## **INDEPENDENT AUDITOR'S REPORT**

To the Administrator of the  
Hillcrest Country Club 401(k)

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Hillcrest Country Club 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified

investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules presented on pages 13 and 14 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HILLCREST COUNTRY CLUB 401(k)

NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Hillcrest Country Club 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provision.

**A. General.** The Plan is a defined contribution plan covering employees of Hillcrest Country Club ("the Club") who are employed for at least one year with 1,000 hours of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Trustee of the Plan is Principal Trust Company ("Trustee"). The Trustee acts as custodian and trustee for the Plan performing investment and recordkeeping services.

**B. Contributions.** Participants are automatically enrolled to contribute 4% of pretax annual compensation unless they opt out or specify an alternative contribution rate, as defined by the Plan. The Plan offers various mutual funds as investment options for the participants. The Club makes matching contributions to participants equal to 50% of the participants' elective deferral contributions up to 6% of each participant's salary. In addition, the Club may make discretionary contributions as authorized by its Board of Directors. Contributions are subject to certain IRS limitations.

**C. Participant Accounts.** Each participant's account is credited with the participant's contribution and an allocation of (a) the Club's contribution, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. The benefit which the participant is entitled is the benefit that can be provided from the participant's vested account.

**D. Vesting.** Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Club's contributed portion of the participant's account and the related earnings is based on years of continuous service. A participant is 100 percent vested after six years of service or upon total disability or upon normal retirement age. The vested interest in employer's contributions based on the participant's years of vesting service is as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

**E. Payment of Benefits.** On termination of service due to death, disability or retirement, a participant will receive their vested balance in the payment of a single sum. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a single sum distribution, subject to the appropriate Internal Revenue Service income tax withholding regulations.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN, continued

**F. Forfeitures.** A participant's non-vested balance is forfeited at the time of termination of employment unless termination is due to disability. Forfeitures may be used to reduce future employer contributions or to pay administrative expenses of the Plan or allocated to the then remaining participants. At December 31, 2024 and 2023, the forfeiture account was zero and \$1, respectively. For the years ended December 31, 2024 and 2023, the Sponsor used \$10,850 and \$9,222 to reduce its contributions to the Plan.

**G. Investment Options.** The Club maintains the retirement assets with an insurance company that provides a selection of mutual funds. This company serves as custodian and Trustee of the Plan. Assets in the separate investment allocation account are held by the Trustee on behalf of the Plan in one or more of the Trustee's separate investment accounts.

**H. Notes Receivable From Participants.** Participants may borrow from their fund accounts. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined from time to time by the Plan Administrator. Principal and interest is paid ratably through payroll deductions each payroll period.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

**A. Basis of Accounting.** The financial statements of the Plan are prepared under the accrual method of accounting.

**B. Investment Valuation and Income Recognition.** Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. The value of investments held as of each accounting date is determined based on the fair value of each underlying fund's investments principally using quoted market values from national exchanges. Purchases and sales of investments are reflected on a trade-date basis. The statement of changes in net assets available for Plan benefits includes the net appreciation (depreciation) in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Pooled separate accounts are reported at the closing net asset value per unit of participation as determined by the Plan's Trustee based upon the respective fund/portfolio as of the last business day of the Plan year. The purchase or redemption price of the units is determined based on the current net asset value per unit of participation. The value per unit is determined by the Custodian using the market values of the underlying assets or the fair values as determined by the Custodian in the absence of an available market price.

**C. Payment of benefits.** Benefits are recorded as paid.

**D. Estimates.** The preparation of financial statements requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

HILLCREST COUNTRY CLUB 401(k)

NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF ACCOUNTING POLICIES, continued

E. **Contributions.** Participant contributions are recorded in the period in which the Club makes payroll deductions from Plan participants. The Club's matching contribution is recorded in the related Plan year.

F. **Administrative Expenses.** Expenses related to the administration of the pooled separate accounts are paid by the respective accounts and are reflected in the overall investment return of such funds or reimbursed from the non-vested fund balance. Any expenses resulting from fund transfers or from withdrawals may be deducted from participants' account balances. The Club pays certain administrative service fees.

G. **Risks and Uncertainties.** The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes can materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. **Notes Receivable From Participants.** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. The Plan reserves the right to change the ability to borrow or the loan terms. The cost of initiating and servicing the loan are borne by the participant debtor. No allowance for credit losses was recorded as of December 31, 2024 and 2023.

I. **Excess Contributions Payable.** Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company (the trustee of the Plan).

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified term, the level 2 input must be observable for substantially the full term of the asset or liability. The net asset value as a practicable expedient is considered a level 2 investment.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value end.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

These methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4. FAIR VALUE MEASUREMENTS, continued

The following table of Plan assets at fair value, set forth by level, within the fair value hierarchy, was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

NOTE 5. INVESTMENTS AT CONTRACT VALUE

The guaranteed investment contract meets the criteria of a fully benefit-responsive contract and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction

HILLCREST COUNTRY CLUB 401(k)

NOTES TO FINANCIAL STATEMENTS

NOTE 5. INVESTMENTS AT CONTRACT VALUE, continued

exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6. EXPENSES

The Club, as sponsor, pays certain record keeping and administrative fees on behalf of the Plan. Expenses that are paid by the Club are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 7. TAX STATUS

The Internal Revenue Service has determined and informed the Club that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions in accordance with the statute of limitations for audits. The Plan has not been notified by taxing authorities of the intent to audit the Plan. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2021.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 9. RELATED PARTY TRANSACTION

Certain plan investments are shares of mutual funds managed by Principal Trust Company. Principal Trust Company is the trustee of the Plan assets and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees presented on the accompanying statement of changes in net assets were paid to the related party.

HILLCREST COUNTRY CLUB 401(k)

NOTES TO FINANCIAL STATEMENTS

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the date the financial statements were available to be issued, September 27, 2025. Due to various conditions within the United States of America and globally, the Plan's investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will fluctuate in the near term. It is reasonably possible that these conditions have materially affected participants' account balances and may continue to impact the accounts into the future.
