REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees
GameStop, Corp. Employees' Savings Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of GameStop, Corp. Employees' Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedules required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2024 and delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GameStop, Corp. Employees' Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 1 - PLAN DESCRIPTION

The description provided here for the GameStop, Corp. Employees' Savings Plan (the "Plan") is intended as a general summary. For a detailed explanation of the Plan's provisions, participants should refer to the Plan agreement.

General

The Plan is a defined contribution plan offered to eligible employees of GameStop Corp. (referred to as the "Company" or "Employer"). The Company acts as both the sponsor and administrator of the Plan. The Plan is governed by the Employee Retirement Income Security Act of 1974, as amended (ERISA). Certain members of the Company's management team are responsible for overseeing the Plan's administration. The Plan is administered by the 401(k) Investment Committee appointed by the management of the Company. The Plan's assets are held and managed by Principal Life Insurance Company (the "Custodian" or "Recordkeeper") and Principal Trust Company (the "Trustee"), collectively referred to as "Principal".

Eligibility and Contributions

Prior to January 1, 2024, eligibility to participate required that an employee be at least 21 years old, have completed a minimum of 60 days of service, and be either a full-time or part-time employee who had worked at least 1,000 hours during the plan year. Beginning January 1, 2024, eligibility to participate required that an employee be at least 21 years old, have completed a minimum of 60 days of service, and be either a full-time or part-time employee who have accumulated 500 hours of service during a three-year period.

Each year, participants may contribute up to 60% of their eligible annual compensation, excluding fringe benefits, bonuses, and stock options, subject to certain limitations, as defined in the Plan. Contributions can be made as either pre-tax contributions (which are taxable upon withdrawal, along with any earnings) or after-tax Roth contributions (which are intended to be tax-free, including any associated earnings, upon withdrawal). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

Prior to 2024, the Company provided a matching contribution of 100% on the first 3% of the participant's eligible compensation and 50% of the next 2% of the participant's eligible compensation, based on the participant's contributions, as outlined in the plan document effective August 5, 2022. Effective January 1, 2024, the Plan was amended to remove this match.

Participants direct the investment of their contributions into the various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with both their own and the Company's contributions, as well as a share of the net earnings or losses of the Plan. Administrative expenses incurred by the Plan are allocated to participant accounts based on earnings, account balances, or specific transactions. Participants have the ability to direct the investment of their account balances among the various options provided by the Plan. The benefit participants are entitled to receive is the vested portion of their account balance.

Vesting

Participants are immediately vested in their contributions plus actual earnings, and rollover contributions thereon.

GameStop, Corp. Employees' Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

Forfeited Accounts

A participant's non-vested account will be forfeited on the earlier of the following dates: (a) the date the Recordkeeper is notified of the participant's death (if prior to such date he has had a severance from employment), or (b) the participant's forfeiture date, which is defined as the date on which the participant incurs five consecutive vesting breaks. The balance in the forfeiture account as of December 31, 2024 and 2023 was \$79,641 and \$78,043, respectively. These accounts will be used either to reduce expenses related to administration of the Plan or towards future Company contributions. The Plan used \$131 to reduce administrative expenses during 2024, and \$265 of forfeitures to reduce Company matching contributions accrued for the year ended December 31, 2023.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Notes Receivable from Participants

The Plan document includes provisions authorizing loans from the Plan to active eligible participants. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or the greater of 50% of their vested account balance or \$10,000. A participant may have only one loan outstanding at any time and the loans are made for terms not to exceed five years, unless for the purchase of a principal residence. The interest rate for loans is the prime rate as reported by the Wall Street Journal on the last business day of the month preceding the month in which the participant applies for the loan plus 2%. Principal and interest are paid ratably through payroll deductions. Maturity of these loans is through 2034.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results may vary from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional details on fair value measurements, see Note 4.

Interest income is recorded on an accrual basis as it is earned. Dividend income is recognized on the ex-dividend date. Transactions related to the purchase and sale of investments are recorded on the trade date. Net appreciation (or depreciation) in the fair value of investments reflects the Plan's gains and losses on investments that are bought, sold, or held during the year.

GameStop, Corp. Employees' Savings Plan
NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2024 and 2023

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Any delinquent notes receivable from participants are recorded as distributions based on the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Included in administrative expenses in the accompanying statement of changes in net assets available for benefits are Plan expenses related to the general administration and recordkeeping of the Plan which are allocated to participant accounts, as well as fees related to the administration of distributions and notes receivable from participants which are charged directly to the participant's account to which it pertains. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 - CERTIFIED INFORMATION

The Plan Administrator has chosen the annual reporting compliance method allowed under ERISA Section 103(a)(3)(C), as specified in 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Except for the adjustment from contract value to fair value of \$416,105 (see note 10), Principal has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment income and interest income on notes receivable from participants, as reported in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ASC 820, *Fair Value Measurement* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

GameStop, Corp. Employees' Savings Plan
NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2024 and 2023

The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Mutual Funds

Valued at the net asset value ("NAV") of shares held by the plan at year end, which is obtained from an active market.

Common Trust Fund

Valued at the NAV of units of the bank collective trust fund. This contract meets the fully benefit-responsive investment contract criteria and is therefore measured at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract Value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment under contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer.

Upon proper notice to the issuer, the Plan may receive a deferred Plan withdrawal by the first business day that is twelve months after the Plan Sponsor requests the withdrawal.

Investments, measured at NAV				<u>9,137,961</u>
Total investments, at fair value				<u>\$ 155,212,186</u>

As of December 31, 2024 and 2023, there were no restrictions on redemption or unfunded commitments for any of the major classes of assets.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are subject to various risks including interest rate, market, and credit risks. Given the inherent risks associated with certain investment securities, it is reasonably possible that their values could fluctuate in the near term. Such fluctuations could significantly impact participants' account balances and the amounts reported in the financial statements.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event that the Plan is terminated, participants would remain 100% vested in their accounts.

GameStop, Corp. Employees' Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

NOTE 7 - INCOME TAX STATUS

The Plan document is designed based upon a prototype plan document written by Principal. The prototype plan document received a favorable opinion letter from the IRS dated June 30, 2020, which indicates that the prototype plan document is designed in compliance with the requirements of the IRC. The Plan has been amended since the date in which the opinion letter on the prototype plan was received; however, the Plan Administrator believes that the Plan is currently designed and operating in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes have been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2024 and 2023, there were outstanding participant loans of \$2,157,556 and \$2,326,124, respectively, which are considered party-in-interest transactions. Principal provides services as custodian, trustee and Recordkeeper to the Plan and during the year ended December 31, 2024, fees of approximately \$359,000 were paid to Principal for this activity. These services qualify as exempt party-in-interest transactions under ERISA.

NOTE 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2023 and 2022, the Company did not remit certain participant contributions and loan repayments to the Plan (approximately \$275,000 in total) on a timely basis as defined by the Department of Labor's regulations. Plan management fully corrected these late remittances, including applicable lost earnings, in September 2025.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements as of December 31, to the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 153,626,101	\$ 157,991,654
