INDEPENDENT AUDITOR'S REPORT

To the Administrator and Trustee of
Lee & Mason Financial Services, Inc. 401(k) Plan
Northville, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lee & Mason Financial Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in investments footnote to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT
(continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT

(continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LEE & MASON FINANCIAL SERVICES, INC. 401(k) PLAN

Notes to Financial Statements
December 31, 2024 and 2023

DESCRIPTION OF PLAN

The following description of the Lee & Mason Financial Services, Inc. 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Lee & Mason Financial Services, Inc., the "Company", who are age twenty-one or older and are employed by the Company on the last day of the Plan year. There is no service requirement for employee 401(k) deferral contributions, but there is a requirement of one year of service, that is greater than 1,000 hours of service, for employer safe harbor and discretionary contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to a statutory limit of \$23,000 of pretax annual compensation in 2024 and \$22,500 of pretax annual compensation in 2023. Participants who have attained the age of 50 before the end of the Plan years are eligible to make additional catch-up contributions of up to \$7,500 for 2024 and 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Internal Revenue Code contains limitations on the amount of contributions which can be made to the Plan by and on behalf of a participant. Specifically, there are limitations on contributions made on behalf of highly compensated employees to ensure that no prohibited discrimination takes place under the code.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 29 mutual funds and cash equivalent funds as investment options for participants. The Company is required under the plan agreement to make annual safe harbor nonelective contributions of 3% of participants' base compensation. The Company may also make an additional discretionary contribution at the option of the Company's board of directors. Both of these contributions, if made, are invested in a portfolio of investments as directed by each participant.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's safe harbor and discretionary contributions and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and company safe harbor contributions plus actual earnings thereon. For discretionary employer contributions and earnings, participants are vested according to a six-year vesting schedule.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates equal to regional bank rates for similar loans. Principal and interest are paid ratably through payroll deductions. The maximum term of the loan is 5 years.

See independent auditor's report.

DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants (continued)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is reported on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses had been recorded as of December 31, 2024 and 2023. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

On termination of service, as defined, or upon attaining age 59 ½ while still employed (in-service), a participant may elect to distribute an amount equal to the value of the participant's vested interest in their account as a lump-sum payment or rollover payment into another qualified plan or account, or annual installments over a ten-year period.

A participant may also withdraw money from their account in the event of financial hardship. Hardship withdrawals may not exceed the amount of the participant's cumulative deferral and the participant may not make additional deferrals for a period of six months after the date of the withdrawal.

A participant with an account balance less than \$1,000 must take a lump-sum payment as soon as practicable following termination. A participant with an account balance less than \$5,000 but greater than or equal to \$1,000 will receive a rollover payment into an individual retirement account unless the participant otherwise instructs the administrator and receives a lump-sum payment as soon as practicable following termination.

Forfeited Accounts

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$-0-. These accounts are used to reduce future employer contributions, and when applicable, are included with the Federated Government Obligations Fund balances for 2024 and 2023 in the schedule of assets (held at end of year) accompanying the respective Forms 5500. Employer contributions were reduced by \$9,453 in 2024 and \$4,226 in 2023 from forfeited non-vested accounts.

SECURE 2.0 Act

On December 29, 2024, the SECURE 2.0 Act was signed into law. It includes mandatory and optional provisions impacting defined contribution plans. Key provisions that may affect plan participants in the future include increasing the age for Required Minimum Distributions (RMDs), long-term part-time employee (LTPTE) eligibility, and self-certification for hardship distributions. Applicable provisions outlined in the SECURE 2.0 Act will be adopted if elected and/or required.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

See independent auditor's report.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting, except for payments of benefits, which are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at the quoted net asset values, or closing market prices, of the shares held by the Plan at year-end. This is known as Level 1 fair value measurement. Participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Employer, and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Presentation of Financial Statements

The financial statements for December 31, 2023 have been presented in conformity with the December 31, 2024 format.

Subsequent Events

Subsequent events were evaluated through September 30, 2025, the date the financial statements were available to be issued. No subsequent events have been recognized or disclosed.

FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

The Plan's investments in mutual funds are valued utilizing Level 1 inputs.

- Level 2 inputs consist of than quoted priced included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as quoted prices for similar assets or liabilities

See independent auditor's report.

FAIR VALUE MEASUREMENTS (continued)

in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

The Plan currently has no assets using Level 2 inputs.

- Level 3 valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

The Plan currently has no assets using Level 3 inputs.

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

The fair value measurements and levels within the fair value hierarchy of those measurements for the assets reported at fair value on a recurring basis at December 31, 2024 and 2023 are as follows:

LEE & MASON FINANCIAL SERVICES, INC. 401(k) PLAN

Notes to Financial Statements
December 31, 2024 and 2023

INVESTMENTS

Investments that represent 5% or more of the Plan's net assets at December 31, 2024 and 2023 consisted of the following:

	<u>2024</u>	<u>2023</u>
T Rowe Price Capital Appreciation Fund	\$ 1,509,506	\$ 1,281,161
Vanguard Target Retirement 2035 Fund	3,449,525	2,875,365
Vanguard Target Retirement 2045 Fund	less than 5%	1,421,710
Vanguard Target Retirement 2050 Fund	2,014,948	1,641,032
Vanguard Short Term Bond Index Fund	1,584,561	less than 5%
Charles Schwab Bank PCRA Brokerage Account	6,488,773	6,765,126

The Plan's investments in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value \$1,541,708 and \$2,066,762 during 2024 and 2023, respectively.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

TAX STATUS

The Internal Revenue Service has determined and informed the prototype sponsor by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

See independent auditor's report.
