Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **HOLYFIELD & THOMAS LLC**

(2) EIN: **65-1083521**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year?..... ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
MAG 401(k) Plan
West Palm Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of MAG 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MAG 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MAG 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MAG 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MAG 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MAG 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the MAG 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

- a) *General* – The Plan is a defined contribution plan covering all employees of Myers Auto Group, LLC and its related companies (collectively the "Plan Sponsor" or "Company"), except members of a collective bargaining unit, non-resident aliens, and leased employees, who have at least 60 days of service to the Company, and have attained the age of twenty-one. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed on May 1, 2018, and most recently amended effective January 1, 2022, to provide for a Safe Harbor Employer Match.
- b) *Plan Administration* – The Plan is administered by employees of the Company and by Definiti, LLC, a third-party administrator (TPA). The Plan's trustees are an officer and an employee of the Company. As of December 31, 2024 and 2023, the custodian and party which directs the custody and management of the Plan's assets is Delaware Charter Guarantee & Trust Company, conducting business as Principal Trust Company (Principal).
- c) *Contributions* – Each year participants may contribute up to 100% of pretax annual compensation, as defined in the Plan and as subject to limitations defined by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. The Plan also allows participants to contribute post-tax Roth contributions. Effective January 1, 2022, the Company adopted a Safe Harbor Match Contribution which for 2024 is equal to 100% of salary deferrals that do not exceed 3% of participant's compensation, plus 50% of salary deferrals between 3% and 5%. For the purpose of calculating the Safe Harbor matching contributions, participants' compensation and deferrals will be determined on a per pay period basis.
- d) *Participant Accounts* – Each participant's account is credited with the participant's contribution, the employer's matching contribution, and Plan earnings, which are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon the eligible participant's relative compensation.
- e) *Vesting* – Participants are immediately vested in their salary deferral contributions and rollovers, and Safe Harbor contributions, plus actual earnings thereon. Vesting in the Company's discretionary contributions, if any, is based on years of credited service. A participant becomes 100% vested in such contributions after 6 years of credited service or immediately upon death or disability.
- f) *Administrative Expenses* – The Plan's custodian fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan. All other expenses of the Plan are paid by the Company.

1. Description of Plan, continued

- g) *Investment Options* – Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options offered in the Principal program and determined by the Plan Administrator. Participants may change their investment options via phone or internet access to Principal at any time.
- h) *Participant Notes Receivable* – This Plan does not permit loans to Participants.
- i) *Payments of Benefits* – Upon retirement, disability, death, or termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period not to exceed the participant's life expectancy. In-service distributions are permitted for employees attaining age 59 ½. Hardship distributions are also permitted from all accounts that are fully vested.
- j) *Forfeited Accounts* – Forfeitures on non-vested accounts may be used to reduce future employer contributions or to pay administrative expenses. Total forfeitures available as of December 31, 2024 and 2023 amounted to \$0. During the year ended December 31, 2024, there were no forfeitures incurred and applied to employer contributions.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

- a) *Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting.
- b) *Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c) *Valuation of Investments and Income Recognition* – Investments in registered investment companies (i.e., mutual funds, mutual funds held in common collective trust, and mutual funds held in pooled separate account) are reported at fair value as determined from quoted market prices, if available, of a national securities exchange on the last business day of the year. Investment options that do not have readily available market quotations are valued according to quotations from the custodian. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.
- d) *Payment of Benefits* – Benefits are recorded when paid.

2. Summary of Significant Accounting Policies, continued

- e) *Plan Risk and Uncertainties* – The Plan and the Plan assets are sensitive to economic pressures prevalent in the investment market. The pressures primarily stem from interest rates, market and credit risk and their effect on bond rates, mortgage rates, the value of real estate, stock prices, and the overall stability of the market. Certain Plan investments are units of mutual funds managed by the custodian. Change in the custodian's management may affect operating results of the funds adversely. Additionally, the financial position of the Plan Sponsors, Myers Auto Group, LLC and its related companies, may have a significant impact on the Plan. Specifically, these conditions include the ability of the Plan Sponsor to make discretionary contributions to the Plan and/or the stability of the Plan Sponsor's operations. Other external factors which may affect the Plan, and the Plan assets include legislation or regulations established by the Internal Revenue Service, ERISA, and/or Department of Labor (DOL).

3. Fair Value Measurements

Financial Accounting Standard Board Accounting Standards Codification (FASB ASC) 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. **Fair Value Measurements, continued**

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following descriptions provide the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

- a) *Mutual funds, including those held in common collective trust (CCT) and pooled separate accounts (PSA)* – Valued at quoted market prices of a national security exchange on the last business day of the year, of units held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

	<u>\$ 14,056,114</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,056,114</u>

4. **Information Certified by the Plan's Custodian**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly the custodian, Principal Trust Company, has certified as of December 31, 2024 and 2023, that the data included in the accompanying financial statements and supplemental schedule is complete and accurate. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Information Certified by the Plan's Custodian, continued

The following information was prepared and certified as complete and accurate by the custodian:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	<u>\$17,856,349</u>	<u>\$14,056,114</u>
Net appreciation in fair value of investments	<u>\$ 1,845,832</u>	
Dividends and interest	<u>\$ 261,698</u>	

5. Related Party Transactions

Certain plan investments include units of common collective trust and pooled separate accounts managed by Principal. Principal is the investment manager and custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. However, they are not considered prohibited transactions in accordance with appropriate ERISA exceptions.

6. Tax Status

The Plan is utilizing a Non-Standardized Pre-Approved Profit Sharing Plan document (Profit Sharing Plan) provided by its TPA, Definiti, LLC. The Plan reflects the implementation of the recent legislative changes in the regulations governing qualified tax-deferred arrangements via the IRS's Cycle 3 restatement. The restated Profit Sharing Plan received an opinion letter from the Internal Revenue Service dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although the Company intends the Plan to be permanent and continuing, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and accrued benefits, to the extent funded or required to be funded, must be distributed to the participants.

8. Subsequent Events

The Plan management has evaluated subsequent events through October 6, 2025, the date on which the financial statements were available to be issued, and determined no additional disclosures were required to be presented in these financial statements.

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: HOLYFIELD & THOMAS LLC

(2) EIN: 65-1083521

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500,000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
MAG 401(k) Plan
West Palm Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of MAG 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MAG 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MAG 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MAG 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MAG 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MAG 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the MAG 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

- a) *General* – The Plan is a defined contribution plan covering all employees of Myers Auto Group, LLC and its related companies (collectively the “Plan Sponsor” or “Company”), except members of a collective bargaining unit, non-resident aliens, and leased employees, who have at least 60 days of service to the Company, and have attained the age of twenty-one. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed on May 1, 2018, and most recently amended effective January 1, 2022, to provide for a Safe Harbor Employer Match.
- b) *Plan Administration* – The Plan is administered by employees of the Company and by Definiti, LLC, a third-party administrator (TPA). The Plan’s trustees are an officer and an employee of the Company. As of December 31, 2024 and 2023, the custodian and party which directs the custody and management of the Plan’s assets is Delaware Charter Guarantee & Trust Company, conducting business as Principal Trust Company (Principal).
- c) *Contributions* – Each year participants may contribute up to 100% of pretax annual compensation, as defined in the Plan and as subject to limitations defined by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. The Plan also allows participants to contribute post-tax Roth contributions. Effective January 1, 2022, the Company adopted a Safe Harbor Match Contribution which for 2024 is equal to 100% of salary deferrals that do not exceed 3% of participant’s compensation, plus 50% of salary deferrals between 3% and 5%. For the purpose of calculating the Safe Harbor matching contributions, participants’ compensation and deferrals will be determined on a per pay period basis.
- d) *Participant Accounts* – Each participant’s account is credited with the participant’s contribution, the employer’s matching contribution, and Plan earnings, which are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon the eligible participant’s relative compensation.
- e) *Vesting* – Participants are immediately vested in their salary deferral contributions and rollovers, and Safe Harbor contributions, plus actual earnings thereon. Vesting in the Company’s discretionary contributions, if any, is based on years of credited service. A participant becomes 100% vested in such contributions after 6 years of credited service or immediately upon death or disability.
- f) *Administrative Expenses* – The Plan’s custodian fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan. All other expenses of the Plan are paid by the Company.

1. Description of Plan, continued

- g) *Investment Options* – Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options offered in the Principal program and determined by the Plan Administrator. Participants may change their investment options via phone or internet access to Principal at any time.
- h) *Participant Notes Receivable* – This Plan does not permit loans to Participants.
- i) *Payments of Benefits* – Upon retirement, disability, death, or termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period not to exceed the participant's life expectancy. In-service distributions are permitted for employees attaining age 59 ½. Hardship distributions are also permitted from all accounts that are fully vested.
- j) *Forfeited Accounts* – Forfeitures on non-vested accounts may be used to reduce future employer contributions or to pay administrative expenses. Total forfeitures available as of December 31, 2024 and 2023 amounted to \$0. During the year ended December 31, 2024, there were no forfeitures incurred and applied to employer contributions.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

- a) *Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting.
- b) *Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c) *Valuation of Investments and Income Recognition* – Investments in registered investment companies (i.e., mutual funds, mutual funds held in common collective trust, and mutual funds held in pooled separate account) are reported at fair value as determined from quoted market prices, if available, of a national securities exchange on the last business day of the year. Investment options that do not have readily available market quotations are valued according to quotations from the custodian. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.
- d) *Payment of Benefits* – Benefits are recorded when paid.

2. Summary of Significant Accounting Policies, continued

- e) *Plan Risk and Uncertainties* – The Plan and the Plan assets are sensitive to economic pressures prevalent in the investment market. The pressures primarily stem from interest rates, market and credit risk and their effect on bond rates, mortgage rates, the value of real estate, stock prices, and the overall stability of the market. Certain Plan investments are units of mutual funds managed by the custodian. Change in the custodian's management may affect operating results of the funds adversely. Additionally, the financial position of the Plan Sponsors, Myers Auto Group, LLC and its related companies, may have a significant impact on the Plan. Specifically, these conditions include the ability of the Plan Sponsor to make discretionary contributions to the Plan and/or the stability of the Plan Sponsor's operations. Other external factors which may affect the Plan, and the Plan assets include legislation or regulations established by the Internal Revenue Service, ERISA, and/or Department of Labor (DOL).

3. Fair Value Measurements

Financial Accounting Standard Board Accounting Standards Codification (FASB ASC) 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. Fair Value Measurements, continued

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following descriptions provide the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

- a) *Mutual funds, including those held in common collective trust (CCT) and pooled separate accounts (PSA)* – Valued at quoted market prices of a national security exchange on the last business day of the year, of units held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

4. Information Certified by the Plan's Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly the custodian, Principal Trust Company, has certified as of December 31, 2024 and 2023, that the data included in the accompanying financial statements and supplemental schedule is complete and accurate. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Information Certified by the Plan's Custodian, continued

The following information was prepared and certified as complete and accurate by the custodian:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	<u>\$17,856,349</u>	<u>\$14,056,114</u>
Net appreciation in fair value of investments	<u>\$ 1,845,832</u>	
Dividends and interest	<u>\$ 261,698</u>	

5. Related Party Transactions

Certain plan investments include units of common collective trust and pooled separate accounts managed by Principal. Principal is the investment manager and custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. However, they are not considered prohibited transactions in accordance with appropriate ERISA exceptions.

6. Tax Status

The Plan is utilizing a Non-Standardized Pre-Approved Profit Sharing Plan document (Profit Sharing Plan) provided by its TPA, Definiti, LLC. The Plan reflects the implementation of the recent legislative changes in the regulations governing qualified tax-deferred arrangements via the IRS's Cycle 3 restatement. The restated Profit Sharing Plan received an opinion letter from the Internal Revenue Service dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although the Company intends the Plan to be permanent and continuing, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and accrued benefits, to the extent funded or required to be funded, must be distributed to the participants.

8. **Subsequent Events**

The Plan management has evaluated subsequent events through October 6, 2025, the date on which the financial statements were available to be issued, and determined no additional disclosures were required to be presented in these financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
MAG 401(k) Plan
West Palm Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of MAG 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MAG 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MAG 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MAG 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MAG 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MAG 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the MAG 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

- a) *General* – The Plan is a defined contribution plan covering all employees of Myers Auto Group, LLC and its related companies (collectively the "Plan Sponsor" or "Company"), except members of a collective bargaining unit, non-resident aliens, and leased employees, who have at least 60 days of service to the Company, and have attained the age of twenty-one. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed on May 1, 2018, and most recently amended effective January 1, 2022, to provide for a Safe Harbor Employer Match.
- b) *Plan Administration* – The Plan is administered by employees of the Company and by Definiti, LLC, a third-party administrator (TPA). The Plan's trustees are an officer and an employee of the Company. As of December 31, 2024 and 2023, the custodian and party which directs the custody and management of the Plan's assets is Delaware Charter Guarantee & Trust Company, conducting business as Principal Trust Company (Principal).
- c) *Contributions* – Each year participants may contribute up to 100% of pretax annual compensation, as defined in the Plan and as subject to limitations defined by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. The Plan also allows participants to contribute post-tax Roth contributions. Effective January 1, 2022, the Company adopted a Safe Harbor Match Contribution which for 2024 is equal to 100% of salary deferrals that do not exceed 3% of participant's compensation, plus 50% of salary deferrals between 3% and 5%. For the purpose of calculating the Safe Harbor matching contributions, participants' compensation and deferrals will be determined on a per pay period basis.
- d) *Participant Accounts* – Each participant's account is credited with the participant's contribution, the employer's matching contribution, and Plan earnings, which are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon the eligible participant's relative compensation.
- e) *Vesting* – Participants are immediately vested in their salary deferral contributions and rollovers, and Safe Harbor contributions, plus actual earnings thereon. Vesting in the Company's discretionary contributions, if any, is based on years of credited service. A participant becomes 100% vested in such contributions after 6 years of credited service or immediately upon death or disability.
- f) *Administrative Expenses* – The Plan's custodian fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan. All other expenses of the Plan are paid by the Company.

1. **Description of Plan, continued**

- g) *Investment Options* – Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options offered in the Principal program and determined by the Plan Administrator. Participants may change their investment options via phone or internet access to Principal at any time.
- h) *Participant Notes Receivable* – This Plan does not permit loans to Participants.
- i) *Payments of Benefits* – Upon retirement, disability, death, or termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period not to exceed the participant's life expectancy. In-service distributions are permitted for employees attaining age 59 ½. Hardship distributions are also permitted from all accounts that are fully vested.
- j) *Forfeited Accounts* – Forfeitures on non-vested accounts may be used to reduce future employer contributions or to pay administrative expenses. Total forfeitures available as of December 31, 2024 and 2023 amounted to \$0. During the year ended December 31, 2024, there were no forfeitures incurred and applied to employer contributions.

2. **Summary of Significant Accounting Policies**

The following are the significant accounting policies followed by the Plan:

- a) *Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting.
- b) *Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c) *Valuation of Investments and Income Recognition* – Investments in registered investment companies (i.e., mutual funds, mutual funds held in common collective trust, and mutual funds held in pooled separate account) are reported at fair value as determined from quoted market prices, if available, of a national securities exchange on the last business day of the year. Investment options that do not have readily available market quotations are valued according to quotations from the custodian. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.
- d) *Payment of Benefits* – Benefits are recorded when paid.

2. Summary of Significant Accounting Policies, continued

- e) *Plan Risk and Uncertainties* – The Plan and the Plan assets are sensitive to economic pressures prevalent in the investment market. The pressures primarily stem from interest rates, market and credit risk and their effect on bond rates, mortgage rates, the value of real estate, stock prices, and the overall stability of the market. Certain Plan investments are units of mutual funds managed by the custodian. Change in the custodian's management may affect operating results of the funds adversely. Additionally, the financial position of the Plan Sponsors, Myers Auto Group, LLC and its related companies, may have a significant impact on the Plan. Specifically, these conditions include the ability of the Plan Sponsor to make discretionary contributions to the Plan and/or the stability of the Plan Sponsor's operations. Other external factors which may affect the Plan, and the Plan assets include legislation or regulations established by the Internal Revenue Service, ERISA, and/or Department of Labor (DOL).

3. Fair Value Measurements

Financial Accounting Standard Board Accounting Standards Codification (FASB ASC) 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. **Fair Value Measurements, continued**

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following descriptions provide the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

- a) *Mutual funds, including those held in common collective trust (CCT) and pooled separate accounts (PSA)* – Valued at quoted market prices of a national security exchange on the last business day of the year, of units held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

	<u>\$ 14,056,114</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,056,114</u>

4. **Information Certified by the Plan's Custodian**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly the custodian, Principal Trust Company, has certified as of December 31, 2024 and 2023, that the data included in the accompanying financial statements and supplemental schedule is complete and accurate. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Information Certified by the Plan's Custodian, continued

The following information was prepared and certified as complete and accurate by the custodian:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	<u>\$17,856,349</u>	<u>\$14,056,114</u>
Net appreciation in fair value of investments	<u>\$ 1,845,832</u>	
Dividends and interest	<u>\$ 261,698</u>	

5. Related Party Transactions

Certain plan investments include units of common collective trust and pooled separate accounts managed by Principal. Principal is the investment manager and custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. However, they are not considered prohibited transactions in accordance with appropriate ERISA exceptions.

6. Tax Status

The Plan is utilizing a Non-Standardized Pre-Approved Profit Sharing Plan document (Profit Sharing Plan) provided by its TPA, Definiti, LLC. The Plan reflects the implementation of the recent legislative changes in the regulations governing qualified tax-deferred arrangements via the IRS's Cycle 3 restatement. The restated Profit Sharing Plan received an opinion letter from the Internal Revenue Service dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although the Company intends the Plan to be permanent and continuing, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and accrued benefits, to the extent funded or required to be funded, must be distributed to the participants.

8. Subsequent Events

The Plan management has evaluated subsequent events through October 6, 2025, the date on which the financial statements were available to be issued, and determined no additional disclosures were required to be presented in these financial statements.
