FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Northern California Tile Industry
Vacation and Holiday Trust Fund
7180 Koll Center Parkway, Suite 200
Pleasanton, California 94566

Members of the Board:

Opinion

We have audited the accompanying financial statements of Northern California Tile Industry Vacation and Holiday Trust Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including

maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**NORTHERN CALIFORNIA TILE INDUSTRY
VACATION AND HOLIDAY TRUST FUND
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 - DESCRIPTION OF THE PLAN

The Northern California Tile Industry Vacation and Holiday Trust Fund (the "Plan") was established on April 8, 2009, between the International Union of Bricklayers and Allied Craftsmen, B.A.C. Local No. 3 ("Union"), Tile, Terrazzo, Marble and Restoration Contractors Association of Northern California, Inc. ("Signatory Association"), and employer's signatory to the collective bargaining agreement. The purpose of the Plan is to provide vacation benefits to eligible participants covered by the agreement between the Union and employer's signatory to the agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

FOR A FULL DESCRIPTION OF THE PLAN, PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS FOR MORE COMPLETE AND CURRENT INFORMATION.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Employer Contributions

Employer contributions as reported are contributions made by employers on behalf of employees for hours worked during the year. Employer contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for estimated uncollectible accounts.

D. Employer Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of the employers' payroll records. The system of internal control provides for examination of employers' payroll records under a separate payroll compliance program.

E. Tax-Exempt Status

The Plan has received tax-exempt status from the federal government under Internal Revenue Code Section 501(c)(9) and the state of California under Revenue and Taxation Code Section 23701(i). Therefore, no provision for federal or state income tax is made.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

VACATION AND HOLIDAY TRUST FUND
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Plan Termination

The parties to the collective bargaining agreement, acting jointly, shall have the right to discontinue or to terminate this Plan in whole or in part, subject to the applicable collective bargaining agreement. In the event of termination, the assets then remaining in the Plan, after providing for any administrative expenses, shall be applied for the purposes of the Plan, and otherwise allocated among the participants and beneficiaries in the manner determined to be prudent by the Trustees.

G. Concentration of Credit Risk

During the year, the Plan periodically had bank accounts with cash balances in excess of the federally insured limit of \$250,000 per bank. The amount in excess of the limit was subject to risk if the financial institution did not perform. The Plan has not incurred any losses on the uninsured balances.

NOTE 3 - BENEFITS

The Plan provides vacation benefits to participating employees ("participant"). Participants may direct the Plan in writing to transfer pending and future vacation benefits to his or her bank account at the Operating Engineers Federal Credit Union ("Credit Union") by authorizing the account, as required by the Credit Union. Such direction shall continue thereafter until revoked by the participant in writing. All participants not having authorized a Credit Union account may request a distribution of their vacation benefits directly from the Plan at periodic intervals determined by the Board of Trustees.

Unclaimed benefits represent benefits payable to participants who have not set up an account at the Credit Union nor requested their benefit payments from the Plan. These monies remain Plan assets until distributed as benefit payments. Any monies that have been unclaimed for three years shall be forfeited to the Plan and may be used to pay operating expenses of the Plan. As subsequent claim by a participant or beneficiary can be made in accordance with Plan rules.

NOTE 4 - ADMINISTRATIVE CONTRIBUTIONS

During the years ended December 31, 2024 and 2023, \$0.03 per work hour is collected by the Plan to pay operating expenses.

NOTE 5 - RELATED PARTY TRANSACTIONS

The Northern California Tile Industry Health and Welfare Plan ("Health and Welfare Plan") holds the lockbox transit account ("Transit Account") that receives contributions on behalf of the related plans. These contributions are allocated based on each plan's contribution rate and are transferred monthly. Contributions due from the Transit Account at years ended December 31, 2024 and 2023, were \$120,846, and \$106,785, respectively.

NOTE 6 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 18, 2025, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
