INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the  
401(K) Profit Sharing Plan of Pacific Clinics  
Los Gatos, California

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of the 401(K) Profit Sharing Plan of Pacific Clinics, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 401(K) Profit Sharing Plan of Pacific Clinics' financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's rules and regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 401(K) Profit Sharing Plan of Pacific Clinics and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(K) Profit Sharing Plan of Pacific Clinics' ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 401(K) Profit Sharing Plan of Pacific Clinics' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(K) Profit Sharing Plan of Pacific Clinics' ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Other Matter-Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held for investment purposes at the end of the year is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**401(K) PROFIT SHARING PLAN OF PACIFIC CLINICS  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2024**

**1. Description of Plan:**

The following description of the 401(K) Profit Sharing Plan of Pacific Clinics (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering employees, as defined in the Plan, of Pacific Clinics. (the Company) who are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The sponsor organization of the Plan is the Company.

Effective January 1, 2023, the Plan documents was restated and the Uplift Family Services 401(k) Plan was merged into the Plan. Employees who transferred from Uplift Family Services 401(k) Plan are eligible to participate in the Plan. As of February 13, 2023, all merged assets have been transferred into the Plan. All employees of the Company are eligible to participate in the Plan except for Union employees, nonresident aliens, and employees who become employees due to an asset or stock acquisition, merger, or other similar transaction with the exception of employees who transferred to the Plan from the Uplift Family Services 401(k) Plan on January 1, 2023. On-call employees are excluded from participation in the Plan for the purpose of employer nonelective contributions. Eligible employees shall enter the Plan immediately upon their employment commencement date.

Each year, participants may contribute from 1% to 90% of pretax annual compensation and Roth deferrals as defined in the Plan. Participants may also contribute rollover amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan includes an Eligible Automatic Contribution Arrangement (EACA) provisions for participants. Participants without an existing salary reduction agreement at least equal to the automatic deferral percentage shall be subject to the automatic enrollment provision of the Plan. The employer automatically withholds 6% of eligible compensation each pay period contributed as pre-tax elective deferrals to the Plan. The initial automatic deferral amount will increase by 1% per year up to a maximum of 10%.

The Company may contribute to the Plan an amount of matching contributions, up to 4% of a participant's pretax annual compensation, determined at the Company's discretion. The Company makes safe harbor matching contributions in an amount equal to 100% of the first 1% of the participant eligible compensation, plus 50% of the next 5% of the participant compensation. Additional amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

Participants direct the investment of their contributions and the employer's contributions into various investment options offered by the Plan and Empower Retirement, LLC. The Plan currently offers approximately twenty-two mutual funds, a short-term fixed income, and self-directed brokerage accounts. Each participant's account is credited with the participant's contributions and allocations of the Company's contributions (if any), Plan earnings, Plan expenses, and forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings, contributions, or gross compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**401(K) PROFIT SHARING PLAN OF PACIFIC CLINICS  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2024**

**1. Description of Plan (continued):**

Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after two years of credited service, or once they reach normal retirement age.

Upon termination of service, a participant with a vested balance in excess of \$5,000 may elect to receive a lump-sum amount equal to the value of his or her account that is vested. If a participant's vested balance does not exceed \$5,000, then only a lump sum distribution is permitted.

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent of their vested account balance. Loans are secured by fifty percent of the participant's vested balance and held as a special investment of the participant's account. General-purpose loans have a maximum term of five years, while loans for the acquisition of a principal residence may have repayment period beyond five years. The interest rate is set at one percent above the prime rate at the time the loan is approved by the Plan's administrative committee. Principal and interest are paid ratably through payroll deductions.

At December 31, 2024 and December 31, 2023, forfeited non-vested accounts totaled \$1,073,829 and \$627,810, respectively. These accounts, at the election of the employer, will be used to reduce future employer contributions and/or pay Plan administrative expenses. During the year ended December 31, 2024, employer contributions were reduced by \$221,982 and administrative fees paid were \$19,224 from forfeited non-vested accounts. Also, during the year ended December 31, 2023, employer contributions were reduced by \$2,556 and administrative fees paid were \$1,113 from forfeited non-vested accounts.

**2. Summary of Significant Accounting Policies:**

The financial statements of the Plan are prepared using the accrual method of accounting.

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Benefits are recorded when paid.

The Plan provides for various investment options as indicated in Note 1. Investment securities are exposed to various risks, such as interest rate, market, and currency fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risk in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and statement of changes in net assets available for plan benefits.

**401(K) PROFIT SHARING PLAN OF PACIFIC CLINICS  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2024**

**3. Investments:**

The Plan's investments are stated at fair value in the accompanying statement of net assets available for benefit. FASB ASC 820-10, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices for identical or similar assets or inputs that are derived principally from or corroborated by observable market data by correlation or other means, and Level 3 inputs have the lowest priority. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or level 2 inputs were not available.

*Level 1 Fair Value Measurements* - The fair value of mutual funds and self-directed brokerage accounts are based on quoted net asset values of the shares held by the Plan at year-end.

*Level 2 Fair Value Measurements* - The fair value of collective trusts is based on the unit price of shares held by the plan year end. Unit price is determined subtracting total Fund liabilities from total Fund assets and dividing the remainder by the number of units outstanding. The Fund's assets are valued at fair market value. The Fund intends to hold only those assets whose fair market value is the contract value of the investment.

*Level 3 Fair Value Measurements* – Level 3 inputs were not used.

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 118,240,200	\$ 0	\$ 0	\$118,240,200

**3. Investments (continued):**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

During the years ended December 31, 2024 and December 31, 2023, the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) in value by \$11,129,724 and \$10,985,651, respectively. This change is as follows:

	<u>NET CHANGE IN FAIR VALUE</u>
