## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the  
International Marine Products Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of International Marine Products Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of International Marine Products Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of International Marine Products Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Marine Products Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Marine Products Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Marine Products Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at end of year) as of December 31, 2024 and delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# INTERNATIONAL MARINE PRODUCTS RETIREMENT PLAN

## NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE A - DESCRIPTION OF THE PLAN

The following description of the International Marine Products Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### 1. General

The Plan is a defined contribution plan established by EIWA International, Inc., International Marine Products, Inc., and Kodania, Inc. (collectively, the “Employer”) under the provisions of Section 401(a) of the Internal Revenue Code (“IRC”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan provides for a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Employer. The plan administrator is responsible for the oversight of the Plan, determines the appropriateness of the Plan’s investment offerings, and monitors investment performance. Capital Bank and Trust Company (the “Trustee”) is responsible for the custody and management of the Plan’s assets.

#### 2. Eligibility

All non-union employees who are U.S. residents and who have reached the age of 21 may participate in the Plan. Employees may begin contributing to the Plan upon one year of employment with the Employer and may enter the Plan on the first day of the plan year and the first day of the seventh month of the plan year. Participating employees are also eligible for Employer contributions.

#### 3. Contributions

Participants may elect to contribute, on a tax-deferred basis, up to 100% of their eligible compensation, subject to certain limitations under the IRC. Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions. Participants may direct contributions, as desired, in any of several investments offered by the Trustee and may change their investment options daily. In addition, the Employer may make maximum discretionary employer match or discretionary safe harbor match equal to 6% of the participant’s deferred compensation not to exceed 4% annually.

The Employer may also make a discretionary profit sharing contribution for each active and eligible participant, in an amount subject to determination on an annual basis by the Board of Directors of the Employer.

#### 4. Participant Accounts

Each participant’s account is credited with the participant’s contributions, and the Employer’s discretionary matching contribution and/or discretionary safe harbor matching contribution, if elected, as well as allocations of the Employer’s discretionary profit sharing contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

**NOTE A - DESCRIPTION OF THE PLAN (Continued)**

**5. Notes Receivable From Participants**

Notes receivable from participant are not allowed per the Plan's provision.

**6. Vesting**

Employee contributions, Employer qualified nonelective contributions, Employer discretionary safe harbor matching contributions, rollovers and actual earnings on all such contributions are fully vested at all times. Vesting of Employer discretionary matching contributions, Employer discretionary profit sharing contributions and actual earnings thereon, are based upon the participant's years of service with the Employer as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

**7. Benefit Payments**

Upon termination of employment with the Employer, a participant may receive a lump sum disbursement if his or her vested account balance is less than \$1,000. If the vested account balance is between \$1,000 and \$5,000, a lump sum will be distributed directly to an individual retirement account unless the participant elects otherwise. For balances greater than \$5,000, the participant is entitled to a lump sum amount or installment payments. In the event of death or total and permanent disability, a participant's beneficiary or the participant is entitled to the total value of the participant's account. In addition, upon attaining age 65, participants may receive distributions. Hardship withdrawals are also permitted if certain criteria are met.

**8. Administrative Expenses**

Certain expenses of maintaining the Plan are paid from the assets of the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Investment related expenses are included in the net appreciation in fair value of investments.

**9. Forfeitures**

Forfeitures of terminated participants' nonvested accounts will be applied against future Employer contributions or to pay plan expenses. During the year ended December 31, 2024, \$16,546 of forfeitures were applied against Employer discretionary profit sharing contributions. As of December 31, 2024 and 2023, there was \$2,196 and \$16,547, respectively, of unallocated forfeitures included in net assets available for benefits. Employer discretionary profit sharing contributions receivable as of December 31, 2024 has been reduced by \$2,206 for forfeitures applied in the subsequent year.

### NOTE A - DESCRIPTION OF THE PLAN (Continued)

#### 10. Plan Amendments and Termination

Although it has not expressed such intent, the Employer, by action of its Board of Directors, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for benefits would be distributed to the participants based on each participant's interest in the Plan.

### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 1. Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

#### 2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### 3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the plan administrator. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### 4. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding increase to deductions from net assets.

#### 5. Benefit Payments

Benefits are recorded when paid.

## INTERNATIONAL MARINE PRODUCTS RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 6. Subsequent Events

Plan management has evaluated subsequent events through October 2, 2025, the date the financial statements were available to be issued.

### NOTE C - CERTIFICATION BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, all of the investment information, including investment income, included in the accompanying financial statements and supplemental schedules has been certified as complete and accurate by the Trustee of the Plan.

### NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## INTERNATIONAL MARINE PRODUCTS RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

<u>December 31, 2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,524,743	\$ -	\$ -	\$ 6,524,743
Total investments at fair value	\$ 6,524,743	\$ -	\$ -	\$ 6,524,743
<u>December 31, 2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,930,670	\$ -	\$ -	\$ 4,930,670
Total investments at fair value	\$ 4,930,670	\$ -	\$ -	\$ 4,930,670

### NOTE E - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Trustee is a party-in-interest with respect to the Plan. Investments are held with and managed by the Trustee. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing rather than direct payment. Additional fees may be paid directly to the Trustee or other parties-in-interest.

### **NOTE F - INCOME TAX STATUS**

The IRS has issued an opinion letter to a service provider utilized by a third-party administrator dated June 30, 2020, that the adopted non-standardized pre-approved plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan did not seek a favorable determination letter with respect to the initial adoption of the plan document, nor with any plan amendments or restatements, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expect to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

### **NOTE G - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### **NOTE H - PROHIBITED TRANSACTIONS**

During the years ended December 31, 2024, 2023, 2021 and 2020, the Employer failed to remit several employee contributions to the Plan on a timely basis, as required by DOL Reg. 2510.3-102, resulting in prohibited transactions. The Employer is in the process of computing the lost earnings related to the late remittances for deposit to the Plan.
