## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants and  
Beneficiaries  
Twin Liquors 401(k) Retirement Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the accompanying financial statements of Twin Liquors 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Twin Liquors 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Twin Liquors 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Twin Liquors 401(k) Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Twin Liquors 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Twin Liquors 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at end of year) as of December 31, 2024 and delinquent participant contributions for the year then ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Twin Liquors 401(k) Retirement Savings Plan  
Notes to Financial Statements  
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

Twin Liquors 401(k) Retirement Savings Plan (the "Plan") is a defined contribution plan covering eligible employees of Twin Liquors, LP (the "Company"). The Plan became effective January 1, 2006 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). All Plan assets are held by Transamerica Trust Company. Complete information regarding the Plan is included in the Plan Agreement. Significant Plan provisions are summarized below.

Plan amendments

Effective June 28, 2024, the Plan changed trustees from Reliance Trust Company to Transamerica Trust Company.

Eligibility

Employees of the Company are eligible to participate in the Plan upon completion of three months of service, as defined. Employees are eligible to participate in the Plan beginning the first day of the quarter coinciding with or next following their date of eligibility. Participants are eligible to receive Qualified Automatic Contributions Arrangement ("QACA") matching contributions upon reaching one year of service, as defined. Employees covered by a collective bargaining agreement, non-resident aliens, residents of Puerto Rico, and leased employees are not eligible to participate in the Plan.

Contributions

Participants are allowed to make elective pre-tax contributions to the Plan up to 100% of their annual eligible Plan compensation, as defined, subject to limitation under the Internal Revenue Code ("IRC"). Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from eligible retirement plans, as defined.

The Plan includes a qualified automatic enrollment arrangement whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of annual eligible Plan compensation, as defined, and their contributions are invested in a designated balanced fund, unless changed by the participant. Participants will also be auto-escalated annually by 1% up to a maximum of 6% beginning on the first day of the third Plan Year of application, as defined.

The Company makes matching contributions to the Plan each pay period in the amount required to satisfy QACA requirements under the IRC, up to the maximum amounts permitted by the IRC. Company contributions are invested directly in the investment options provided under the Plan as directed by the participant. Contributions are subject to certain limitations. The Company may also make a discretionary matching contribution, as approved by the Plan Sponsor. No such discretionary matching contribution was approved or made during 2024.

Twin Liquors 401(k) Retirement Savings Plan  
Notes to Financial Statements  
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN (continued)

Participant accounts

Participants direct the investment of their accounts among various investment options offered by the Plan. Participants may change their investment options daily.

Each participant's account is credited with (a) participant's contributions, (b) an allocation of employer contributions and (c) an allocation of investment earnings, and is charged with (a) withdrawals, (b) an allocation of investment losses and (c) certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

SECURE 2.0

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first plan year beginning on or after January 1, 2026 to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Vesting

Participants are immediately vested in their contributions, including rollover contributions, plus actual earnings thereon. Vesting in the Company's QACA matching contributions and discretionary matching contributions plus actual earnings thereon is based on years of credited service, as defined. A participant is 100% vested upon death, disability, or retirement.

Company QACA matching contributions are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2 years	0 %
2 years	100 %

Twin Liquors 401(k) Retirement Savings Plan  
Notes to Financial Statements  
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN (continued)

Vesting (continued)

Company discretionary matching contributions are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 year	0 %
1 year	20 %
2 years	40 %
3 years	60 %
4 years	80 %
5 years	100 %

Forfeitures

Non-vested balances of participants' accounts may be subject to forfeiture upon termination of their employment with the Company. A forfeiture occurs in the Plan year in which the participant either receives a full distribution of their vested account balance or has five consecutive one-year breaks in service, as defined by the Plan. Forfeitures are retained in the Plan and first used to pay Plan administrative expenses with any remaining amounts used to reduce future Company contributions in subsequent years. The forfeited unvested account balance totaled \$11,233 and \$11,318 as of December 31, 2024 and 2023, respectively. For the year ended December 31, 2024, \$33,962 of forfeitures were utilized to reduce employer contributions to the Plan.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum of i) \$50,000 or ii) 50% of their vested account balance, whichever is less. Notes receivable from participants are secured by the vested balance in the participant's account and bear interest at a fixed rate established by the Plan Administrator. Principal and interest are paid ratably through payroll deductions over a period generally not to exceed five years. A participant may only have one loan outstanding at any time unless one loan is a principal residence loan amortized for a period greater than five years.

Payment of benefits

Upon termination of service due to death, disability, retirement, or termination of employment, a participant is entitled to receive an amount equal to the vested interest in his or her account, payable in installment or lump-sum form. A participant whose vested account balance is \$5,000 or less will automatically receive a lump-sum distribution equal to his or her vested account balance. Distributions are subject to the applicable provisions of the Plan Agreement.

In-service withdrawals of all or a portion of a participant's vested account balance may be withdrawn by a participant after reaching age 59 ½. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits (continued)

Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with the provisions specified in the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service ("IRS").

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Risks and uncertainties

The Plan provides for investments in various investment securities, which in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements and supplemental schedule of assets (held at end of year).

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Twin Liquors 401(k) Retirement Savings Plan  
Notes to Financial Statements  
December 31, 2024 and 2023

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition (continued)

Management fees and expenses charged to the Plan for investment accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. For participant loans that become delinquent, are not cured and result in default, the amount of the unpaid loan principal and interest due to the Plan will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs (e.g. termination of employment).

Contributions and contributions receivable

Contributions from participants and related receivables, are recorded based on the date the contributions are separated from the participants' pay (pay date). The Plan records receivables for participants' contributions based upon the contribution recognized, less amounts received by the Plan as of the last day of the Plan year. Contributions from the Company are recorded in the year earned to coincide with the year in which the Company records the contributions to its general ledger. The Plan records receivables for employer contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year. Rollover contributions from participants are recorded based on the date the rollover contributions have been received by the Plan's trustee.

Payment of benefits

Benefits to participants are recorded by the Plan when actual payment is made.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payment transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of investments. The Plan is not required to reimburse the Plan Sponsor for expenses paid on its behalf.

Twin Liquors 401(k) Retirement Savings Plan  
Notes to Financial Statements  
December 31, 2024 and 2023

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

The Plan evaluated events occurring between the end of the most recent fiscal year and September 4, 2025, the date the financial statements and supplemental schedules were available to be issued. Effective July 1, 2025, the Plan was amended to remove the one year of service requirement for matching contributions.

3. FAIR VALUE MEASUREMENTS

The guidance for fair value measurement establishes the authoritative definition of fair value, sets out a framework for measuring fair value, and outlines the required disclosures regarding fair value measurements. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The Plan uses a three-tier fair value hierarchy based upon observable and non-observable inputs as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Unobservable inputs developed using the Plan's estimates and assumptions which reflect those that market participants would use.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be activity traded.

Twin Liquors 401(k) Retirement Savings Plan  
Notes to Financial Statements  
December 31, 2024 and 2023

3. FAIR VALUE MEASUREMENTS (continued)

- *Collective investment trusts:* Valued on the basis of the relative interest of each participating investor in the fair value of the underlying assets of the fund. The underlying assets are valued based on the NAV. The NAV, as provided by the trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the Funds less its liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investments for an amount different than the reported NAV. The objective is to preserve principal and maintain a stable crediting rate that is responsive to changes in interest rate. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The NAV is not a publicly-quoted price in an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 12,054,146</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,054,146</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 10,000,988</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,000,988</u>

Investments, at fair value, that are valued using NAV as a practical expedient totaled \$948,750 and \$768,696 at December 31, 2024 and 2023, respectively.

4. INFORMATION CERTIFIED BY THE TRUSTEES

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan as of December 31, 2023 and for the period from January 1, 2024 to June 28, 2024, and Transamerica Trust Company, the Trustee of the Plan as of December 31, 2024 and for the period from June 29, 2024 to December 31, 2024, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Total investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2024.

The Plan Administrator has requested that the Plan's independent auditor perform no audit procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to a related party as defined under U.S. GAAP except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation arrangements, expense allowances, or similar items. Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Plan assets include investments in funds managed by Reliance Trust Company as of December 31, 2023 and for the period from January 1, 2024 to June 28, 2024, and notes receivable from participants. Reliance Trust Company served as the Plan's trustee and as such, these transactions qualify as party-in-interest transactions under ERISA.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, the individual accounts of all members shall become fully vested. After deducting all charges and expenses, the balances of all individual accounts will be adjusted and the remaining assets distributed.

Notes to Financial Statements  
December 31, 2024 and 2023

7. TAX STATUS

The Plan adopted a non-standardized pre-approved Plan document which received a determination letter from the IRS on June 30, 2020, which stated that the Plan document is designed in accordance with the applicable sections of the IRC. The Plan Administrator believes that the Plan, as adopted and amended, is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes is included in the Plan's financial statements.
