INDEPENDENT AUDITOR'S REPORT

To the Administrators and Participants of the
Good Neighbor Society Employees' 401(K) Plan
Manchester, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Good Neighbor Society Employees' 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Good Neighbor Society Employees' 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Good Neighbor Society Employees' 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Good Neighbor Society Employees' 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Good Neighbor Society Employees' 401(k) Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Good Neighbor Society Employees' 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GOOD NEIGHBOR SOCIETY EMPLOYEES' 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

1. Description of the plan

The following brief description of the Good Neighbor Society Employees' 401(k) Plan (the "Plan"), a defined contribution plan, is provided for general information purposes only. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

The Plan covers any employee of Good Neighbor Society (the "Society", "Employer" or "Plan Sponsor") who is at least twenty-one years of age and has completed 60 days of service. Employees become participants on the first day of each month immediately following meeting the age and service eligibility requirements. The Plan allows participants to designate all or a portion of their elective deferrals as Roth elective deferrals. Roth elective deferrals are accounted for separately in the respective participant's account. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

The Plan is funded by contributions from participants in amounts up to 100% of eligible compensation limited to the maximum amount deductible by employee salary reduction under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan is also funded by discretionary matching and nonelective employer contributions. During 2024 and 2023, the Society elected matching contributions equal to each participant's salary deferral up to 4% of eligible compensation. The Society did not make nonelective employer contributions during 2024 or 2023. Participants may also rollover or transfer amounts representing distributions from other qualified retirement plans.

Participant accounts

Each participant's account is credited with elected employee salary deferrals, an allocation of the Society's contributions, Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant's earnings, account balances, or specific participant transactions, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of the plan, continued

Vesting

Participants are immediately vested in their salary deferral contributions and rollover contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. Participants vest 20% for each year of service, becoming 100% vested after five years of service or upon the participant's death, disability or attainment of normal retirement age, as defined in the Plan Agreement.

Investment options

Upon enrollment in the Plan, participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options at their discretion; changes become effective the next business day.

During 2024 and 2023, Plan management made changes to the Plan's investment options. Any assets invested in the fund removed from the Plan were transferred to the corresponding new fund, unless otherwise directed by the participant. These investment changes were made to achieve better long-term performance and decrease costs.

Forfeited accounts

During 2024 and 2023, forfeited nonvested accounts totaled \$12,641 and \$6,050, respectively. Forfeitures to the extent available may be used to pay Plan expenses and to reduce Society contributions. In addition, forfeitures must be used in the plan year following the year in which account balances were forfeited. During 2024 and 2023, the Society used forfeitures totaling \$-0- and \$484, respectively, to pay administrative expenses and \$12,852 and \$7,447, respectively, to pay Society contributions. As of December 31, 2024 and 2023, there were \$6,375 and \$6,437, respectively, of forfeitures available for future use.

Payment of benefits

Upon termination of service, death, disability, or attainment of normal retirement age, as defined in the Plan Agreement, participants will receive an amount equal to the value of their vested benefit. The Plan provides for lump-sum distributions or installment payments for required distributions. Participants receive automatic lump-sum distributions for accounts with a value of \$1,000 or less and accounts with balances between \$1,000 and \$5,000 are automatically rolled into an individual retirement account.

Plan termination

Although it has not expressed any intent to do so, the Society has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Concentration of investment risk

As of December 31, 2024 and 2023, approximately 52% and 54%, respectively, of the Plan's investments were in one mutual fund family and approximately 27% and 25%, were in one mutual fund, respectively. Each of these individual mutual funds and mutual fund family held in excess of 10% of the Plan's total investments at December 31, 2024 and 2023.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 5 for discussion of fair value measurements.

Purchases and sales of mutual funds are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Income tax status

The Plan is a nonstandardized prototype plan. The Internal Revenue Service ("IRS") has determined and informed the Society by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been restated and amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

2. Summary of significant accounting policies, continued

Subsequent events

Plan management has evaluated subsequent events through August 18, 2025, the date the financial statements were available to be issued.

3. Information prepared and certified by Fidelity Personal Trust Company, FSB (“Fidelity”), party-in-interest

All assets of the Plan were held by Fidelity as of December 31, 2024 and 2023. All transactions during the years ended December 31, 2024 and 2023 were executed under formal custody agreements between the Plan and Fidelity. All securities bought, sold, or exchanged were executed under these agreements. Such financial information has not been audited by independent auditors.

In accordance with the provisions of Section 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, Fidelity has certified the following unaudited financial information to be complete and accurate with respect to the Plan’s assets held by them as of December 31, 2024 and 2023, and the activity for the years then ended:

	<u>2024</u>	<u>2023</u>
Investments at fair value:		
Money market fund	\$ 62,156	\$ 24,087
Mutual funds	4,860,670	4,145,834
Total investments	<u>\$ 4,922,826</u>	<u>\$ 4,169,921</u>
Investment income:		
Net appreciation in fair value of investments	\$ 443,251	\$ 509,568
Interest and dividends	164,222	119,010
Total investment income	<u>\$ 607,473</u>	<u>\$ 628,578</u>

4. Risks and uncertainties

The Plan invests in various investment securities, which in general, are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

5. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

Money market fund: Valued at cost, which approximates fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

5. Fair value measurements, continued

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments as of December 31, 2024 and 2023 are categorized in Level 1 of the fair value hierarchy. The Plan held no investments in Levels 2 or 3 of the fair value hierarchy as of December 31, 2024 and 2023.

The Plan's policy is to recognize transfers between Levels as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no transfers between Levels.

6. Administrative expenses

The Plan pays substantially all administrative expenses. Administrative expenses for investment management fees and recordkeeping services totaling \$43,860 and \$33,709, respectively, were paid by the Plan to Avantax Planning Partners ("Avantax"), a party-in-interest, for the years ended December 31, 2024 and 2023, respectively. Distribution fees are charged directly to the respective participant's account and are included in administrative expenses. Additional administrative fees, including audit fees paid to BGHN Associates P.C., a party-in-interest, are paid by the Plan Sponsor and, therefore, excluded from these financial statements.

7. Related party and party-in-interest transactions

The Society has an agreement with Avantax, a party-in-interest, for recordkeeping, administrative, custodial, investment advisory and transaction processing services for the Plan's investments. Other party-in-interest transactions are described in Notes 3 and 6.
