## Independent Auditors' Report

To the Plan Administrator  
CDM, Inc. 401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of CDM, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of CDM, Inc. 401(k) Profit Sharing Plan's 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

### Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section—

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CDM, Inc. 401(k) Profit Sharing Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibility of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CDM, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CDM, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CDM, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters**

##### *2024 Supplemental Schedules Required by ERISA*

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors’ Report on the 2023 Financial Statements*

The financial statements of CDM, Inc. 401(k) Profit Sharing Plan as of December 31, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 4, 2024, indicated that in their opinion: (a) the amounts and disclosures in the 2023 financial statements other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that because they did not perform auditing procedures regarding such information other than the information in the 2023 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

**CDM, Inc. 401(k) Profit Sharing Plan**  
**Notes to Financial Statements**  
**For the Years Ended December 31, 2024 and 2023**

**1. Description of Plan**

The following description of the CDM, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

*General*

The Plan is a defined contribution plan covering all employees, with the exception of leased employees, union employees, non-resident aliens who receive no income from sources within the United States, and residents of Puerto Rico of CDM, Inc. (the Plan Sponsor) and related companies: Custom Cable Solutions, Inc. Maryland Integrated Solutions, Inc. and CLM Financial Enterprises, LLC dba CLM Advisors (collectively, the Company) who have completed three months of service. The Plan Administrator is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan Administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Contributions*

Each year, participants may elect to voluntarily contribute up to 100% of pretax annual compensation, but not more than the maximum limits of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company contributes a discretionary match of 50% of the first 6% of base compensation that a participant contributes to the Plan up to a maximum of \$2,000. Additional profit-sharing amounts may be contributed at the option of the Plan Sponsor. For the year ended December 31, 2024, the Company approved a profit-sharing contribution to the Plan in the amount of \$149,556.

*Participant Accounts*

Each participant’s account is credited with the participant’s contributions and the Company’s matching contribution, as well as allocations of any profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**For the Years Ended December 31, 2024 and 2023**

**1. Description of Plan, continued**

*Vesting*

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts depends on length of service. A participant is 100% vested in employer contributions after three years of service.

*Payment of Benefits*

The Plan permits withdrawals when a participant terminates employment, reaches retirement age, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments with certain exceptions allowed. If a terminated participant's vested balance is less than or equal to \$7,000, the amount may be automatically distributed in the form of lump-sum cash payment or IRA, depending on the balance. In addition, the Plan allows for hardship distributions if certain criteria are met.

*Participant Loans*

Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their elective account balance. Loan terms may not exceed five years unless it is for the purchase of a participant's primary residence. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

*Forfeited Accounts*

As of December 31, 2024, and 2023 forfeited nonvested accounts totaled \$43,607 and \$38,584, respectively. These accounts will be first applied to restore account balances where restoration contributions have been made, applied to pay administrative expenses, and used to reduce future employer contributions. During 2024, \$479 of the forfeiture balance was utilized to reduce employer contributions.

**2. Summary of Significant Accounting Policies**

*Basis of Accounting*

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 960.

*Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Notes Receivables from Participants*

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024, or 2023.

*Fair Value Accounting*

Valuation techniques used in fair value measurements need to maximize the use of observable inputs and minimize the use of unobservable inputs. A valuation method may produce a fair value measurement that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions could result in different fair value measurements at the reporting date. Assets and liabilities measured at fair value are categorized into one of three different levels depending on the observability of the inputs employed in their measurement. Level 1 inputs are quoted prices in active markets for identical assets or liabilities. Level 2 inputs are observable inputs other than quoted prices included within Level 1 for the asset or liability, either directly or indirectly through market-corroborated inputs. Level 3 inputs are unobservable inputs for the asset or liability, including the Plan's own assumptions in determining the fair value of the assets or liabilities. See Note 3 for discussion of fair value measurements.

*Allowance for Credit Losses*

When the Plan records contributions receivables arising from Plan transactions, the company records an allowance for credit losses for the current expected credit losses (CECL) inherent in the asset over its expected life. The allowance for credit losses is a valuation account deducted from the amortized cost basis of the assets to present their net carrying value at the amount expected to be collected. Each period the allowance for credit losses is adjusted through earnings to reflect expected credit losses over the remaining lives of the assets.

		<b>2024</b>		<b>2023</b>
Receivables	\$	149,556	\$	138,398
Participant Loans		67,045		22,694
Allowance for credit losses		-		-
Total Receivable	\$	216,601	\$	161,092

*Contributions*

Contributions to the Plan are recorded in the period of the paycheck date. Employer matching contributions are recorded based on employee contributions during the same period.

*Income Recognition*

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold during the year. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

*Payment of Benefits*

Benefits are recorded upon distribution.

*Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

**Notes to Financial Statements**  
**For the Years Ended December 31, 2024 and 2023**

**2. Summary of Significant Accounting Policies, continued**

*Excess Contributions Payable*

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. During the years ended December 31, 2024 and 2023 there were excess contribution liabilities in the amounts of \$3,127 and \$14,073, respectively. The Plan distributed the 2024 and 2023 excess contributions to the applicable participants in the beginning of 2025 and 2024, respectively.

**3. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

---

Level 1	Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
---------	--

---

Level 2	Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as: <ul style="list-style-type: none"><li>a. Quoted prices for similar assets or liabilities in active markets</li><li>b. Quoted prices for identical or similar assets or liabilities in inactive markets</li><li>c. Inputs other than quoted prices that are observable for the asset or liability</li><li>d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
---------	---

---

Level 3	Inputs that are unobservable inputs for the asset or liability.
---------	---

---

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

The fair values of registered investment companies and money markets are based upon quoted prices when available. At December 31, 2024 and 2023, all such investments were redeemable at the measurement date.

Mutual Funds are valued at quoted market prices, which represent the Net Asset Value (NAV) per share at the close of the financial markets. The NAV is based on the value of the underlying assets owned by the investment, minus its liabilities and then divided by the number of shares outstanding. Mutual funds report NAV daily and are required to transact at that price.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

**3. Fair Value Measurements, continued**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value measured on a recurring basis as of December 31, 2024 and 2023:

Fair Value Measurements at December 31, 2024:

	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level I)	Significant Other Observable Inputs (Level II)	Unobservable Inputs (Level III)
Registered Investment Companies	\$ <u>8,767,115</u>	\$ <u>8,767,115</u>	\$ <u>-</u>	\$ <u>-</u>
<b>Total Investments</b>	<b>\$ <u>8,767,115</u></b>			

Fair Value Measurements at December 31, 2023:

	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level I)	Significant Other Observable Inputs (Level II)	Unobservable Inputs (Level III)
Registered Investment Companies	\$ <u>5,288,503</u>	\$ <u>5,288,503</u>	\$ <u>-</u>	\$ <u>-</u>
<b>Total Investments</b>	<b>\$ <u>5,288,503</u></b>			

**4. Concentration**

The following table presents the fair values of investments in mutual funds that represent 10% or more of the Plan's net assets.

	<u>2024</u>	<u>2023</u>
Invesco Premier US Government Money Inst	\$635,839	\$550,661

**5. Related Party and Party in Interest Transactions**

Certain Plan investments are shares of mutual funds or common/collective trusts managed by the Trustee, and, therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

**6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in the Company's contributions.

**CDM, Inc. 401(k) Profit Sharing Plan**  
**Notes to Financial Statements**  
**For the Years Ended December 31, 2024 and 2023**

**7. Prohibited Transactions**

During the years ended December 31, 2024 and 2023, the Plan remitted employee contributions late. The total amount of contributions remitted late was \$37,236 and \$8,187, respectively. The plan sponsor has not calculated the lost earnings for these remittances.

**8. Risks and Uncertainties**

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**9. Tax Status**

The Plan has an Internal Revenue Service determination letter from Matrix Trust Company, the recordkeeper, dated June 30, 2020, stating the form of the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan continues to be tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations for years before 2021.

**10. Information Prepared and Certified by the Trustee**

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2024 and 2023. Accordingly, Matrix Trust Company, the Trustee, has certified to the completeness and accuracy of all investments reported in the accompanying Statement of Net Assets Available For Benefits as of December 31, 2024 and 2023, and the supplemental Schedule of Assets (held at end of year) as of December 31, 2024, and the related investment activity reported in the Statement of Changes in Net Assets Available For Benefits for the year ended December 31, 2024.

**12. Plan Merger**

Effective January 1, 2023, the Plan allowed the merger of the CLM Advisors 401(k) Profit Sharing Plan into CDM, Inc. 401(k) Profit Sharing Plan. As a result, net assets of \$1,024,104 were transferred to the control of CDM, Inc. 401(k) Profit Sharing Plan at April 1, 2024. The merger does not impact participant benefits.

**13. Subsequent Events**

The Plan has evaluated subsequent events through October 6, 2025 which is the date the financial statements were available to be issued.
