Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance
F&D Huebner, LLC 401(k) Plan
Garner, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of F&D Huebner, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statement comprises the statement of net assets available for benefits as of December 31, 2024 (in liquidation) and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from the qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of a Matter – Plan Termination and Liquidation

As further discussed in Note 1 to the financial statements, on September 30, 2023, the Plan Sponsor approved a formal plan of liquidation, with an effective date of September 30, 2023, and Plan management determined that liquidation is imminent. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4i – schedule of assets (held at end of year), as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

F&D HUEBNER, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the F&D Huebner, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan was established on October 1, 2023, as a defined contribution plan available to the eligible employees of F&D Huebner, LLC and related employer Huebner Management Company (collectively, the Employers or Plan Sponsor). Prior to the plan being Frozen, eligible full-time employees may enter the Plan upon reaching the age of twenty-one (21) and having one year of service, as defined in the Plan document. An employee shall become a participant on the first day of the first month and the seventh month of the Plan year following the date the employee completes the age and service requirements. The Plan Sponsor is the Plan Administrator.

Transamerica Financial Life Insurance Company (Transamerica), the Agent for Reliance Trust Company, (the Trustee) is the Plan's Custodian to hold the Plan's investment assets, and Transamerica's affiliate, Transamerica Retirement Solutions, LLC (TRS) provides recordkeeping services.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan transfer

On January 1, 2024, the Plan received transfers of assets and participant accounts from the ROA 401(k) Plan (predecessor plan), a multiple employer defined contribution plan, in the amount of \$6,080,858.

Termination of Plan

Effective September 30, 2023, the Plan Sponsor approved the spin off from the predecessor plan and approved a plan of termination and distributed the participants' vested balances on July 7, 2025. As a result, the financial statements are presented on the liquidation basis of accounting.

Contributions

Effective September 30, 2023, the Plan Sponsor ceased contributions to the Plan. Accordingly, no participant or Employer contributions were made during the year ended December 31, 2024.

Participant accounts

Each participant's account is credited with the participant's contributions and an allocation of: (a) the Employers' contributions (if any) and (b) Plan earnings or losses thereon. Participants are charged with his or her withdrawals and an allocation of Plan administrative expenses. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant contributions are participant-directed and may be invested into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their contributions, plus actual earnings or losses thereon.

The Plan was terminated and, at which time, participants became fully vested in their accounts.

F&D HUEBNER, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Forfeitures

Forfeited nonvested accounts may be used to offset Plan administrative expenses or reduce Employers' contributions. For the year ended December 31, 2024, forfeitures totaling \$16 were used to offset Plan administrative expenses.

Notes receivable from participants

Effective January 1, 2024, no loans were permitted under the Plan's provisions.

Payment of benefits

On termination of service due to death, disability, or normal retirement age (65), a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, or in monthly installments. For termination of service due to other reasons, a participant may choose to leave the vested interest in the Plan if such amounts exceed \$1,000 or elect a lump-sum distribution. Participants with vested amounts less than \$1,000 must elect a lump-sum distribution. Participants may take in-service withdrawals upon attainment of age 59½ or for immediate and heavy financial hardship needs, as defined.

Plan administration

The Plan Sponsor is the Plan Administrator, and as such, controls and manages the operations of the Plan. The Plan's investment assets were maintained by Transamerica as agent for the Trustee. Transamerica invests cash received, interest and dividend income and makes distributions to participants (subject to the direction of participants).

The Plan Sponsor contracted with TAG Resources, LLC to act as the Plan's third-party administrator and fiduciary. The Plan allows certain administrative expenses to be paid directly from Plan investment assets.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan have been prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The 2024 financial statements have been prepared under the liquidation basis. This basis was adopted when liquidation was deemed imminent in accordance with Accounting Standards Update (ASU) 2013-07, *Liquidation Basis of Accounting*. Plan management determined that liquidation was imminent upon adoption of the resolution to terminate the Plan on September 30, 2023. Under the liquidation basis of accounting, assets are measured at their net realizable value, estimated by fair value reduced by surrender charges, penalties and redemption charges, and disposal expenses, to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process. Liabilities are measured using the accrual basis of accounting, including any expected costs of the disposal of assets and other assets and other costs expected to be incurred during the liquidation process.

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts which are valued at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management and its advisor determine the Plan's valuation policies utilizing information provided by the investment advisor and the Custodian.

F&D HUEBNER, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Investment valuation and income recognition, continued

Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, and such differences could be material.

Payment of benefits

The Plan records benefits when paid.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan investment assets. Certain administrative expenses are paid directly by the Plan Sponsor and are not reflected in the financial statements.

Uncertain tax positions

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan has determined it does not have any positions at December 31, 2024, that it would be unable to substantiate.

Note 3 – Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Financial Life Insurance Company, the Agent for Reliance Trust Company, the trustee, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown on the statement of net assets available for benefits as of December 31, 2024;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024; and
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2024, as shown on the ERISA-required supplemental schedule.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements, including the disclosures related to the investments to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule is in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

F&D HUEBNER, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the applicable methodology used at December 31, 2024. During the year ended December 31, 2024, there were no transfers of financial instruments into or out of Level 3.

The following is a description of the valuation methodology used for assets measured at fair value:

Pooled separate accounts - Valued at net asset value (NAV) based upon the units of such pooled separate accounts held by the Plan at year-end multiplied by the respective unit value. The unit values of the pooled separate accounts are based upon significant observable inputs, which consist of securities that are actively traded on exchanges and quoted market prices are readily available.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value, on a recurring basis, as of December 31, 2024 (in liquidation):

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 10,856	\$ -	\$ 10,856

Note 5 – Investment Contract with Insurance Company

The Plan invested in a fully benefit-responsive investment contract with Transamerica (the issuer) in the Transamerica Stable Value Advantage Account (Stable Value Advantage Account) with a contract value of \$4,450 as of December 31, 2024. The contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

F&D HUEBNER, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 5 – Investment Contract with Insurance Company, Continued

Transamerica is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The effective rate of interest is established every January 1 and July 1 and is based on the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period.

The contract met the fully benefit-responsive investment criteria and, therefore, is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due was dependent on Transamerica's ability to meet its financial obligations. Transamerica's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include amendments to the Plan documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or premature termination of the contract.

The Plan Administrator does not believe the termination of the Plan will materially limit the ability of the Plan to transact at contract value with Transamerica and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow Transamerica to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of a material obligation under the contract, a material misrepresentation, or a material amendment to the agreement without the consent of Transamerica. The adjustment to contract value was not determined at December 31, 2024 as part of the Plan's termination.

Based on ongoing credit evaluations of its guaranteed investment contract, Plan management does not expect payment defaults on delinquencies and has not recorded an allowance for credit losses for these investments as of December 31, 2024.

Note 6 – Party-In-Interest Transactions

Parties in interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. The Plan's investments included shares of pooled separate accounts and a guaranteed investment contract issued, managed, and administered by Transamerica. Transamerica is the agent for the Plan's trustee, Reliance Trust Company (the trustee), and Transamerica's affiliate, TRS, is the Plan's recordkeeper, and therefore, these transactions with Transamerica, TRS and the Trustee qualify as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

The Plan contracted with TAG Resources, LLC for third-party administrative services. The Plan compensated TAG Resources, LLC directly for such services.

Certain administrative functions are performed by officers and employees of the Plan Sponsor. No officer or employee receives compensation from the Plan for these services.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 7 – Plan Termination

The Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. On September 30, 2023, as described in Note 1, the Plan Sponsor resolved that the Plan would be terminated effective on the date the assets would be transferred from its successor plan. Participants became 100% vested in their accounts as of the termination date.

Note 8 – Tax Status

On August 17, 2021, the IRS stated that the Non-Standardized Pre-Approved Profit Sharing Plan with CODA adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the Plan and its related trust is tax-exempt. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the Non-Standardized Pre-Approved letter, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 – Subsequent Events

The Plan evaluated events occurring subsequent to December 31, 2024 through October 1, 2025, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
