Independent Auditors' Report

The Plan Administrator Mediacom 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mediacom 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

The Plan Administrator

Mediacom 401(k) Plan

Page 3

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i- Schedule of Assets (Held and End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Mediacom 401(k) Plan

Notes to Financial Statements
December 31, 2024

1. Description of Plan

The following description of the Mediacom 401(k) Plan (the "Plan") is provided for general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Mediacom LLC and its affiliates (the "Plan Sponsor" or "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All employees who have attained 18 years of age and completed six months of service are eligible to participate in the Plan on the first day of the month immediately following the completion of the eligibility requirements.

Contributions

Each year, participants may contribute up to 100% of their eligible compensation on a pre-tax basis, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to the statutorily permitted amount. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor matches such contributions not to exceed 50% of the first 6% of eligible compensation that a participant contributes to the Plan. The Plan Sponsor also may make a discretionary nonelective contribution to the Plan. There were no nonelective contributions made in 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%, as determined by the Plan administrator. A participant may have up to three loans outstanding at any time. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years unless for the purpose of a principal residence whereby they are repayable over a period not to exceed ten years.

1. Description of Plan (*continued*)

Vesting

A participant is 100% vested in their elective deferrals plus allocated earnings thereon at all times. Vesting in the Employer matching contributions and nonelective discretionary contribution portion of their accounts, plus actual earnings thereon is based on years of continuous service. A participant is vested in Employer matching contributions and nonelective discretionary contributions as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeited Accounts

Forfeitures of the non-vested portion of terminated participants' accounts are maintained in a separate account and may be used to: reduce Plan expenses; or reduce future Employer contributions. At December 31, 2024 and 2023, forfeited accounts totaled \$3,125 and \$13,086. During 2024, \$188,980 of forfeitures were used to reduce employer contributions and \$42 were used to reduce plan expenses.

Payment of Benefits

In-service withdrawals are permitted in the case of demonstrated financial hardship or after attaining age 59½. Upon termination of service, a participant may elect to receive a lump sum amount equal to the value of his or her vested account. In the event of death of the participant, the value of the account will be paid to the spouse or other named beneficiary in a lump sum. In the event of termination for any reason other than retirement, death or disability, the vested account balance will also become distributable to the participant.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (*continued*)

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

The Plan follows U.S. GAAP guidance which removed the requirement to categorize within the fair value hierarchy investments whose fair value is measured using net asset value ("NAV") as a practical expedient.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily Net Asset Value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The collective trust funds are valued at the NAV of units held of each collective trust fund. The NAV, as provided by the trustee of the funds, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less liabilities.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases making loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded when a distributable event occurs.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 1, 2025.

3. Information Certified (Unaudited)

Certain information related to the investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, Schedule H, Part IV, Line 4i- Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, a qualified institution.

4. Investments

The following tables summarize the fair value hierarchy for the Plan's investments as of December 31, for those investments subject to characterization within such hierarchy.

	2024		
	Level 1	Other Investments Measured at NAV *	Total
Common/collective trusts	\$ -	\$106,396,893	\$ 106,396,893

5. Common/Collective Trusts

Morley Stable Value Fund

The Morley Stable Value Fund (the “MSV Fund”) is an investment fund that is designed for retirement trusts that are exempt from federal income tax under the Internal Revenue Code (“IRC”). Principal Global Investors Trust Company is the trustee of the MSV Fund and Morley Capital Management, Inc. is the investment advisor of the MSV Fund. The objective of the MSV Fund is to provide preservation of capital, relatively stable returns consistent with its competitively low risk profile and liquidity for benefit responsive payments.

The MSV Fund seeks to achieve this objective by investing primarily in a variety of high quality stable value investment contracts (the performance of which may be predicated on underlying fixed income securities), as well as cash and cash equivalents.

The NAV of the MSV Fund is determined each business day. Contributions to the MSV Fund may be made daily at the current NAV. Withdrawals from the MSV Fund for benefit payments and participant transfers to noncompeting options may be made within 30 days after written notification has been received and are considered as made immediately after the next valuation date subsequent to the trustee’s approval.

Market value events may limit the ability of the MSV Fund to transact at NAV with the issuer. Such events may include but are not limited to: MSV Fund administration amendments or changes, merger or consolidation of investors, group terminations or layoffs, implementation of an early retirement program, termination or partial termination of the MSV Fund, failure to meet certain tax qualifications, participant communication that is designed to influence participants not to invest in the MSV Fund, transfers to competing options without meeting the equity wash provisions of the MSV Fund, and plan sponsor withdrawals without the appropriate notice to the MSV Fund and /or issuer.

In the normal course of business, such events or conditions would not limit the ability of the MSV Fund to transact at NAV with the participants. The MSV Fund is managed to maintain a certain amount of liquidity to provide for the day to day liquidity needs of participants as well as the occasional market value event. The MSV Fund has no unfunded commitments at December 31, 2024 and 2023.

T. Rowe Price Retirement Trust Funds

The Plan offers 13 common/collective trusts called the T. Rowe Price Retirement Trust Funds (“Funds”). The funds include: the T. Rowe Price Retirement 2005 Trust Class A; the T. Rowe Price Retirement 2010 Trust Class A; the T. Rowe Price Retirement 2015 Trust Class A; the T. Rowe Price Retirement 2020 Trust Class A; the T. Rowe Price Retirement 2025 Trust Class A; the T. Rowe Price Retirement 2030 Trust Class A; the T. Rowe Price Retirement 2035 Trust Class A; the T. Rowe Price Retirement 2040 Trust Class A; the T. Rowe Price Retirement 2045 Trust Class A; the T. Rowe Price Retirement 2050 Trust Class A; the T. Rowe Price Retirement 2055 Trust Class A; the T. Rowe Price Retirement 2060 Trust Class A; and the T. Rowe Price Retirement 2065 Trust Class A. The unit value of each of these Funds is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the unit value. The Funds have no unfunded commitments at December 31, 2024 and 2023.

Mediacom 401(k) Plan

Notes to Financial Statements
December 31, 2024

6. Party-in-Interest Transactions

Certain investments of the Plan are managed by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No officer or employee receives compensation from the Plan.

7. Tax Status

The IRS has determined and informed the prototype document preparer by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

9. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
