Independent Auditor's Report

Plan Administrator and Trustee
Digi-Key Corporation 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Digi-Key Corporation 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Digi-Key Corporation 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Digi-Key Corporation 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Digi-Key Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Digi-Key Corporation 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Digi-Key Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Basis of Presentation

The accompanying financial statements of Digi-Key Corporation 401(k) Profit Sharing Plan (the Plan) have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

2. Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales are recorded on the trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net change in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan presents, in the statement of changes in net assets available for benefits, the net change in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

3. Contributions

Contributions from Plan participants and employer contributions, if any, are recorded in the year in which the participant contributions are withheld from compensation.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed as incurred. For participant loans that become delinquent, are not cured and result in default, the amount of the unpaid principal balance and interest due to the Plan is treated as a deemed distribution to the participant. Deemed distributions are reported as taxable distributions to participants for purposes of reporting in the Form 5500; however, deemed distributions remain classified as notes receivable from participants until a qualifying distributable event occurs for purposes of reporting in conformity with U.S. GAAP.

5. Participant Direction of Investments

Subject to the provisions of the Plan, a participant has the right to direct the investments of the balance in their accounts in the specific investment funds made available by the Plan administrator. At December 31, 2024 and 2023 all investments are participant directed.

6. Payment of Benefits

Benefits are recorded when paid.

7. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B – DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Digi-Key Corporation 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE B – DESCRIPTION OF THE PLAN - CONTINUED

1. General and Eligibility

The Plan is a defined contribution plan. Substantially all full time employees of Digi-Key Corporation (the Employer) are eligible to participate in the Plan after meeting certain requirements. An employee is eligible for participation upon attaining 18 years of age and completion of one month of service. Temporary employees are eligible after completing one year of service and at least 1,000 hours.

An eligible employee may become a participant on the next entrance date, which is the on the first day of the next month of the Plan year coinciding with or following the date eligibility requirements are met.

The Employer is responsible for appointing an administrator and trustee for the Plan. The trustee has discretionary powers in executing investment transactions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The costs of the Plan administration are the responsibility of the Plan.

2. Contributions

The Plan allows participants to contribute up to 100% of annual eligible compensation, as defined by the Plan, subject to limits imposed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. The Plan also contains an automatic enrollment feature whereby the employee will be automatically enrolled in deferrals of 3% of eligible wages on a pre-tax basis, which increases an additional 1% on February 1st annually up to 9%, unless the employee opts out or elects a different deferral percentage.

The Employer makes a matches employee contributions equal to 100% of the first 3% of the employee deferral. The Employer may also make a non-elective profit sharing contribution to the Plan. The non-elective contribution is at the discretion of the Employer. Non-elective contributions are allocated to all participants based on the participant's compensation as compared to the total compensation of all participants. During the year ended December 31, 2024, the Employer made nonelective profit sharing contributions to the Plan of approximately \$9,120,000.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE B – DESCRIPTION OF THE PLAN - CONTINUED

3. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Employer's matching contribution, (b) the Employer's non-elective contribution, and (c) investment income or loss on investments less administrative expenses. Allocations are based on participant compensation or account balances, as defined.

Changes in a participant's deferral percentage for future contributions may be made and reallocation of participant investment accounts among the investment options may be made at any time during the Plan year.

4. Vesting

Participants immediately vest in their employee and the employer's qualified non-elective contributions. Participants vest in all employer matching and non-elective contributions at a rate of 20% after two years of service, with an additional 20% per year being vested thereafter until the employee is 100% vested after six years of service, as defined. If the participant terminates employment at or after attaining normal or early retirement age or in the event of death or termination due to disability, the participant shall be 100% vested. Only whole years of service are calculated for vesting.

5. Payment of Benefits

Upon termination of service due to death, disability, retirement, or termination of the participant's employment, a participant may receive a lump sum distribution equal to the participant's vested account balance. Participants with balances of \$1,000 or less are subject to involuntary lump sum distributions.

6. Notes Receivable from Participants

Loans to participants from a participant's vested balance are permitted up to the lesser of 50 percent of the vested balance or a maximum of \$50,000 for each participant. The minimum note amount is \$1,000. The loans shall bear a reasonable rate of interest, be adequately secured, and have a definite repayment schedule, generally over a period not to exceed five years unless the loan is for the purchase of the employee's primary residence. Loans used for the purchase of the employee's personal residence may be repaid within a period of no more than 15 years. Principal and interest are paid ratably through payroll deductions.

Digi-Key Corporation 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE B – DESCRIPTION OF THE PLAN - CONTINUED

7. Forfeited Accounts

Forfeited non-vested accounts may be used to reduce future discretionary profit sharing contributions. As of December 31, 2024 and 2023, the balance of unapplied forfeitures of non-vested accounts is approximately \$913,000 and \$744,000 respectively. Forfeitures reallocated as discretionary profit sharing contributions are approximately \$693,000 for the year ending December 31, 2024.

8. Risks and Uncertainties

The Plan is comprised of investments in a combination of investment securities. Investment securities are exposed to various risks, such as interest, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY EMPOWER TRUST COMPANY, LLC

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company, LLC, as of December 31:

	2024	2023
Investments, at fair value		
Mutual funds	\$ -	\$ 67,516,313
Common collective trust funds	462,627,813	348,943,302

Investment income	48,120,322	52,838,909
Participant loan interest income	1,419,091	1,055,308

NOTE D – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Digi-Key Corporation 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE D – FAIR VALUE MEASUREMENTS – CONTINUED

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation method used for assets measured at fair value. There have been no changes in the method used at December 31, 2024 and 2023.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end based on quoted market prices.

Common collective trust funds: Valued at the net asset value (NAV) of units held by the Plan at year end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE D – FAIR VALUE MEASUREMENTS - CONTINUED

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

	<u>2024</u>	<u>2023</u>

NOTE E - FEDERAL INCOME TAXES

The Plan has adopted the Nonstandardized Pre-approved Plan sponsored by Empower Trust Company, LLC. Empower Trust Company, LLC obtained its latest advisory letter dated November 14, 2022, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the advisory letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. See Note I for reconciling differences between the financial statements and the Form 5500 as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue and Regulations, Revenue Rulings, court decisions, and other evidence. The federal income tax returns of the Plan are subject to examination by the IRS generally for three years after they were filed.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Empower Trust Company LLC is the trustee of the Plan, holds Plan investments, and executes Plan transactions.

QDRO Consultants is a service provider to the plan who provides guidance around qualified domestic relations orders.

NOTE G - ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees to the trustee. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Employer on behalf of the Plan.

NOTE J – SECURE ACT 2.0

On December 29, 2022, President Biden signed into law the Consolidated Appropriations Act of 2023, which includes the package of retirement provisions referred to as “SECURE Act 2.0”. SECURE Act 2.0 contains over 90 new retirement provisions continuing the reforms that began with the 2019 SECURE Act. These provisions have varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. There is no material impact to the Plan’s 2024 financial statements.
