Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Advocate Aurora Health 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Advocate Aurora Health 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Advocate Aurora Health 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Advocate Aurora Health 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Defined Contribution Investment Committee
Advocate Aurora Health 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Advocate Aurora Health 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advocate Aurora Health 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

2023 Financial Statements

As discussed in Note 10 to the financial statements, the 2023 financial statements were restated to correct for the value of notes receivable from participants.

As part of our audit of the 2024 financial statements, we also audited the adjustments described in Note 10 that were applied to restate the 2023 financial statements. In our opinion, such adjustments are appropriate and have been properly applied.

NOTES TO FINANCIAL STATEMENTS
AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following brief description of the Advocate Aurora Health 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Summary Plan Description or the official Plan document for more complete information.

General

The Plan Sponsor is Advocate Aurora Health, Inc. (the System).

The Plan is a defined contribution plan covering all employees of the System. Employees are eligible to contribute to the Plan upon enrollment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute a portion of their annual eligible compensation, as pre-tax and/or Roth after-tax contributions to the Plan. The aggregate pre-tax and Roth after-tax contribution may not exceed 75% of the participant's eligible compensation.

For each Plan year, each participant who has made pre-tax and/or Roth after-tax contributions will be eligible to receive matching contributions equal to 100% of such participant's pre-tax and Roth after-tax contributions, up to a maximum of 3% of eligible compensation. This matching contribution will be contributed each payroll period. Additionally, if a participant completes 1,000 hours of service during the Plan year and is employed by the System on the last day of the Plan year, they will be eligible to receive an employer nonelective contribution. The nonelective contribution is equal to 3% of the participant's eligible compensation paid to the participant for the Plan year. The 1,000 hours of service and last day of the Plan year employment requirement do not apply if the participant terminates employment during the Plan year after the age of 65 or due to death. Participants who are otherwise eligible to participate in the Plan must complete one year of eligibility service before being eligible to participate in the employer nonelective contribution portion of the Plan. This eligibility requirement only applies to participants who are hired on or after January 1, 2021. Additional discretionary employer contributions may be contributed at the discretion of the System. No discretionary employer contributions were made in 2024.

Unless an employee opts out of automatic enrollment, 2% of the participant's eligible compensation will be contributed to the Plan on a pre-tax basis after 30 days of employment (or as soon as administratively feasible thereafter). This contribution percentage will be increased by 1% each January, beginning with the first January after the participant's one-year anniversary of participation in the Plan, until the percentage reaches 10% or the participant makes an election to opt out of the automatic increase feature.

Funding Policy

Employer and employee contributions are remitted directly to Empower Trust Company, LLC (the Trustee) by the System. Employee contributions and the employer matching contribution are normally

transferred to the Trustee each pay period on the subsequent day of the employees' actual pay day. Nonelective employer contributions are to be made on an annual basis no later than the time for filing the System's federal income tax return (including any extensions) for the taxable year in which such Plan year ends.

Participant Accounts

Each participant's account is credited with the participant's contributions, the employer matching and nonelective contributions, the System's discretionary contribution and an allocation of Plan earnings. The benefit to which a participant is entitled is the participant's vested amount in the Plan.

Vesting

Participants are immediately vested in their contributions, plus the actual earnings thereon. A participant's vested and nonforfeitable interest in the participant's matching contribution account, nonelective contribution account and discretionary contribution account shall be the product of the balance of each such subaccount and the vested percentage determined in accordance with the following table based upon the participant's years of vesting service:

<u>Years of Vesting Service</u>	<u>Vesting Percentage (%)</u>
Less than 3	0
3	100

Participants should refer to the official Plan document for special vesting rules that are applicable to any legacy accounts.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1 up to a maximum equal to the lesser of \$50 (less highest loan balance outstanding during the past 12 months), or 50%, of their total vested account balances in all System-sponsored retirement plans. Loan terms range from one to five years, or up to 10 years for the purchase of a primary residence.

Loans are secured by the balance in the participant's account and bear interest at a rate established by the Plan Administrator in a uniform and nondiscriminatory manner, which shall be commensurate with the prevailing rate charged by persons in the business of making loans under similar circumstances. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Termination of service for any reason allows a participant to elect to receive a distribution of their vested account balance or defer their election to a later date if their balance is greater than \$5. A participant may elect to have their vested balance paid in a single lump sum or installment payments. A participant may also request a partial withdrawal from the vested interest in their account.

Forfeitures

Generally, forfeitures will be used to reduce employer contributions to the Plan for the Plan year, to reinstate the forfeitures of re-employed participants, to fund qualified nonelective contributions or qualified matching contribution to the extent permitted under the Internal Revenue Code (the Code)

and regulations and to reduce Plan administrative expenses for the Plan year or the immediately following Plan year.

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$12,023 and \$8,971, respectively. Forfeitures used to reduce employer contributions during 2024 amounted to \$18,934.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements, accompanying notes and supplemental schedules. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). See Note 3 for the description of valuation methodology.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought, sold and held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the System. Expenses that are paid by the System are excluded from these financial statements.

Subsequent Events

For the year ended December 31, 2024, the System has evaluated subsequent events for potential recognition and disclosure through September 22, 2025, the date the financial statements were available to be issued.

3. INVESTMENTS AND FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value and the assets are categorized based upon whether the inputs used to determine fair values are observable or unobservable. Observable inputs are inputs that are based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumption about pricing the asset or liability, based on the best information available under the circumstances.

The fair value of all assets and liabilities recognized or disclosed at fair value is classified based on the lowest level of significant inputs. Assets and liabilities that are measured at fair value are disclosed and classified in one of three categories. Category inputs are defined as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets on the reporting date.

Level 2 - Inputs other than quoted market prices included in Level 1 that are observable for the asset, either directly or indirectly. If the asset has a specified (contractual) term, a Level 2 input must be observable for substantially the full term of the asset.

Level 3 - Inputs that are unobservable for the asset for which there is little or no market data.

The following section describes the valuation methodologies the Plan uses to measure fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: These are auxiliary brokerage accounts within the plan that give participants more flexibility and options when choosing investments. Assets within these accounts generally employ the same valuation methods that are used for other plan assets measured at fair value. Equities, bonds and mutual funds are all valued based the closing sales price or published NAV on the last day of the plan year.

The Plan opted to use the NAV per share as a practical expedient for fair value of the Plan's interest in the common collective trust funds.

The preceding methods described may produce a fair value calculation that does not indicate net realizable value or reflect future fair values. Furthermore, although the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair values of financial assets that are measured on a recurring basis by the level of significant inputs as of December 31, 2024 and 2023 are as follows:

	December 31, 2024	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments				
Mutual funds	\$ 1,316,458	\$ 1,316,458	\$ —	\$ —
Self-directed brokerage accounts	121,504	121,504	—	—
	<u>1,437,962</u>	<u>\$ 1,437,962</u>	<u>\$ —</u>	<u>\$ —</u>
Investments at NAV				
Common Collective trust funds (a)	<u>8,794,094</u>			
	<u>\$ 10,232,056</u>			
	December 31, 2023	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments				
Mutual funds	\$ 1,215,096	\$ 1,215,096	\$ —	\$ —
Self-directed brokerage accounts	101,919	101,919	—	—
	<u>1,317,015</u>	<u>\$ 1,317,015</u>	<u>\$ —</u>	<u>\$ —</u>
Investments at NAV				
Common Collective trust funds (a)	<u>7,577,243</u>			
	<u>\$ 8,894,258</u>			

(a) This category includes common collective trust funds designed to deliver safety and stability by preserving principal and accumulating earnings. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a one-year redemption notice to liquidate its entire share in the fund.

During the years ended December 31, 2024 and 2023, the Plan did not enter into any non-exempt transactions with parties known to be related or parties-in-interest.

6. TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Plan's trustee by a letter dated November 22, 2021, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by taxing authorities. It is the opinion of the System that the Plan has no uncertain tax positions that would be subject to change upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's tax filings are generally subject to examination for three years after they are filed.

7. PLAN TERMINATION

Although it has not expressed any such intent, the System has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investments that are exposed to several risks, such as interest rate, market risks and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term. The changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying 2024 and 2023 financial statements to Schedule H of Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 10,497,907	\$ 9,135,505
Loans deemed but not distributed	(10,115)	(9,781)
Net assets available for benefits per Form 5500	<u>\$ 10,487,792</u>	<u>\$ 9,125,724</u>

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2024:

Net increase per the financial statements	\$ 1,362,402
Prior year loans deemed but not distributed	9,781
Current year loans deemed but not distributed	(10,115)
Net increase per the Form 5500	<u>\$ 1,362,068</u>

10. RESTATEMENT FOR CORRECTION OF ERRORS

Management determined the presentation of notes receivable from participants net of deemed distributions in the 2023 financial statements was improper based on the Plan generally accepted accounting principles. The correction resulted in an increase in the value of notes receivable from participants of \$9,781 on the accompanying statement of net assets available for benefits as of December 31, 2023.

Management has restated the 2023 financial statements to correct this misstatement.

11. DELINQUENT PARTICIPANT CONTRIBUTIONS

In December 2020, April 2021, June 2021 and December 2021, the Plan had non-exempt prohibited transactions involving delinquent participant contributions. The total amount of these delinquent contributions was \$25,063. These transactions represent transfer to, or use by or for the benefit of a party-in-interest of any income or assets of the Plan, which is prohibited under ERISA rules and regulations. The System computed the lost earnings on these deferrals and subsequently remitted the deferrals to the Plan in 2023.
