Independent Auditors' Report

To the Plan Administrator of
MidAtlantic Realty Partners, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of MidAtlantic Realty Partners, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the MidAtlantic Realty Partners, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MidAtlantic Realty Partners, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MidAtlantic Realty Partners, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MidAtlantic Realty Partners, LLC 401(k) Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MidAtlantic Realty Partners, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2024, and supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Acquired and Disposed of Within Year) for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by, acquired, and disposed and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MIDATLANTIC REALTY PARTNERS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of the MidAtlantic Realty Partners, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan was formed on January 1, 2007, and subsequently amended and restated effective January 1, 2023. The Plan is a defined contribution plan, commonly known as a 401(k) plan with discretionary employer contributions, covering all full-time and certain part-time employees of MidAtlantic Realty Partners, LLC (the "Company"). Each employee of the Company may become a participant in the Plan after three months of employment and attaining age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - In lieu of compensation, a contribution is made to the Plan on a tax-deferred basis each pay period. Active participants may elect to defer up to the maximum dollar amount determined by the Internal Revenue Service ("IRS") each year. Effective January 1, 2023, the Plan was amended to include automatic deferral provisions. Unless a participant makes an affirmative election, the employer will withhold 3 percent of compensation for each payroll period. The Plan will permit participant permissible withdrawals within 90 days of the first automatic deferral. Each year, the Company may make a discretionary contribution to the Plan as a percentage match of the participants' salary reduction contributions. The Company also may make discretionary non-elective matching contributions. No discretionary match or discretionary non-elective matching contributions were made for the year ended December 31, 2024. All contributions are participant-directed.

Rollovers from Other Plans - For eligible employees or participants, the Plan allows rollover contributions from all qualified plans. A separate account is maintained by the Plan for a participant's rollover contributions, which is non-forfeitable at all times. The account shares in the income and gains and losses of the funding vehicles in which it is invested.

Investment Options - Upon enrollment in the Plan, a participant may direct employee contributions into a variety of mutual funds or a guaranteed interest account. Participants may change their investment options daily.

Participant Accounts - A separate account is established for each participant. Each participant's account is credited with the participant's contributions, employer discretionary and discretionary non-elective contributions (if any), allocations of earnings (losses) based on the performance of the investment account(s) selected by the participant, and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the vested benefit that can be provided from his/her account.

Notes Receivable from Participants - Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 9.50 percent, which are determined as one percentage point over the prime interest rate. Repayment terms, which are determined by the plan documents, cannot exceed five years unless loan proceeds are used to acquire a participant's principal residence.

MIDATLANTIC REALTY PARTNERS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are fully vested in their salary reduction contributions at all times. For the purpose of determining vesting in the employer discretionary and discretionary non-elective contributions, participants are credited with one year of service for each year in which they are compensated for 1,000 hours of service. Participants become vested in employer discretionary and discretionary non-elective contributions in accordance with the following schedule:

| Years of Service | Vested Percentage |
|-------------------|-------------------|
| Less than 2 years | 0 percent |
| 2 | 20 percent |
| 3 | 40 percent |
| 4 | 60 percent |
| 5 | 80 percent |
| 6 | 100 percent |

Forfeitures - The Plan provides that forfeitures may be used to reduce employer contributions or to pay plan administrative expenses. During 2024, no forfeitures were used to reduce employer contributions or pay plan administrative expenses. The balance of forfeited non-vested accounts as of December 31, 2024, and 2023 was \$745 and \$734, respectively.

Expenses - The Company pays the majority of the Plan's administrative expenses except those expenses that are charged directly to participant accounts. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Payment of Benefits - Distribution to a participant or his/her beneficiary shall be made after the occurrence of termination of employment, disability, death, attainment of age 55, retirement, or plan termination. Additionally, the Plan allows for hardship distributions if certain criteria are met. Terminated participants with account balances of \$5,000 or less will automatically receive a lump-sum distribution of their account balances. In the event of a participant's death, the participant's beneficiary will be entitled to receive the decedent's vested account balance.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements of the Plan are prepared using the accrual basis in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and Uncertainties - Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

MIDATLANTIC REALTY PARTNERS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES PLAN - CONTINUED

Investment Valuation and Income Recognition - The Plan invests in guaranteed interest accounts at contract value and mutual funds at fair value.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Net appreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments, and certain fees. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the period. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value as of the beginning of the period or the cost of the investment if purchased during the year. Fees included in net appreciation of investments represent fees charged by the trustee for services provided in connection with recordkeeping and investment management.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Payment of Benefits - Benefits are recorded when paid.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Interest income earned on participant loans for the year ended December 31, 2024 was \$5,411.

Administrative Expenses - Administrative expenses paid by the Plan include investment advisory fees and various recordkeeping/administration fees.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 2, 2025, the date the accompanying financial statements were available to be issued.

MIDATLANTIC REALTY PARTNERS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a. Quoted prices for similar assets or liabilities in active markets.
- b. Quoted prices for identical or similar assets or liabilities in inactive markets.
- c. Inputs other than quoted prices that are observable for the asset or liability.
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable and significant inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's valuation methodology used to measure fair value of the mutual funds was derived from quoted market prices as these investments have an active market and are classified within Level 1 of the valuation hierarchy.

There have been no changes to the methodologies used at December 31, 2024 and 2023.

The plan sponsor is responsible for the determination of fair value. Accordingly, the plan sponsor performs periodic analysis on the prices received from the pricing services used to determine whether the prices are reasonable estimates of fair value. As a result of these reviews, the plan sponsor has not historically adjusted the prices obtained from the pricing services. The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis at December 31, 2024:

| | Level 1 | Level 2 | Level 3 | Total |
|--------------|--------------|---------|---------|--------------|
| Mutual funds | \$ 9,620,340 | \$ - | \$ - | \$ 9,620,340 |

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

Empower Annuity Insurance Company of America and Empower Trust Company, LLC ("Empower") has certified that the information as of and for the years ended December 31, 2024 and 2023 included in the accompanying financial statements and supplemental schedules is complete and accurate.

The following table summarizes the information included in the Plan's financial statements, which was prepared by Empower for the years ended December 31, 2024 and 2023 and furnished to the plan administrator. The plan administrator has obtained certifications from Empower that such information is complete and accurate.

| | 2024 | 2023 |

| Notes receivable from participants | 59,024 | 76,627 |

For the year ended December 31, 2024, Empower has also certified to the completeness and accuracy of the activity related to the investment income as follows:

| | | |
|---|----|-----------|
| Investment income: | | |
| Net appreciation in fair value of investments | \$ | 862,103 |
| Interest and dividends | | 315,946 |

MIDATLANTIC REALTY PARTNERS, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES - CONTINUED

In November 2020, the Plan entered into a benefit-responsive investment contract with Great-West, specifically the Group Unallocated Fixed Deferred Annuity Contract (the "GWI Fixed Account - Series Class I"). The GWI Fixed Account – Series Class I was subsequently renamed the EI Fixed Account - Series Class I. The EI Fixed Account - Series Class I, a traditional guaranteed investment contract, maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The EI Fixed Account - Series Class I is included in the financial statements at contract value as reported to the Plan by Empower.

The EI Fixed Account - Series Class I issuer is contractually obligated to repay the principal and interest earned at a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the EI Fixed Account - Series Class I is fully benefit-responsive, contract value is the relevant measurement for that portion of the net assets available for benefits attributable to the EI Fixed Account - Series Class I. Contract value represents participant contributions made under the contract, plus credited interest earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Sponsor or other Sponsor event (e.g., divestitures or spin-offs of a subsidiary) that caused a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in investment vehicles managed by Empower, which therefore qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION

Under the provisions of the plan agreement, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA, whereupon each participant's balance would become fully vested. The Company has expressed no intention to terminate the Plan.

NOTE 7 - TAX STATUS

The IRS has determined that the prototype profit sharing plan adopted by the Plan is designed in accordance with the applicable sections of the Internal Revenue Code ("IRC") and has informed the plan administrator of such in a letter dated May 25, 2021. Although the Plan has been amended since the date of this opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore that the Plan is qualified, and the related trust is tax exempt.

Notes to Financial Statements

December 31, 2024 and 2023

NOTE 7 - TAX STATUS - CONTINUED

U.S. GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021. It is the Plan's policy to recognize interest and/or penalties related to uncertain tax positions, if any, in income tax expense.
