INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
IBEW Local 607 Annuity Fund
Shamokin, Pennsylvania

Opinion

We have audited the accompanying financial statements of IBEW Local 607 Annuity Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the Statement of Net Assets Available for Benefits as of December 31, 2024 and 2023, and the related Statement of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of IBEW Local 607 Annuity Fund as of December 31, 2024 and 2023 and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of administrative expenses is presented for purposes of additional analysis and is not a required part of the financial statements. The supplemental schedule of assets held at end of year is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following brief description of IBEW Local 607 Annuity Fund is approved for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution, multiemployer union negotiated profit sharing plan. It covers all eligible employees of participating employers who are covered by collective bargaining agreements. The Plan was established pursuant to an Agreement and Declaration of Trust effective October 1, 1988. The operation and administration of the Plan is the responsibility of the Board of Trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1975 (ERISA).

Contributions

The amount contributed to the Plan for a participant is determined by the collective bargaining agreement covering the individual participant. The Plan is being funded through Pension Trust administered by a Board of Administration consisting of equal representation by the union and employers. All contributions are paid by the employers based on a fixed hourly contribution rate. The collective bargaining agreements require contributions for each hour worked by a member as follows:

September 2024 to August 2025	\$6.31
September 2023 to August 2024	\$6.00
February 2022 to August 2023	\$5.33

Benefits

A participant's accumulated share is payable, subject to certain provisions, upon retirement, disability, termination of covered employment, or death.

The benefit consists of the participant's account balance.

Vesting

A participant is entitled to one hundred percent of the balance in his account at all times.

Participants Accounts

Each participant's account is credited with the employer contributions received on behalf of the participant and is adjusted by income and expense allocations. Income is credited based on the investment returns of the investments chosen by the participant. Allocations are based on participant earnings or account balances, as defined.

Distributions

Distributions will be made to individuals upon one of the following occurrences:

1. The employee reaches the normal retirement age of 60.
2. The employee suffers total disability and separates from the service of an employer because of such total disability.
3. The 5th anniversary of the year in which the employee's commencement of participation in the Plan occurs.
4. The employee terminates covered employment.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting with revenue recognized as earned and expenses as incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported assets and liabilities and changes therein, and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 5 for a discussion of fair value measurements.

The Plan presents in the Statement of Changes in Net Assets the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Employer Receivables

Contributions due and not paid prior to the year end are recorded as contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Contributions - Revenue Recognition

Revenue from employer contributions is determined by hours of work reported by participating employers and the contractual employer contribution rates in effect. Employer contributions are included in revenue during the period in which the work is performed. The accounts receivable represents uncollected contributions for hours worked through December 31.

Reciprocal contributions represent payments received from other annuity plans for work performed by fund participants out of the union's area of operation. Reciprocal payables represent contributions received by participating employers for members of other local unions that are payable to other local benefit plans.

The benefit fund of each local enters a cooperative contracted arrangement to allow the contributions to be transferred to the employee's home benefit fund. The agreement determines the amount of contributions that will be transferred to or from the benefit fund. The participant must sign an authorization to transfer the contributions to the participant's home benefit fund.

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan utilizes various investment instruments which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statement. The Plan's investments are not insured or protected by the Plan's Trustee, the Pension Benefit Guaranty Corporation, or any other governmental agency; accordingly, the Plan is subject to the normal investment risks associated with money market funds, mutual funds, stocks, bonds, and other similar types of investments.

The Fund's cash is placed with high credit quality financial institutions and is subject to credit risk to the extent it exceeds federally insured limits. At December 31, 2024, the Fund had cash of approximately \$85,000 in financial institutions which was subject to credit risk.

Subsequent Events

Management has evaluated events and transactions occurring subsequent to December 31, 2024 for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through, the date these financial statements were available for issue.

3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the pensioners, beneficiaries, and participants. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. In the event of termination, partial termination, or discontinuance of the Plan, each participant and beneficiary shall have a fully vested 100% non-forfeitable interest in his account.

4. TAX STATUS

The Plan obtained its latest determination letter on September 10, 2015 in which the Internal Revenue Service stated that the Plan is designed in accordance with applicable requirements of the Internal Revenue Code. The Plan Administrator and the Plan's tax counsel believe that the

Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

IBEW LOCAL 607

ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

4. TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. An asset's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

The three levels of the fair value hierarchy under ASC 820 are as follows:

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets.
- Level 2: Quoted prices in markets that are not active, or inputs that are observable either directly or indirectly, for substantially the full term of the asset.
- Level 3: Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (i.e. supported with little or no market activity).

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

Mutual Funds: Valued at the daily closing prices as reported by the Plan. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. FAIR VALUE MEASUREMENTS (Continued)

Investment securities measured at fair value on a recurring basis for which the Plan has elected the fair value option, are summarized below as of December 31, 2024 and 2023:

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 37,748,534	\$ -	\$ -	\$ 37,748,534
Total assets in fair value hierarchy	<u>\$ 37,748,534</u>	<u>\$ -</u>	<u>\$ -</u>	37,748,534
Investments measured at net asset value (a)				<u>1,815,903</u>
Investments at fair value				<u>\$ 39,564,437</u>

	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 33,014,268	\$ -	\$ -	\$ 33,014,268
Total assets in fair value hierarchy	<u>\$ 33,014,268</u>	<u>\$ -</u>	<u>\$ -</u>	33,014,268
Investments measured at net asset value (a)				<u>1,780,193</u>
Investments at fair value				<u>\$ 34,794,461</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2024 and 2023 are included in net changes in fair value of investments.

Changes in Fair Value Levels – The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluate the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no significant transfers in or out of levels 1, 2, or 3 for the year ended December 31, 2024 and 2023.

6. INVESTMENTS IN CERTAIN ENTITIES THAT CALCULATE NET ASSET VALUE

Following is a summary of the Plan's commitments and investments in certain entities that calculate net asset value, as of December 31, 2024 and 2023. There are no participant restrictions for this investment; the redemption notice period is applicable only to the Plan.

Investment Type	Fair Value at December 31,		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2024	2023			
Common Collective Trust	\$1,815,903	\$1,780,193	-	Daily	12 Months

7. RELATED PARTY TRANSACTIONS

Certain assets of the Plan are managed by John Hancock Trust Company, LLC, the custodian and trustee, as defined by the Plan. These transactions qualify as party-in-interest transactions.

The Plan is under the control of a Board of Trustees comprised of participating union members and employers and is administered by an independent employee benefit administration and consulting firm. Participant accounts are maintained by John Hancock Trust Company. Administrative expenses are paid by the Plan.

Certain administrative functions are performed by officers and employees of the Union. No such officer or employee receives compensation from the Plan. The Plan pays rent to the Union for storage and meeting space based on a fair market value analysis for the space it occupies.

Fees paid during the year for investment, legal, accounting, consulting and other professional services rendered by parties-in-interest were based on customary and reasonable rates for such services.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

8. PLAN AMENDMENTS AND MODIFICATIONS

The Plan was amended to conform with the applicable provisions of the SECURE Act 2.0.

Effective June 2023, the Plan was amended to allow involuntary distributions of terminated participants with small account balances.
