INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
UAP 401(k) Plan & Trust

Opinion on the 2024 Financial Statements

We have audited the accompanying financial statements of UAP 401(k) Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of UAP 401(k) Plan & Trust as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the UAP 401(k) Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the UAP 401(k) Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT (Continued)**Auditor's Responsibilities for the Audit of the 2024 Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the UAP 401(k) Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the UAP 401(k) Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (Continued)

Other Matters

2024 Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Form 5500 - Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

2023 Financial Statements

The financial statements of the UAP 401(k) Plan & Trust as of December 31, 2023, were audited by other auditors whose report dated August 7, 2024, expressed an unmodified opinion on those financial statements.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the UAP 401(k) Plan & Trust (the Plan) provides only general information. For more complete information, participants should refer to the Plan instrument, a copy of which is on file in the office of the Plan sponsor.

General

The Plan was formed effective January 1, 2002 by United American Payroll, LLC (the Plan Administrator), which is a professional employer organization (PEO). The Administrator and each adopting client-employer of the Administrator (the Employers) have their own adoption agreements to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

The Plan covers all employees, as defined in the Plan, of the adopting employers who have completed the age and service requirements selected by the Employer in the Adoption Agreement. New employers entering the Plan may initially waive the eligibility requirements for employees employed by the Employers as of the date entering the Plan. Participation occurs on the first of any month after completing each employer's age and service requirements.

Funding

Each year participants may contribute up to 98% of pretax annual compensation as defined in the Plan. According to Internal Revenue Service (IRS) rules, the deferral may not exceed \$23,000 in 2024 and \$22,500 in 2023. Participants who have reached at least age 50 may contribute an additional catch-up yearly contribution of \$7,500 during 2024 and \$6,500 during 2023. Eligible participants may also contribute amounts representing distributions from other qualified benefit or contribution plans.

Discretionary employer matching contributions may be made to the Plan. The match, if any, will be a specified percentage of the elective contributions the employee makes to the Plan. The Employers will determine the amount of the discretionary contributions, if any, they will make each Plan year. Employers can also elect to make a 401(k) safe harbor plan design contribution which aids the companies in passing non-discrimination testing required by ERISA.

Discretionary employer non-elective (profit sharing) contributions may also be made to the Plan. Allocation of these contributions to participants will be made in accordance with the formula selected by the Employers as defined in the Plan.

Additionally, the employer may make qualified non-elective contributions for the benefit of such participants determined at the discretion of the Company. In order to share in the allocation of any non-elective contributions, participants are required to be employed by the employer on the last day of the Plan year.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan sponsor's contributions, an allocation of the Plan's earnings or losses, investment fees, and any other administrative expenses paid out of the Plan. Allocations of the Plan's earnings or losses in each investment option and Plan sponsor's contributions are made to the participant's accounts based on the ratio of each participant's current account balance in each investment option to total participant's account balance in the investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participant contributions are 100% vested. Each adopting employer selects among three options for vesting of employer contributions. Under the first option, employer contributions are 20% vested after two years of service, and 20% for each additional year of service. Under the second option, employer contributions are not vested until after three years of service at which time the contributions are 100% vested. The third option is full and immediate vesting, or any accelerated vesting that vests sooner than the first option. Automatic 100% vesting occurs upon attainment of normal retirement age (65), upon retirement due to disability, upon death, and upon termination of the Plan.

To have a year of service for vesting purposes, employees must complete at least 1,000 hours of service during the Plan calendar year. See each respective Employer's adoption agreement for any variations in the time of service requirement.

Investment Options

Participants may direct contributions to any of the investment options offered by the Plan. The investment options include money market funds and various stock and bond funds. The fund values are computed daily by the custodians and reflect changes in the unit values of the investments (see Note 3).

Payment of Benefits

The Plan provides for mandatory distributions to participants no longer employed by the Plan sponsor with vested account balances of less than \$5,000 excluding any rollovers. If the terminated participant's vested balance does not exceed \$1,000, it will be distributed directly to the participant in cash. If the terminated participant's vested balance is \$1,000 or higher, but does not exceed \$5,000, the balance will automatically be transferred to an IRA under the participant's name unless the participant completes an election form providing other instructions for this mandatory distribution.

Upon termination of service due to disability or retirement, participants may withdraw from the account a lump-sum cash distribution of the vested value of their account.

For participants who die before their account balance distribution, their entire balance must be distributed by December 31 of the calendar year containing the fifth anniversary of their death.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Forfeitures

Forfeitures may be used to restore other forfeitures, reduce future employer contributions, reallocate as employer contributions, or to pay Plan expenses. The forfeiture balances available for use were \$5,463 and \$480 as of December 31, 2024 and 2023, respectively. During the year ended December 31, 2024, \$1,894 in forfeitures were used to reduce employer matching contributions.

Notes Receivable from Participants

Participants may borrow from their accounts from \$1,000 up to a maximum of 50% of their vested account balance or \$50,000 minus the highest outstanding balance of loans in the past 12 months, whichever is less. Loan terms would not exceed 5 years unless the loan was for the purchase of a primary residence. The maximum loan term for a primary residence is 15 years. The loans would be secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates provided by local lending institutions. Loans are only available to Plan participants who are active employees of the Plan sponsor or participating employers, therefore, they become payable in full upon termination of employment. Participant loans had an outstanding balance for the years ended December 31, 2024 and 2023 of \$345,193 and \$228,677, respectively, with interest rates ranging between 4.25% and 9.50% and various maturities through 2032.

Termination

Although there is no intent to do so, the Plan document provides for termination of the Plan subject to the provisions of the agreement and ERISA. If the Plan were to be terminated, all account balances would become immediately vested in participants' accounts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (see Note 4 for discussion of fair value measurements).

UAP 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Credit Risk

Financial instruments, which potentially expose the Plan to concentrations of credit risks, as defined by GAAP, consist primarily of contributions receivable and investments. The Plan invests in mutual funds which, inherent in the fair market value determination, include the risk factor of credit worthiness for each individual debt security.

NOTE 3. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value, expands disclosures about fair value measurements, and establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair value summarized as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methods used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 3. FAIR VALUE MEASUREMENTS (Continued)

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 11,887,131</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,887,131</u>

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 10,508,113</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,508,113</u>

NOTE 4. RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

Slavic Integrated Administration, Inc. (SIA), the Plan's third-party administrator receives fees for recordkeeping services along with participant account administrative and asset fees. The total fees paid by the Plan for the year ended December 31, 2024 was \$96,616.

Slavic Mutual Funds Management Corporation (SMF), which is owned by the stockholders of SIA, is the investment advisor to the Plan. Participants, if they elect this service, are charged a quarterly advisor fee. The total fee paid by the Plan for the year ended December 31, 2024 was \$21,168.

The party-in-interest transactions above are exempt from prohibited transaction rules of ERISA.

NOTE 5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 6. TAX STATUS

The Plan is exempt from Federal income taxes under Internal Revenue Code (IRC) and, therefore, no provision for Federal income taxes has been made. In addition, the Plan is required to operate in conformity with the IRC to maintain the tax-exempt status. The master prototype plan from which the Plan was drafted received a favorable determination from the Internal Revenue Service on June 30, 2020. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed to operate and is currently being operated in compliance with all applicable provisions of the Internal Revenue Code. Therefore, management believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

UAP 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 6. TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. Management believes that the Plan is no longer subject to such audits for tax periods prior to 2021.

NOTE 7. SUBSEQUENT EVENTS

Management has evaluated subsequent events for the Plan through October 2, 2025, the date the financial statements were available to be issued.
