## Report of Independent Auditors

The Plan Administrator and Participants  
Continental Paving, Inc. Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Continental Paving, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Continental Paving, Inc. Profit Sharing Plan's financial statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Continental Paving, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Continental Paving, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Continental Paving, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Continental Paving, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matter**

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Continental Paving, Inc. Profit Sharing Plan

## Notes to Financial Statements

December 31, 2024

### 1. Description of Plan

The following description of the Continental Paving, Inc. Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description and the Plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan, established April 1, 1985 and most recently amended December 20, 2024, covering all full-time employees of Continental Paving, Inc. (Company) and Passaconaway Country Club who have attained the age of nineteen, except residents of Puerto Rico and non-resident aliens with no income from a U.S. source. Employees are eligible to participate in the Plan after three months of service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective June 23, 2023, the Plan was amended to change the Plan year end to December 31.

#### Contributions

Each year, participants may contribute from 1% to 90% of their respective pretax annual compensation, subject to Internal Revenue Code (Code) limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Effective December 20, 2024, the Plan permits Roth elective deferrals. Roth elective deferrals are treated in the same manner as participant elective deferrals, except that Roth elective deferrals are not "pre-tax" deferrals as defined in the Code.

The Company may elect to provide a discretionary matching contribution. For the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, the Company provided a matching contribution equal to 50% of each participant's deferred compensation up to 6%.

# Continental Paving, Inc. Profit Sharing Plan

## Notes to Financial Statements (continued)

### 1. Description of Plan (continued)

#### Contributions (continued)

The Company may also elect to provide a discretionary profit-sharing contribution at the option of the Company's board of directors. This discretionary contribution will be made to those participants who have completed 1,000 hours of service and were employed on the last day of the plan year. For the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, no discretionary contributions were made.

Participants direct the investment of their contributions and the Company match into various investment options offered by the Plan.

#### Participants Accounts

Each participant's account is credited with the participant's contribution, any Company contributions and a pro rata allocation of the Fund's investment gains or losses. The benefit to which a participant is entitled is the vested portion from the participant's account.

At December 31, 2024 and 2023, forfeited non-vested employer contributions totaled \$33,807 and \$116,115, respectively. These amounts will be used first to pay administrative expenses and then used to reduce employer contributions. Forfeitures used to pay administrative expenses for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023 amounted to \$8,276 and \$8,298, respectively. Forfeitures used to reduce employer contributions for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023 amounted to \$111,865 and \$0-, respectively.

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of credited service and 20% each year of credited service thereafter until a participant is 100% vested after the completion of six years of credited service.

#### Notes Receivable from Participants

The Plan does not permit participant loans.

## Continental Paving, Inc. Profit Sharing Plan

### Notes to Financial Statements (continued)

#### **1. Description of Plan (continued)**

##### **Payment of Benefits**

Upon termination of service, or upon death, disability or retirement, a participant may receive a lump-sum amount equal to the vested value of his or her account or they may elect a distribution under a systematic withdrawal plan. Participants may also withdraw from their accounts in the event of serious financial hardship, as defined in the Plan document, or upon reaching 59 ½ years of age.

##### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its discretionary contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

#### **2. Summary of Accounting Policies**

##### **Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting.

##### **Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for the management of investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

## Continental Paving, Inc. Profit Sharing Plan

### Notes to Financial Statements (continued)

#### **2. Summary of Accounting Policies (continued)**

##### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

##### **Payment of Benefits**

Benefits are recorded when paid.

##### **Return of Excess Contribution**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability. The Plan distributed the excess contribution to the applicable participants' accounts prior to March 15, 2025.

##### **Revenue Credit/Administrative Expenses**

The Plan has entered into fixed basis point pricing with Fidelity Workplace Services, LLC. The fees related to recordkeeping services are 14 basis points effective March 1, 2022. Revenue generated from the various mutual fund investments above this amount is transferred to a suspense account (ERISA Budget Account). This account can be used to cover plan expenses, such as auditing, legal and consultant fees. These amounts are not available to reduce Company contributions. For the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, the recordkeeping fee was \$32,722 and \$23,394, respectively.

The amount available in the ERISA Budget account at December 31, 2024 and 2023 is \$4,755 and \$4,532, respectively. For the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, no amounts were used from the ERISA Budget account to offset plan expenses.

The amount associated with the Plan investment advisor deducted from participant accounts is 20 basis points effective March 1, 2022, calculated annually and deducted from participant accounts on a quarterly basis. For the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, the investment advisor fee was \$68,689 and \$47,207, respectively.

## Continental Paving, Inc. Profit Sharing Plan

### Notes to Financial Statements (continued)

#### 2. Summary of Accounting Policies (continued)

##### Revenue Credit/Administrative Expenses (continued)

Certain other participant specific fees are deducted directly from participant accounts. The amounts deducted from participant accounts for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, amounted to \$1,050 and \$775, respectively.

#### 3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule including investments held at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest and dividend income for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

#### 4. Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted

# Continental Paving, Inc. Profit Sharing Plan

## Notes to Financial Statements (continued)

### 4. Fair Value Measurements (continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management’s own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety.

The following is a description of the valuation methodologies used by the Plan. There have been no changes in the valuation methodologies at December 31, 2024 and 2023.

*Mutual funds* are valued daily at the closing price per share, as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while plan management believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All mutual fund investments held at December 31, 2024 and 2023, are Level 1 within the fair value hierarchy.

### 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

# Continental Paving, Inc. Profit Sharing Plan

## Notes to Financial Statements (continued)

### 6. Parties-In-Interest

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan.

Certain plan investments are shares of mutual funds managed by an affiliate of Fidelity Management Trust Company, the plan trustee. In addition, Fidelity Workplace Services, LLC is the plan recordkeeper. These investments and transactions are considered to be party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

### 7. Income Tax Status

The Plan has adopted the non-standardized pre-approved profit sharing plan of Fidelity Management & Research LLC. The non-standardized pre-approved profit sharing plan sponsor received an advisory letter from the IRS dated June 30, 2020 in which the Internal Revenue Service stated that the form of the non-standardized pre-approved profit sharing plan was in compliance with the applicable requirements of the Internal Revenue Code (Code). Although the Plan has been amended since receiving the advisory letter, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting standards require recording uncertain income tax positions that exist in the Plan's financial statements. Plan management has determined there are no uncertain tax positions and believes there is no adjustment or disclosure required in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the Form 5500 to net assets available for benefits per the financial statements at December 31:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits, per Form 5500	\$ 37,378,289	\$ 34,667,961
Return of excess contributions	<u>(34,246)</u>	<u>(88,700)</u>
Net assets available for benefits, per financial statements	<u>\$ 37,344,043</u>	<u>\$ 34,579,261</u>

## Continental Paving, Inc. Profit Sharing Plan

### Notes to Financial Statements (continued)

#### 8. Reconciliation of Financial Statements to Form 5500 (continued)

The following is a reconciliation of the net change per the Form 5500 to the net change per the financial statements for the year ended December 31, 2024:

Net increase per the Form 5500	\$ 2,710,328
Return of excess contributions at December 31, 2024	(34,246)
Return of excess contributions at December 31, 2023	88,700
Net increase per the financial statements	<u>\$ 2,764,782</u>

#### 9. Subsequent Events

The Company has evaluated all subsequent events through September 26, 2025, the date the financial statements were available to be issued. During this period, there have been no events that would require recognition in the financial statements or disclosures to the financial statements.

## Report of Independent Auditors

The Plan Administrator and Participants  
Continental Paving, Inc. Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Continental Paving, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Continental Paving, Inc. Profit Sharing Plan's financial statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Continental Paving, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Continental Paving, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Continental Paving, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Continental Paving, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matter**

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Continental Paving, Inc. Profit Sharing Plan

## Notes to Financial Statements

December 31, 2024

### 1. Description of Plan

The following description of the Continental Paving, Inc. Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description and the Plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan, established April 1, 1985 and most recently amended December 20, 2024, covering all full-time employees of Continental Paving, Inc. (Company) and Passaconaway Country Club who have attained the age of nineteen, except residents of Puerto Rico and non-resident aliens with no income from a U.S. source. Employees are eligible to participate in the Plan after three months of service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective June 23, 2023, the Plan was amended to change the Plan year end to December 31.

#### Contributions

Each year, participants may contribute from 1% to 90% of their respective pretax annual compensation, subject to Internal Revenue Code (Code) limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Effective December 20, 2024, the Plan permits Roth elective deferrals. Roth elective deferrals are treated in the same manner as participant elective deferrals, except that Roth elective deferrals are not "pre-tax" deferrals as defined in the Code.

The Company may elect to provide a discretionary matching contribution. For the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, the Company provided a matching contribution equal to 50% of each participant's deferred compensation up to 6%.

## Notes to Financial Statements (continued)

### 1. Description of Plan (continued)

#### Contributions (continued)

The Company may also elect to provide a discretionary profit-sharing contribution at the option of the Company's board of directors. This discretionary contribution will be made to those participants who have completed 1,000 hours of service and were employed on the last day of the plan year. For the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, no discretionary contributions were made.

Participants direct the investment of their contributions and the Company match into various investment options offered by the Plan.

#### Participants Accounts

Each participant's account is credited with the participant's contribution, any Company contributions and a pro rata allocation of the Fund's investment gains or losses. The benefit to which a participant is entitled is the vested portion from the participant's account.

At December 31, 2024 and 2023, forfeited non-vested employer contributions totaled \$33,807 and \$116,115, respectively. These amounts will be used first to pay administrative expenses and then used to reduce employer contributions. Forfeitures used to pay administrative expenses for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023 amounted to \$8,276 and \$8,298, respectively. Forfeitures used to reduce employer contributions for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023 amounted to \$111,865 and \$0-, respectively.

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of credited service and 20% each year of credited service thereafter until a participant is 100% vested after the completion of six years of credited service.

#### Notes Receivable from Participants

The Plan does not permit participant loans.

## Continental Paving, Inc. Profit Sharing Plan

### Notes to Financial Statements (continued)

#### **1. Description of Plan (continued)**

##### **Payment of Benefits**

Upon termination of service, or upon death, disability or retirement, a participant may receive a lump-sum amount equal to the vested value of his or her account or they may elect a distribution under a systematic withdrawal plan. Participants may also withdraw from their accounts in the event of serious financial hardship, as defined in the Plan document, or upon reaching 59 ½ years of age.

##### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its discretionary contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

#### **2. Summary of Accounting Policies**

##### **Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting.

##### **Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for the management of investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

### Notes to Financial Statements (continued)

#### **2. Summary of Accounting Policies (continued)**

##### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

##### **Payment of Benefits**

Benefits are recorded when paid.

##### **Return of Excess Contribution**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability. The Plan distributed the excess contribution to the applicable participants' accounts prior to March 15, 2025.

##### **Revenue Credit/Administrative Expenses**

The Plan has entered into fixed basis point pricing with Fidelity Workplace Services, LLC. The fees related to recordkeeping services are 14 basis points effective March 1, 2022. Revenue generated from the various mutual fund investments above this amount is transferred to a suspense account (ERISA Budget Account). This account can be used to cover plan expenses, such as auditing, legal and consultant fees. These amounts are not available to reduce Company contributions. For the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, the recordkeeping fee was \$32,722 and \$23,394, respectively.

The amount available in the ERISA Budget account at December 31, 2024 and 2023 is \$4,755 and \$4,532, respectively. For the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, no amounts were used from the ERISA Budget account to offset plan expenses.

The amount associated with the Plan investment advisor deducted from participant accounts is 20 basis points effective March 1, 2022, calculated annually and deducted from participant accounts on a quarterly basis. For the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, the investment advisor fee was \$68,689 and \$47,207, respectively.

## Continental Paving, Inc. Profit Sharing Plan

### Notes to Financial Statements (continued)

#### 2. Summary of Accounting Policies (continued)

##### Revenue Credit/Administrative Expenses (continued)

Certain other participant specific fees are deducted directly from participant accounts. The amounts deducted from participant accounts for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, amounted to \$1,050 and \$775, respectively.

#### 3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule including investments held at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest and dividend income for the year ended December 31, 2024 and the period April 1, 2023 through December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

#### 4. Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted

# Continental Paving, Inc. Profit Sharing Plan

## Notes to Financial Statements (continued)

### 4. Fair Value Measurements (continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management’s own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety.

The following is a description of the valuation methodologies used by the Plan. There have been no changes in the valuation methodologies at December 31, 2024 and 2023.

*Mutual funds* are valued daily at the closing price per share, as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while plan management believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All mutual fund investments held at December 31, 2024 and 2023, are Level 1 within the fair value hierarchy.

### 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

# Continental Paving, Inc. Profit Sharing Plan

## Notes to Financial Statements (continued)

### 6. Parties-In-Interest

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan.

Certain plan investments are shares of mutual funds managed by an affiliate of Fidelity Management Trust Company, the plan trustee. In addition, Fidelity Workplace Services, LLC is the plan recordkeeper. These investments and transactions are considered to be party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

### 7. Income Tax Status

The Plan has adopted the non-standardized pre-approved profit sharing plan of Fidelity Management & Research LLC. The non-standardized pre-approved profit sharing plan sponsor received an advisory letter from the IRS dated June 30, 2020 in which the Internal Revenue Service stated that the form of the non-standardized pre-approved profit sharing plan was in compliance with the applicable requirements of the Internal Revenue Code (Code). Although the Plan has been amended since receiving the advisory letter, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting standards require recording uncertain income tax positions that exist in the Plan's financial statements. Plan management has determined there are no uncertain tax positions and believes there is no adjustment or disclosure required in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the Form 5500 to net assets available for benefits per the financial statements at December 31:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits, per Form 5500	\$ 37,378,289	\$ 34,667,961
Return of excess contributions	<u>(34,246)</u>	<u>(88,700)</u>
Net assets available for benefits, per financial statements	<u>\$ 37,344,043</u>	<u>\$ 34,579,261</u>

## Continental Paving, Inc. Profit Sharing Plan

### Notes to Financial Statements (continued)

#### 8. Reconciliation of Financial Statements to Form 5500 (continued)

The following is a reconciliation of the net change per the Form 5500 to the net change per the financial statements for the year ended December 31, 2024:

Net increase per the Form 5500	\$ 2,710,328
Return of excess contributions at December 31, 2024	(34,246)
Return of excess contributions at December 31, 2023	88,700
Net increase per the financial statements	<u>\$ 2,764,782</u>

#### 9. Subsequent Events

The Company has evaluated all subsequent events through September 26, 2025, the date the financial statements were available to be issued. During this period, there have been no events that would require recognition in the financial statements or disclosures to the financial statements.
