

	2024	2023
Investments measured at net asset value:		
Pooled separate accounts	\$ 22,787,028	\$ 25,709,795

In accordance with the fair value measurements and disclosure guidance, the following table presents the category, fair value, unfunded commitments, redemption frequency, and redemption notice period for the Plan investments, the fair value of which is estimated using the net asset value per share are as follows:

Category	December 31, 2024	December 31, 2023	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts (a)	\$ 22,787,028	\$ 25,709,795	-	Daily	None

(a) The pooled separate accounts are investments represented by a unit of account whose per unit value is the result of the accumulated values of the underlying investments. The underlying investments are public investment vehicles valued using NAV per share. The NAV is based upon the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Employers have the right under the Plan to discontinue at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net value of each participant's account would be distributed in accordance with the Plan's provisions.

Note 6 - Reportable Transactions

A reportable transaction is a transaction, or series of transactions, exceeding five percent of the current value of the Plan's assets at the end of the year. During the Plan years ended December 31, 2024 and 2023, there were no reportable transactions.

NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2024 and 2023

Note 7 - Party-in-Interest Transactions

John Hancock Life Insurance Company, USA is the Custodian for all investments offered to Plan participants. Among the investment choices are units of pooled separate accounts managed by John Hancock Life Insurance Company, USA. Therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2024 and 2023, fees paid by the Plan for the investment management services amounted to \$175,133 and \$96,385, respectively.

Coastal Pension Services is the third party administrator for the Plan and received fees in the amount of \$17,915 and \$5,304 for the years ended December 31, 2024 and 2023, respectively.

Note 8 - Income Taxes

The Plan is a qualified prototype plan under Section 401(a) and 401(k) of the Internal Revenue Code (IRC) and is exempt from federal income taxes under provision of Section 501(a) of the IRC. The Plan obtained its latest determination letter on November 30, 2020. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan has evaluated the impact of significant subsequent events. There have been no subsequent events through September 23, 2025, the date the Plan's financial statements were available to be issued, that require recognition or disclosure.
