INDEPENDENT AUDITOR'S REPORT

'ike Group Inc. 401(k) Profit-Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 'ike Group Inc. 401(k) Profit-Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters - Supplemental Schedule Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

‘IKE GROUP INC. 401(k) PROFIT-SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

As of and for the Years Ended December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN

The ‘ike Group Inc. 401(k) Profit-Sharing Plan (001) (Plan) was originally effective January 1, 1978, and was formerly known as the DataHouse Holdings Corp. 401(k) Profit-Sharing Plan (001). Effective December 31, 2015, the Praxis Corporation 401(k) Profit-Sharing Plan (001) was merged into and became a part of this Plan. The Plan was established as one of a variety of employee benefit programs and fringe benefits designed to provide employees of ‘ike Group Inc.; Datahouse Consulting, Inc. dba Datahouse; HIBroadcast, LLC; Praxis Corporation; TeamPraxis, LLC; ‘Ekahi Care Management, LLC; ‘Ekahi Urgent Care Waipahu LLC; Hawaii Quality Physicians Organization LLC; ‘Ekahi Urgent Care Kalihi LLC; ‘Ekahi Integrated Practices West LLC; ‘Ekahi Health System, LLC; ‘Ekahi Integrated Practices Central LLC; ‘Ekahi Wellness, LLC; ‘DataHouse Asia, Inc., fka Pacific HI-Tech Inc.; Ambient Group, Inc.; Lumisight, Inc.; (Covered Companies), and their families with additional income and privileges, both currently and in the event of their death, disability, or retirement.

Effective January 1, 2022, HIBroadcast, LLC; ‘Ekahi Urgent Care Waipahu LLC; Hawaii Quality Physicians Organization LLC; ‘Ekahi Urgent Care Kalihi LLC; ‘Ekahi Integrated Practices West LLC; and Ambient Group, Inc. were removed as covered companies due to inactivity. Effective September 1, 2022, 'Ekahi Care Management, LLC; 'Ekahi Integrated Practices Central, LLC; 'Ekahi Health System, LLC; and 'Ekahi Wellness, LLC withdrew as participating covered companies under the Plan, resulting in a partial termination of the Plan for such employee(s).

Effective May 22, 2024, TeamPraxis, LLC was sold to a third party and as a result, withdrew as a participating covered company under the Plan and all employees of TeamPraxis, LCC were involuntarily terminated. As a result, due to the partial termination of the Plan, any active participant in the Plan who (i) was employed with a participating employer company in the Plan; and (ii) whose employment terminated during the Plan year ended on December 31, 2024; became 100% vested in his or her benefit under the Plan effective as of his or her employment termination date.

The following is a description of the Plan, which provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions. The plan agreement was amended and restated effective January 1, 2022 to adopt certain interim provisions relating to the SECURE Act of 2019, the CARES Act, and the Secure 2.0 Act of 2022.

General

The Plan is a profit sharing and salary deferral plan, also known as a 401(k) plan, covering all employees (except nonresident aliens with no earned income within the United States, interns or casual employees, and employees covered by a collective bargaining agreement) of the Covered Companies who have met the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility

An employee who becomes eligible for participation is automatically enrolled in the Plan on the first day of the calendar month, coinciding with or next following the date the employee attains age 21 and completes three months of service, measured from the date of hire.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

As of and for the Years Ended December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN (Continued)

Eligibility (continued)

The deferral amount is set at 3% unless changed by the participant. A participant is eligible for the employer matching contribution and discretionary profit sharing contribution when the participant makes an Elective Deferral Contribution or Catch-up Contribution and completes at least 1,000 hours of service (500 hours of service effective after December 31, 2024) during the Applicable Period and is employed by the Covered Companies on the last day of the Applicable Period. A participant who terminates employment due to death, disability, or attainment of the normal retirement age (55 years) is eligible for the employer matching contribution and discretionary profit sharing contribution provided that such participant was regularly employed at least 20 hours per week and does not need to be employed by the Covered Companies the last day of the Applicable Period. Effective January 1, 2024, long-term part-time (LTPT) employees are eligible to participate in the Plan and make salary deferral contributions if the employee worked at least 500 hours of service in each of the previous three consecutive 12-month periods and is at least 21 years of age. Effective January 1, 2025, an employee must have worked at least 500 hours of service in each of the previous two consecutive 12-month periods and is at least 21 years of age to be eligible as a LTPT.

Contributions

Participants are able to make employee salary deferral contributions to the Plan up to the lesser of their eligible compensation or \$23,000 and \$22,500, respectively, in 2024 and 2023, adjusted annually for the cost of living, plus an additional \$7,500 in 2024 and 2023 for employees age 50 and over. On a year-to-year basis, the Covered Companies may elect to match the salary deferral contribution of each eligible employee. The Covered Companies may also elect to make a discretionary profit sharing contribution allocated among eligible employees, based on their relative compensation on a group-by-group basis. Total employee and employer contributions to each participant's account may not exceed the lesser of \$69,000 (\$76,500 with the catch-up contributions) in 2024 and \$66,000 (\$73,500 with the catch-up contributions) in 2023, or 100% of compensation, as defined.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Covered Companies' matching contributions, plus an allocation of the Covered Companies' discretionary profit sharing contributions, and the Plan's net earnings; less an allocation for plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are 20% vested in employer contributions, and earnings thereon, after one year of continuous service, and an additional 20% vested in each following year of continuous service, reaching 100% vested after five years of continuous service. Discretionary profit sharing and matching contributions are 100% vested upon death, permanent disability, or attaining the normal retirement age. Participants are always fully vested in their elective and rollover contributions, and earnings thereon.

NOTE A – DESCRIPTION OF PLAN (Continued)

Payment of Benefits

The vested amount in each participant’s account is payable upon normal retirement, disability, death, or termination of employment. Participants may receive the entire value of their accounts in a single lump-sum payment.

If the balance of a participant’s account is not more than \$1,000 and no election is made, the distribution of the lump sum amount occurs as soon as practicable after the participant’s service with the Covered Companies is terminated. Account balances that are less than \$7,000 (\$5,000 in 2023) are paid in a lump sum or rolled over to an individual retirement account (IRA) or other qualified plan. If the account balance is more than \$1,000 and no election is made, the balance will be rolled over to an IRA.

Withdrawals

Active participants may withdraw all or a portion of their vested transfer account balances as in-service distributions after attaining the age of 59-1/2, all or a portion of their vested account balances (including elective deferrals, matching contributions, discretionary contributions, and rollovers) after attaining the age of 60, or as Qualified Birth or Adoption Distribution (up to \$5,000 per child). Participants may receive hardship withdrawals, by submitting a written application that is approved by the plan administrator. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS).

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 (reduced by outstanding loan balances) or 50% of the vested portion of their account balance. The notes receivable and related interest must be repaid within five years unless the notes are used to acquire a principal residence. The notes are collateralized by the participants’ account balances and bear interest at the prevailing rate of interest, which was 9.75% to 10.50% at December 31, 2024 and 5.25% to 10.50% at December 31, 2023. The notes mature on various dates through January 2026. Principal and interest are paid ratably through monthly payroll deductions.

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the nonvested portion of the participant’s account balance. Forfeitures may be used to pay for plan administrative expenses or to reduce the Covered Companies’ contributions. Forfeited non-vested accounts at December 31, 2024 and 2023 amounted to \$10,988 and \$12,267, respectively. Forfeited amounts plus interest during the years ended December 31, 2024 and 2023 amounted to \$10,847 and \$15,654, respectively. During the years ended December 31, 2024 and 2023, the Plan applied \$10,003 and \$16,638, respectively, of the forfeitures to the administrative expenses of the Plan. During the years ended December 31, 2024 and 2023, the Plan applied \$2,123 and \$2,171, respectively, of the forfeitures as reallocations to participants.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change within the near term, and such differences could be material to the financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Investment Committee determines the Plan’s valuation policies utilizing information provided by the Plan’s trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Contributions receivable are recognized for amounts due from the Covered Companies remitted to the qualified institution after plan year-end. Contributions from the participants and the employer are recorded in the year in which the employee contributions are withheld from compensation. The receivables are typically short term in nature and are expected to be collected in full.

Management has evaluated the collectability of employer contributions receivable in accordance with Accounting Standards Update No. 2016-13, *Financial Instruments – Credit Losses (Topic 326)*, and determined that no allowance for credit losses is necessary as of December 31, 2024 and 2023. The Plan considers the Covered Companies’ historical payment experience, current and future financial condition, and the legally binding nature of the contribution obligation in making this assessment.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus accrued but unpaid interest. Related fees are recorded as administrative expenses and are charged directly to the participant’s account when they are incurred.

NOTES TO THE FINANCIAL STATEMENTS (Continued)
As of and for the Years Ended December 31, 2024 and 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Expenses are recognized when the related liability is incurred. Investment related expenses are included in net appreciation in fair value of investments. Certain expenses of maintaining the Plan are paid directly by the Covered Companies and are not reflected in these financial statements.

NOTE C – CERTIFICATION BY QUALIFIED INSTITUTION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest, and dividends for the years ended December 31, 2024 and 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Vanguard Fiduciary Trust Company (Vanguard), the qualified institution of the Plan, as of and for the years ended December 31, 2024 and 2023.

NOTE D – FAIR VALUE MEASUREMENTS

U.S. GAAP provides a hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement. The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan values investments in registered investment companies at quoted market prices, a Level 1 input. The Plan’s common/collective trust is valued at the net asset value (NAV) of each unit held by the Plan at year-end. The NAV, as provided by Vanguard, is used as a practical expedient, which is based on the underlying assets of the common/collective trust. The common/collective trust is not categorized in the fair value hierarchy. The Plan has no investments valued using Level 2 or Level 3 inputs.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

As of and for the Years Ended December 31, 2024 and 2023

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$ 43,915,298</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 43,915,298
Common/collective trust – NAV				<u>71,003</u>
Total investments at fair value				<u>\$ 43,986,301</u>

The following sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$ 48,703,513</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 48,703,513
Common/collective trusts – NAV				<u>605,548</u>
Total investments at fair value				<u>\$ 49,309,061</u>

NOTE E – COMMON/COLLECTIVE TRUST

The Vanguard common/collective trust (Trust) is a common/collective trust fully invested in Vanguard Retirement Saving Trust VIII (VRST), a stable value fund sponsored by Vanguard, and is reportable in the Plan's financial statements at fair value (as certified by the qualified institution of the Plan). The value of the Trust is based on the underlying unit value reported by VRST, which carries its investments at contract value which approximates fair value. VRST invests in synthetic investment contracts backed by high-credit-quality fixed income investments and other traditional investments issued by insurance companies and banks. The Trust reported yields earned of 2.29% and 2.27% at December 31, 2024 and 2023, respectively.

‘IKE GROUP INC. 401(k) PROFIT-SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)
As of and for the Years Ended December 31, 2024 and 2023

NOTE F – TAX STATUS

In a letter dated September 8, 2010, the IRS granted the Plan a “favorable determination” because the Plan met the qualification requirements established by Section 401(a) of the Internal Revenue Code. The Plan has been amended since the determination letter. However, the plan administrator believes that the Plan continues to meet the qualification requirements and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

U.S. GAAP requires uncertain tax positions to be recognized in the financial statements if they are more likely than not to fail upon regulatory examination. The plan administrator has evaluated the Plan’s tax positions as of December 31, 2024 and 2023 and for the years then ended, and determined that the Plan had no uncertain tax positions required to be reported. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.

NOTE G – RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan’s assets are held in a trust fund by Vanguard under a trust agreement dated January 1, 2001. The Plan invests in shares of registered investment companies (mutual funds) and a common/collective trust managed by an affiliate of Vanguard. Transactions in such investments qualify as party in interest transactions. The determination of the investment options in the trust fund is made by a committee of the Covered Companies, which also determines the amount and method of benefits paid to participants from the trust fund. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments.

NOTE H – ADMINISTRATION OF PLAN ASSETS

The Plan is sponsored by ‘ike Group Inc. Certain administrative functions are performed by officers or employees of ‘ike Group Inc. and its affiliates, who receive no compensation from the Plan.

NOTE I – PLAN TERMINATION

Although it has not expressed any intent to do so, the Covered Companies have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the employer contributions.

NOTE J – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the financial statements.

‘IKE GROUP INC. 401(k) PROFIT-SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)
As of and for the Years Ended December 31, 2024 and 2023

NOTE J – RISKS AND UNCERTAINTIES (Continued)

The Plan and Covered Companies operate in the State of Hawaii. Local, national, and international events can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan were to account for future losses or asset impairments, as the effects on the financial statements of the Covered Companies from such changes in economic conditions are not presently determinable.

NOTE K – SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through September 30, 2025, which is the date the financial statements were available to be issued, and determined that the Plan did not have any subsequent events requiring adjustment to the financial statements or disclosure in the notes to the financial statements, except as disclosed above in Note A regarding the change in required hours of service after December 31, 2024 to be eligible for the employer matching contribution and discretionary profit sharing contribution from 1,000 to 500 service hours and the change to allow LTPT employees who meet the eligibility requirements to enter the Plan and make salary deferral contributions starting January 1, 2025.
