## Independent Auditor's Report

The Plan Committee  
Employee-Owned Companies, Inc. Employees' Stock Ownership Plan  
Irving, Texas

### *Opinion*

We have audited the financial statements of Employee-Owned Companies, Inc. Employees' Stock Ownership Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits (In Liquidation) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 (In Liquidation), and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan (In Liquidation) as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024 (In Liquidation), in accordance with accounting principles generally accepted in the United States of America (GAAP).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting*

As further discussed in Note 1 to the financial statements, on August 31, 2023, the Board of Directors approved the termination of the Plan effective August 31, 2023. As a result, Plan management determined in 2023 that liquidation was imminent. As a result, the Plan uses the liquidation basis of accounting in presenting the financial statements. Our opinion is not modified with respect to this matter.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedules Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# Employee-Owned Companies, Inc. Employees' Stock Ownership Plan

## Notes to Financial Statements

---

### 1. Description of Plan

The following description of the Employee-Owned Companies, Inc. (the Company) Employees' Stock Ownership Plan (the Plan or ESOP) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### *General*

The Company established the Plan effective as of January 1, 1995. As of January 1, 2014, the Plan was amended and restated, and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986 (IRC), as amended and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is administered by an Employee Benefits Administration Committee (the Committee) appointed by the Company's board of directors. Argent Trust Company (the Trustee) serves as the Plan's trustee and as the custodian bank that holds the stock for the participants.

During 2017, the Plan purchased 5,400 shares of the Company's common stock with a promissory note to the Company for \$10,800,000. As the ESOP debt to the Company was repaid, shares were released and allocated among qualified participants in proportion to their respective amounts of compensation for the Plan year.

Effective September 30, 2021, the Company and the Trustee entered into a Stock Redemption Agreement (Agreement). Pursuant to this Agreement, \$45,603,121 (or 8,941.7885 shares) were redeemed at the closing price of \$5,100 per share. This redemption included \$5,603,121 (or 1098.6512 shares) for terminated vested participants as of the last pay date preceding the transaction and \$40,000,000 in-service distribution for all active participants as of the last pay date preceding the transaction. As part of this redemptions, the ESOP tendered 1,538.4533 shares to satisfy the 2017 internal loan in full (approximately \$7.8 million) with the remaining 2,323.2267 shares allocated to all ESOP participants' accounts who were active as of the last pay date preceding the transaction. Effective as of immediately subsequent to the closing of this transaction: (i) the Plan is frozen; (ii) no Employee may enter the Plan; and (iii) no Employee may first become a Participant or re-enter the Plan.

On August 31, 2023, the Company officially terminated the ESOP. As a result of the termination of the ESOP, all participant accounts which held company stock or other investments were converted to a money market account pending distribution.

As of December 31, 2024 and 2023, the Plan had liquidated 90% of the Plan assets. The remaining assets were distributed subsequent to year end.

#### *Plan Administration*

As of December 31, 2024 and 2023, the Plan's investments consist of a money market fund. Company contributions are held and managed by the Trustee, which invests cash received, interest, and dividend income and makes distributions to participants. The Trustee also administers the payment of trustee and professional fees. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Principal Financial is the Plan's recordkeeper.

## Notes to Financial Statements

---

Employee-Owned Companies, Inc. d/b/a E-O-C, Inc. is the Plan sponsor. Adopting employers of the Plan include Compact Construction Equipment, Inc.; EOC Human Capital, Inc.; and Vermeer Equipment of Texas, Inc.

### ***Eligibility***

Employees of the Company were generally eligible to participate in the Plan on their date of hire. Participants who were not employed on the last working day of a plan year generally were not eligible for an allocation of Company contributions for such year.

### ***Contributions***

Company contributions were determined annually at the discretion of the Company's Board of Directors and could be in the form of cash or in shares of Company common stock. The contributions were allocated among eligible participants of the Plan in the ratio that the total eligible compensation earned by each eligible participant bore to the total of all eligible compensation earned of all eligible participants. The Plan does not permit participant contributions.

In addition, for any year during which the ESOP loan was outstanding, the Company paid over to the Trustee, as contributions to the Plan for that year, no less than the amounts necessary to enable the Trustee to pay any maturing obligations under the outstanding ESOP loan.

### ***Payment of Benefits***

Prior to the termination of the Plan, no distributions from the Plan were made until a participant retires, dies, or becomes disabled (in which case, payment shall be made to their beneficiary or, if none, their legal representatives), or otherwise terminates employment with the Company and its participating subsidiaries. For so long as either the Company is an "S Corporation" for federal income tax purposes or the articles of incorporation or the by-laws of the Company restrict the ownership of substantially all outstanding shares of common stock of the Company to current employees of the Company and to the Trust, then distribution of the balance credited to a Participant's Company Stock Account shall be made in the form of either (a) cash or (b) Company common stock, subject to the requirement that the Company common stock be immediately sold to the Company or back to the Trust at a price equal to its fair market value determined as of the most recent valuation date.

In addition to normal retirement, disability, or death, the Plan provides that participants become eligible for a distribution one year after the plan year in which the participant terminates employment for account balances less than \$5,000, or one year after the close of the fifth plan year in which the participant terminates employment for account balances over \$5,000. As of December 31, 2021, all account balances were 100% vested as a result of the September 30, 2021, transaction (see Note 1).

### ***Participant Accounts***

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account was credited as of the last day of each Plan year with an allocation of shares of the Company's common stock released by the Trustee from the forfeitures of terminated participants' non-vested accounts. Only those participants who were eligible

employees of the Company as of the last day of the Plan year received an allocation. Allocations were based on a participant's eligible compensation, relative to total eligible compensation.

Other income, losses, and expenses earned or incurred on Plan investments are allocated pro rata among the accounts of the participants in proportion to their account balances.

### ***Vesting***

If a participant's employment with the Company ends for any reason other than retirement, permanent disability or death, they are vested in the balances of their account based on total years of service with the Company. Prior to the September 30, 2021 transaction, participants became 100% vested after three years of service.

## **2. Summary of Significant Accounting Policies**

### ***Basis of Accounting***

The 2024 and 2023 financial statements have been prepared under the liquidation basis. This basis was adopted when liquidation was deemed imminent in accordance with Accounting Standards Update (ASU) 2013-07, *Liquidation Basis of Accounting*. Plan management determined that liquidation was imminent upon adoption of the resolution to terminate the Plan on August 31, 2023. Under the liquidation basis of accounting, assets are measured at their net realizable value, estimated by fair value reduced by surrender charges, penalties and redemption charges, and disposal expenses, to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process. Liabilities are measured using the accrual basis of accounting, including any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

### *Benefit Payments*

Benefit payments to participants are recorded when paid.

### **3. Nonparticipant-Directed Investments**

Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

<i>December 31,</i>	<b>2024</b>	<b>2023</b>
<b>Net Assets</b>		
Money market	\$ 10,137,780	\$ 9,711,662
Interest income receivable	38,001	126,717
<b>Total Net Assets</b>	<b>\$ 10,175,781</b>	<b>\$ 9,838,379</b>

### *Year ended December 31, 2024*

---

<b>Change in Net Assets</b>		
Investment income	\$	417,867
Benefits paid to participants		(80,465)
<b>Net Changes</b>	<b>\$</b>	<b>337,402</b>

### **4. Fair Value Measurements**

#### *Basis of Fair Value Measurement*

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC Topic 820, *Fair Value Measurements*, are described as follows:

*Level 1* - This level consists of unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

*Level 2* - This level consists of quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

*Level 3* - This level consists of prices or valuations that required inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

## Notes to Financial Statements

---

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

*Money market fund* - The money market fund is valued daily based on exchange listed price. The money market fund held by the Plan is deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's net assets at fair value:

### ***December 31, 2024***

---

	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Money market	\$ 10,137,780	\$ -	\$ -	\$ 10,137,780
<b>Total Investments, at fair value</b>	<b>\$ 10,137,780</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 10,137,780</b>

### ***December 31, 2023***

	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Money market	\$ 9,711,662	\$ -	\$ -	\$ 9,711,662
<b>Total Investments, at fair value</b>	<b>\$ 9,711,662</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 9,711,662</b>

### 5. Plan Termination

The Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the IRC. Upon termination of the Plan, the Committee shall direct the Trustee to pay all liabilities and expenses of the trust fund.

On August 31, 2023, as described in Note 1, the Company resolved to terminate the Plan effective August 31, 2023.

### 6. Related Party Transactions and Party-in-Interest Transactions

Argent Trust Company is the Trustee as defined by the Plan, BOK Financial is a custodian, and Principal Financial Group provides certain recordkeeping and administrative services to the Plan. These organizations are considered to be parties-in-interest under ERISA.

### 7. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated October 21, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

In connection with the termination of the Plan, the Plan has filed a Form 5300 with IRS for a favorable termination letter.

GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 8. Subsequent Events

The Plan filed an application for termination with the IRS for approval. The Plan received the IRS approval, and the net assets were distributed to participants. Participants chose amongst several options regarding the type of distribution. Participants elected a lump sum payment, individual retirement account rollover, or direct transfer into one of the Company's other plans. The Plan has evaluated the impact of all subsequent events through August 8, 2025, the date the financial statements and supplemental schedules were available to be issued.
