Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Continuum Health Alliance LLC Group Medical Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Continuum Health Alliance LLC Group Medical Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Continuum Health Alliance LLC Group Medical Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Continuum Health Alliance LLC Group Medical Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Continuum Health Alliance LLC Group Medical Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Continuum Health Alliance LLC Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**CONTINUUM HEALTH ALLIANCE LLC GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 DESCRIPTION OF PLAN

The following description of Continuum Health Alliance LLC Group Medical Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on June 1, 2022 to provide health and other benefits to eligible full time employees of Continuum Health Alliance, LLC (the Company) and covered dependents. On June 1, 2022, a trust was established to fund the plan and hold payments for health claims. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In general, all employees scheduled to work at least 30 hours per week on a regular basis are eligible to participate.

Contributions

The Company will periodically deliver to the Plan such amounts of money as shall be necessary for timely payment of all health claims, benefit premiums and reasonable administrative expenses.

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections.

Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Benefits

The Plan provides benefits 31 days after the date of hire for full-time employees. The Plan provides health benefits (medical, and prescription drugs) to eligible members and to their beneficiaries and dependents.

Stop Loss Coverage

The Company has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). The premiums are being paid by the Plan.

Self-insured Benefits

All Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and then are reimbursed by either the Plan's VEBA trust or the general assets of the Company. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash consists of cash held by UMB Bank for the years ended December 31, 2024 and 2023.

Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, the trustee, and actuary. These expenses are reported on the statements of changes in net assets available for benefits as Administrative Expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Stop Loss Coverage

Stop loss premiums are recorded when paid. Stop loss reimbursements are not recognized in the financial statements as the Company is the policy holder. Any stop loss reimbursements entitled by the Company contributed to the Plan are recorded as Company contributions in the statement of changes in net assets available for benefits.

Payment of Benefits

Claim payments are recorded when paid by the Plan. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the benefit obligations as disclosed in Note 3. These payments are recorded as claims paid in the accompanying statements of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through October 1, 2025, the date the financial statements were available to be issued.

**CONTINUUM HEALTH ALLIANCE LLC GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 3 BENEFIT OBLIGATIONS

The Plan "self-funds" the majority of the benefits provided to participants but insures life, accidental death and dismemberment, and long-term disability benefits. As of each December 31, there are many self-funded claims that have been incurred on which benefit payments will be made subsequent to that date. The liability for claims payable and claims incurred but not reported (IBNR) was estimated based on claims data provided by the Plan's third party administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment

The following table presents the Plan's benefit obligations as of the year ended December 31, 2024 and 2023 and the changes in the Plan's benefit obligations for the years then ended:

	<u>2024</u>	<u>2023</u>
Plan's Benefit Obligations:		
Claims Payable	\$ 795,927	\$ 221,557
Claims Incurred but not Reported to the Plan for Active Participants	<u>596,408</u>	<u>510,876</u>
	<u>\$ 1,392,335</u>	<u>\$ 732,433</u>
Changes in Plan's Benefit Obligations:		
Claims Payable and Currently Due and Claims Incurred but not Reported to the Plan for Active Participants		
Balance at Beginning of Year	\$ 732,433	\$ 799,986
Claims Reported and Approved for Year	6,243,481	5,570,785
Claims Paid	<u>(5,583,579)</u>	<u>(5,638,338)</u>
Balance at End of Year	<u>\$ 1,392,335</u>	<u>\$ 732,433</u>

The Plan does not offer post-retirement benefits and thus, they are not included in the above calculation.

Certain amounts in the 2023 financial statements have been reclassified to conform with the 2024 presentation. These reclassifications do not affect the Plan's benefit obligations as previously reported.

**CONTINUUM HEALTH ALLIANCE LLC GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 4 TAX STATUS

The trust, established to hold assets of the Plan, has not applied for exemption and therefore is a taxable trust. The Plan did not have any activities that would generate taxable income for the years ended December 31, 2024 or 2023.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the plan, and has concluded as of the year ended December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require changes to these financial statements.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Certain plan functions are outsourced to a third-party. Health benefits are administered by Meritain Health for participants in the Plan and qualify as party-in-interest transactions under ERISA. Fees paid by the Plan to Meritain for administrative expenses accounted to \$199,488 and \$173,056 for the year ended December 31, 2024 and 2023, respectively.

UMB Bank is the custodian as defined by the Plan for the year ended December 31, 2024 and 2023. The custodian qualifies as a party-in-interest. No fees were paid by the Plan for cash management services for the years ended December 31, 2024 and 2023.

NOTE 7 CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the plan to credit risk consist of cash and cash equivalents. The plan maintains an account at UMB Bank as of the year ended December 31, 2024 and 2023 containing cash and cash equivalents. At times, balances may exceed the insurance limits of the Securities Investor Protection Corporation.

**CONTINUUM HEALTH ALLIANCE LLC GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 8 RISKS AND UNCERTAINTIES

The liability for claims payable and claims incurred but not reported (IBNR) was estimated using Plan provisions, the number of eligible participants, and the actual lag patterns of the Plan. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2024</u>	<u>2023</u>
Net Assets Available for Benefits per Financial Statements	\$ 507,044	\$ (14,027)
