Independent Auditor's Report

W.C. Bradley Co. Retirement Committee
W.C. Bradley 401(K) Savings Plan
Columbus, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of W.C. Bradley 401(K) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COLUMBUS, GEORGIA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1: Description of Plan

The following brief description of the W.C. Bradley 401(K) Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution profit sharing plan sponsored by W. C. Bradley Co. and Subsidiaries (collectively, the “Plan Sponsor”) for its employees, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was originally adopted by W. C. Bradley Co. on January 1, 1989 but has since been amended and restated. The Plan was amended in 2023 to add Dansons US, LLC (“Dansons”) as a participating employer and to add certain plan features pursuant to SECURE 2.0 Act provisions.

The W. C. Bradley Co. Retirement Committee (the “Retirement Committee”), appointed by the Plan Sponsor, has responsibility for administration of the Plan. Empower Annuity Insurance Company and Empower Trust Company (collectively, “Empower”), act as the Plan’s recordkeeper and custodian/trustee, respectively. Empower Trust Company, as a qualified institution, has responsibility for the management, operation and administration of the Trust Fund. A fee is charged for trustee, custodial, and recordkeeping services.

On June 7, 2023, the Plan Sponsor acquired the assets of Dansons. In connection with the acquisition, the Plan Sponsor became the employer of Dansons employees, who were covered under the Plan as of the date of acquisition.

Eligibility - Eligible employees must complete 60 days of service, at which time they are automatically enrolled unless they elect not to participate. There is no age requirement for participation.

Contributions - Participants may elect to contribute, on a pretax basis, 1% to 60% of their compensation up to maximum limits provided under the Internal Revenue Code (“IRC”). The Plan has an auto-escalation feature whereby participant contributions increase by 1% per year until a deferral rate of 6% is reached or the participant declines to escalate. The Plan Sponsor makes a matching contribution equal to 100% of a participant’s deferrals up to 2% of their compensation, and up to 50% of a participant’s deferrals from between 2% and 6% of their compensation. As well, the Plan Sponsor makes a nonelective safe harbor contribution equal to 3% of each participant’s compensation. The Plan Sponsor may also make a discretionary profit sharing contribution. There were no discretionary profit sharing contributions for 2024 or 2023.

 NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1: Description of Plan (Continued)

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the employer's contributions, (b) Plan earnings and (c) forfeitures of nonvested account balances, and is charged with an allocation of investment and administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions and all employer contributions except any discretionary profit sharing contributions, plus actual investment earnings or losses thereon. Vesting in the employer's discretionary profit sharing contribution portion of participant accounts is based on years of credited service as follows:

<u>YEARS OF SERVICE</u>	<u>VESTING %</u>
Less than five years	0%
Five years or more	100%

Forfeitures - Upon a one-year break in service, the nonvested portion of a participant's account will be allocated to all remaining participants in the same manner as profit sharing contributions.

Investment Options - Upon enrollment in the Plan, a participant may direct participant and employer contributions in one percent increments into any of the investment options established by the Retirement Committee. Participants may change their investment options daily.

Notes Receivable from Participants - Participants may borrow, subject to approval by the Retirement Committee, from their own respective account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The term of any loan shall be for a maximum of five years. The loans are secured by 50% of the vested balance in the participant's account and bear a fixed rate of interest equal to prime plus one percent determined by the Retirement Committee (7.5% and 8.5% at December 31, 2024 and 2023, respectively). Principal and interest are paid ratably through bi-monthly payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

W.C. BRADLEY 401(K) SAVINGS PLAN
COLUMBUS, GEORGIA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1: Description of Plan (Continued)

If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Upon termination of employment due to death, disability, or normal retirement age of 65, participants will be entitled to receive a lump-sum or partial distribution of their vested balances. In-service withdrawals of elective deferrals are allowed on attainment of age 59.5. Hardship distributions are allowed on a participant's deferral balance based on the terms of the Plan. Benefits are recorded when paid.

Plan Termination - Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts and the trustee shall dispose of the Plan assets by distribution to participants and beneficiaries.

NOTE 2: Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Valuation of Investments - The Plan's investments are stated at fair value except fully benefit-responsive contracts, which are stated at contract value, as described in Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at a measurement date. See Note 3 for a description of the valuation and methodologies used to determine each investment's respective fair value.

Net appreciation or depreciation of the fair value of investments consists of the unrealized appreciation or depreciation of investments held during the year, as well as the realized gain or loss on sale of investments which represents the difference between net sales proceeds and cost or previous fair value of the investments sold.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

COLUMBUS, GEORGIA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 2: Summary of Significant Accounting Policies (Continued)

Tax Status - The Internal Revenue Service (“IRS”) has determined and informed the Plan Sponsor by a letter dated September 16, 2022, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter, but the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America (“GAAP”) requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS or state taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions within the standard statute of limitation periods; however, there are currently no audits for any tax periods in progress.

Benefit Payments - Benefits are recorded when paid.

Plan Expenses - Significant costs of administering the Plan are absorbed by the Plan Sponsor and are not reflected in these financial statements. These costs include legal, administrative, accounting and trustee fees. Certain investment management fees and administrative expenses are incurred and paid by the Plan. Other investment related expenses are included in net appreciation of the fair value of investments.

Reclassifications - Certain items in the 2023 financial statements have been reclassified in order to be in conformity with the 2024 statement presentation.

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events - The Plan’s Retirement Committee has evaluated all subsequent events that may qualify for disclosure through September 15, 2025, which is the date the financial statements were available to be issued. There were no transactions that are required to be disclosed under the professional guidance.

NOTE 3: Fair Value Measurements

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy according to GAAP are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at net asset value ("NAV") of shares held by the Plan at year end.

Pooled separate accounts: Valued based on the NAV per share of the underlying mutual fund held by the pooled separate accounts, less any applicable charges.

COLUMBUS, GEORGIA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 3: Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s investments at fair value:

	December 31, 2024		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 42,669,415	\$ 0	\$ 42,669,415
Pooled separate accounts	<u>0</u>	<u>45,035,758</u>	<u>45,035,758</u>
Total investments at fair value	<u>\$ 42,669,415</u>	<u>\$ 45,035,758</u>	<u>\$ 87,705,173</u>

Total investments at fair value	<u>\$ 39,134,021</u>	<u>\$ 39,502,231</u>	<u>\$ 78,636,252</u>

NOTE 4: Fully Benefit-Responsive Investment Contracts

The Plan holds an investment in the Empower Guaranteed Income Fund (“GIF”). The GIF is a guaranteed separate account provided under a group annuity contract and is deemed to be fully benefit-responsive. As such, contract value is the relevant measurement attribute for benefits attributable to the GIF because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The GIF is the sole investment presented at contract value on the face of the Statements of Net Assets Available for Benefits. Contract value represents contributions made to the GIF, plus earnings at guaranteed crediting rates less participant withdrawals and administrative fees.

COLUMBUS, GEORGIA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 4: Fully Benefit-Responsive Investment Contracts (Continued)

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or contract value paid over time. There are no events that allow the issuer to terminate the contract and which require the Plan sponsor to settle at an amount different than contract value paid either within 90 days or over time.

Empower bears the risk that the return on the underlying investments will be sufficient to support the guaranteed rate during each guarantee period.

NOTE 5: Information Prepared and Certified by Trustee (Unaudited)

As explained in Note 1, the Plan's funds are maintained by the trustee and custodian, Empower Trust Company. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company:

NOTE 6: Party-In-Interest Transactions

Certain Plan investments are managed by Empower, the recordkeeper, trustee and custodian. Therefore, these transactions qualify as party-in-interest. Fees incurred by the Plan for these services are included in investment and administrative expenses on the Statements of Changes in Net Assets Available for Benefits.

NOTE 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
