## INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustee  
HMSSHost Vacation Benefits Plan and Trust

### Opinion

We have audited the financial statements of the HMSSHost Vacation Benefits Plan and Trust (Plan), and employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits and benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

[mitchelltitus.com](http://mitchelltitus.com)

Management is also responsible for maintaining a current plan document, including all Plan amendments, administering the Plan, and determining that the Plan's transaction that are presented and disclosed in the financial statements are in conforming with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. This risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

### **Other Matter – Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) as of December 31, 2024 and of reportable transactions for the year ended December 31, 2024 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **HMSHOST VACATION BENEFITS PLAN AND TRUST**

Notes to the Financial Statements

Fiscal Year Ended December 31, 2024

### **NOTE 1      DESCRIPTION OF THE PLAN**

The following description of the HMSHost Vacation Benefits Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

#### General

The Plan, a defined benefit welfare plan established on July 18, 1987, provides vacation benefits to eligible associates of Host International, Inc. and affiliates (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is funded entirely by the Company using a trust. The Plan is managed by the Company's Benefits Department, and the Trustee is a member of the Company's management. Certain administrative expenses of the trust are borne directly by the Company and are not reflected in the Plan's financial statements.

#### Eligibility

Generally, all permanent full-time, non-union associates are eligible to accrue vacation benefits. Specifics on eligibility, such as the definition of full-time, are defined by the Company for each location. Certain associates under collective bargaining agreements, who work in locations where that location has elected to participate in the Plan, are also eligible.

#### Benefits

Vacation benefits begin accruing six months after an associate's date of hire. The amount of vacation accrued is determined by the associate's salary band and length of service. All vacation time accrued is immediately available for associates to take as vacation time, and associates may accumulate up to 320 hours (40 days) of vacation time in their account. Vacation benefits are paid in cash at the then-current wage rate when the associate takes vacation time, or under certain circumstances, when an associate retires or terminates employment.

The Plan was amended in November 2016, such that participants are eligible to receive payment of up to 80 hours of accrued vacation upon termination of employment. Vacation hours accrued prior to the amendment were grandfathered and will be paid in full.

#### Basis of Accounting

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

## **HMSHOST VACATION BENEFITS PLAN AND TRUST**

Notes to the Financial Statements

Fiscal Year Ended December 31, 2024

### **NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, claims payable, and disclosure of contingent assets and liabilities. Actual amounts could differ from those estimates.

#### Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis.

#### Administrative Expenses

Certain expenses incurred in the administration of the Plan are borne by the Company and are not allocated to the Plan.

#### Vacation Benefits

Vacation benefits are determined at each associate's current wage rate times the associate's accrued vacation hours balance.

### **NOTE 3      FUNDING POLICY**

The Company is required by the trust document to make contributions to the trust so that at all times the trust balance does not fall below \$1,219,800. The Company makes periodic contributions to the Plan and trust to satisfy current vacation benefit requirements anticipated for the upcoming month.

### **NOTE 4      FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy below:

## HMSHOST VACATION BENEFITS PLAN AND TRUST

Notes to the Financial Statements

Fiscal Year Ended December 31, 2024

### NOTE 4 FAIR VALUE MEASUREMENTS *(continued)*

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

*Interest-bearing cash:* Valued based on the cash balance, plus accrued interest income.

The methods described above may produce a fair value calculation that may not indicate net realizable value or reflect future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## HMSHOST VACATION BENEFITS PLAN AND TRUST

Notes to the Financial Statements

Fiscal Year Ended December 31, 2024

### NOTE 4 FAIR VALUE MEASUREMENTS *(continued)*

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	As of December 31, 2024			Total
	Level 1	Level 2	Level 3	
Interest bearing cash	\$ 2,143,504	\$ -	\$ -	\$ 2,143,504
<b>Total Investments At Fair Value</b>	<b>\$ 2,143,504</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 2,143,504</b>

	As of December 31, 2023			Total
	Level 1	Level 2	Level 3	
Interest bearing cash	\$ 2,188,721	\$ -	\$ -	\$ 2,188,721
<b>Total Investments At Fair Value</b>	<b>\$ 2,188,721</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 2,188,721</b>

### NOTE 5 ADMINISTRATIVE EXPENSES

The Plan's audit fees are reported as administrative expenses on the statement of changes in net assets available for benefits and benefit obligations. Additional administrative expenses are paid by the Company on behalf of the Plan and are not included in the financial statements.

### NOTE 6 TAX STATUS

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS), dated May 6, 1997, stating that the trust is tax-exempt under the provisions of Section 501(c) 9 of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time, the trust may be subject to income taxes. No federal or state income taxes have been recorded for the year ended December 31, 2024 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities.

## **HMSHOST VACATION BENEFITS PLAN AND TRUST**

Notes to the Financial Statements

Fiscal Year Ended December 31, 2024

### **NOTE 7      PLAN TERMINATION**

Although it has not expressed any such intention, the Company has the right under the Plan to amend and terminate the Plan subject to the provisions set forth in ERISA and the Plan Agreement. It is the expectation of the Company that the Plan and trust will continue indefinitely. However, the continuance of the Plan is not assumed as a contractual obligation of the Company. In the event of termination or suspension, all benefits accrued are payable solely from the assets of the trust.

### **NOTE 8      SUBSEQUENT EVENTS**

The Company has evaluated events and transactions subsequent through October 3, 2025, the date the financial statements were available to be issued, and determined that no material subsequent events have occurred that would affect the information presented in the accompanying financial statements or require additional disclosure.
