## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of  
the Levingston 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Levingston 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Levingston 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Levingston 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Levingston 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Levingston 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Levingston 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter-Supplemental Schedule Required by ERISA**

The supplemental schedule H, Line 4I-Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LEVINGSTON 401(k) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
For the Years Ended December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the Levingston 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General Information**

The Plan is a defined contribution plan covering all full-time employees who have attained age twenty-one and completed one month of service with the Levingston Group, LLC (“the Sponsor”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was established by the Sponsor to provide retirement income to its employees. The Sponsor is the Plan administrator. The Sponsor also appoints individuals as trustees (employees of the Sponsor).

**Contributions and Funding Policy**

Each year, participants may contribute up to 50% of pretax annual compensation, as defined in the Plan. However, the total deferrals in any taxable year may not exceed a dollar limit that is set by law. The limit for 2024 and 2023 is \$23,000 and \$22,500, respectively. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions up to \$7,500 for 2024 and 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds, bonds and a money market fund through Fidelity Investments as investment options for participants. The employer may make a discretionary basic matching employer contribution on behalf of each participant in an amount equal to the percentage declared for the contribution period.

Effective April 1, 2019, the plan became an automatic enrollment plan. This automatic enrollment begins at an initial 3% pre-tax deferral contribution once the employee becomes eligible and includes an annual automatic deferral increase of 1% on June 28 until it reaches the maximum of 10% deferral.

**Participant Accounts**

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Sponsor’s contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Sponsor’s contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

 For the Years Ended December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN – (Continued)

**Vesting (continued)**

The schedule below determines the vesting percentage for all other contributions:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 2	0
2	20
3	40
4	60
5	80
6	100

**In Service Distributions**

Participants may receive a distribution from the Plan prior to termination of employment only if certain conditions are met. The participant must reach the age of 59 1/2 or incurred a financial hardship. A financial hardship distribution is subject to a \$500 minimum amount and will be permitted from a participant’s deferral contributions account only.

**Payment of Benefits**

On termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account, or annual installments over a period of time. For termination of service due to other reasons, a participant may receive the values of the vested interest in his or her account as a lump-sum distribution.

**Forfeitures**

Forfeitures of non-vested accounts totaled \$34,263 and \$15,800 for the years ended December 31, 2024 and 2023, respectively. Forfeitures are used first to pay administrative expenses of the Plan and any remainder can be used to offset employer contributions. Employer contributions were reduced by \$35,676 and \$45,083 from forfeited non-vested accounts in 2024 and 2023, respectively. The balances of the Plan’s forfeiture account as of December 31, 2024 and 2023 were \$31,619 and \$18,331, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A brief summary of the significant accounting and reporting policies followed by the Plan in the preparation of its financial statements are presented below.

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

LEVINGSTON 401(k) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
For the Years Ended December 31, 2024 and 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”) requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Sponsor’s management determines the Plan’s valuation policies. See Note C for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest on the accrual basis. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

**Benefits**

Benefits are recorded when paid.

**Expenses**

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

**SECURE Act 2.0**

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as “SECURE 2.0.” These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.

**Expense Offset Agreement**

The Plan participates in an expense offset agreement whereby certain third party expenses are paid with rebates received by the Plan from investment managers. During the years ended December 31, 2024 and 2023, respectively, the Plan received investment manager rebates of \$11,400 and \$8,907 which was offset against recordkeeper fees of \$12,854 and \$12,100. The net rebates are included in other income in the statement of changes in net assets available for benefits.

For the Years Ended December 31, 2024 and 2023

NOTE C – FAIR VALUE MEASUREMENTS

The Plan’s investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are based primarily on quoted prices for similar assets or liabilities in active or inactive markets and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

*Level 1 Fair Value Measurements*

The fair value of mutual funds (registered investment companies) is based on quoted net asset values of the shares held by the Plan at year-end. The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds are held by the Plan are considered to be actively traded. The following table sets forth, by level, within the fair value hierarchy, the plan’s assets at fair value as of December 31, 2024 and 2023:

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Fair Value Measurements Using: Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
Registered investment companies	<u>\$44,429,433</u>	<u>\$ 44,429,433</u>
Total assets at fair value	<u>\$44,429,433</u>	<u>\$ 44,429,433</u>
<u>December 31, 2023</u>		
Registered investment companies	<u>\$36,065,128</u>	<u>\$ 36,065,128</u>
Total assets at fair value	<u>\$36,065,128</u>	<u>\$ 36,065,128</u>

LEVINGSTON 401(k) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
For the Years Ended December 31, 2024 and 2023

NOTE C – FAIR VALUE MEASUREMENTS – (Continued)

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstance that caused the transfer. For the years ended December 31, 2024 and 2023, there were no transfers between Level 1 and 2 and no transfers into or out of Level 3.

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE E – TAX STATUS

The IRS has determined and informed the Sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). During the year ended December 31, 2020, the plan changed their prototype plan. The IRS determined on June 30, 2020 that the prototype adopted by the Plan, as then designed, qualified under IRC Section 401(a). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for a period beyond three years from the filings of those returns.

NOTE F – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee and plan asset custodian as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$12,854 and \$12,100 for the years ended December 31, 2024 and 2023, respectively. All of these parties-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTES TO THE FINANCIAL STATEMENTS  
For the Years Ended December 31, 2024 and 2023

NOTE G – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. The Plan's exposure to a concentration of risk is limited by the diversification of investments across multiple investment fund options. Additionally, the investments within each investment fund option are further diversified into varied financial instruments.

NOTE H - INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN

Fidelity Management Trust Company, as custodian of the Plan, holds all of the Plan's investment assets and executes transactions therein. Financial information relating to the assets is included in the accompanying financial statements and is based on information provided by the custodian. The plan administrator has instructed us not to examine the information certified as complete and accurate by the trustee/custodian. The trustee/custodian's certificate applies to substantially all Plan assets and transactions for the dates presented.

The following information was compiled from data certified by the custodian as being complete and accurate:

	<u>2024</u>	<u>2023</u>

NOTES TO THE FINANCIAL STATEMENTS  
For the Years Ended December 31, 2024 and 2023

NOTE K – QUALIFIED NONELECTIVE EMPLOYER CONTRIBUTIONS RECEIVABLE

Subsequent to December 31, 2024, it was discovered that certain provisions of the plan were not properly applied in the daily operation of the plan. The plan administrator didn't apply participant deferral changes timely. The plan administrator determined the affected participants and will be depositing approximately \$21,335 into the plan to make the affected participants and the plan whole, including interest, which is included in the financial statements in qualified nonelective contributions receivable as of December 31, 2024.

NOTE L – SUBSEQUENT EVENTS

As of the date of the auditors' report, the plan had subsequent benefit payments amounting to \$2,390,735. Of this amount, \$1,080,828 were included in Note J of those separated participants with account balances.

Management of the Plan has evaluated the financial statements for subsequent events through the date of the auditors' report, and the date the financial statements were available to be issued. Management is not aware of any subsequent events, other than those described above, which would require recognition or disclosure in the financial statements.
