## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the  
YF FC Operations LLC 401(k) PS Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the YF FC Operations LLC 401(k) PS Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the YF FC Operations LLC 401(k) PS Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the YF FC Operations LLC 401(k) PS Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the YF FC Operations LLC 401(k) PS Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the YF FC Operations LLC 401(k) PS Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# YF FC OPERATIONS LLC 401(k) PS PLAN

## Notes to the Financial Statements For the Years Ended December 31, 2024 and 2023

---

### 1. DESCRIPTION OF THE PLAN

The following description of the YF FC Operations LLC 401(k) PS Plan (the Plan) provides only general information. Participants should refer to the standardized 401(k) Adoption Agreement and Summary Plan Description (the Plan Documents) for a comprehensive description of the Plan's provisions.

#### **General**

YouFit Health Clubs, LLC established the Plan effective January 1, 2015. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On November 9, 2020, YouFit Health Clubs, LLC filed a Chapter 11 Voluntary Petition in the Delaware District of U.S. Bankruptcy Court (the Court). On November 10, 2020, YF FC Acquisition, LLC, and its 100%-owned subsidiary, YF FC Operations, LLC, collectively (the Buyers) entered into an Asset Purchase agreement with YouFit Health Clubs, LLC, and on December 28, 2020, the Buyers received an approved sale order from the Court. The Buyers agreed to purchase certain assets and assume certain liabilities of YouFit Health Clubs, LLC, including the You Fit, LLC 401(k) Profit Sharing Plan and Trust. On February 15, 2021, the You Fit, LLC 401(k) Profit Sharing Plan and Trust was amended to allow the assumption of the Plan by YF FC Operations, LLC as the new plan sponsor, and the Plan was renamed YF FC Operations LLC 401(k) PS Plan.

On January 1, 2022, the Plan was amended to modify the safe harbor provisions and for purposes of calculating the safe harbor contribution, the Participant's compensation and deferrals will be calculated on a quarterly basis.

#### **Eligibility**

The Plan covers all employees of the Company who are residents of the United States of America except collective bargaining (union) employees and non-resident aliens. Participants over 21 years old are eligible to participate in the Plan. Prior to July 1, 2021, employees need to also complete 1 year of service and could only enter the Plan quarterly upon meeting eligibility requirements. Effective July 1, 2021, the Plan was amended to reduce the minimum service requirement from the completion of one year of service to the completion of six months of service and monthly entry dates apply instead of quarterly entry dates. In connection with the amendment, employees hired prior to July 1, 2021, that had not met the prior minimum service requirement of one year but had completed six months of service became eligible on July 1, 2021.

**1. DESCRIPTION OF THE PLAN – cont’d.**

**Participant Contributions**

Participants may make pre-tax or after-tax (Roth) contributions to the Plan up to 100% of their annual compensation, as defined by the Plan. Participants’ Roth elective contributions will be allocated to a separate account maintained for such contributions. Participant contributions are subject to Internal Revenue Code (the Code) limits, which totaled \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, respectively.

Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to the limitations imposed by the Code, which totaled \$7,500 for each of the years ended December 31, 2024 and 2023. Participants are permitted to make rollover contributions to the Plan.

**Company Contributions**

The Plan provides for Company safe harbor matching contributions equal to 100% of the first 3% of participants’ contributions and 50% of the next 2% of participants’ contributions. The Company’s safe harbor matching contributions are calculated and submitted on a per-payroll basis and are invested in the same manner as those directed by the participant.

Company safe harbor matching contributions totaled \$288,931 and \$311,648 during the years ended December 31, 2024 and 2023, respectively. The Company safe harbor matching contributions are invested in the same manner as those directed by the participant. As the Company makes safe harbor matching contributions each pay period, the participants are entitled to a “true-up” safe-harbor matching contribution to the extent that the participant did not receive a safe harbor matching contribution based on their salary deferrals and Plan compensation for the entire plan year prior to January 1, 2022 and quarterly as of January 1, 2022, as the plan document defines the contribution period as annual prior to January 1, 2022 and quarterly as of January 1, 2022.

The Company may also, at its discretion, elect to match an additional portion of eligible participants’ contributions on a per-payroll basis. Participants are eligible to receive discretionary Company matching contributions if they are actively participating in the Plan at the time of contribution. The discretionary Company matching contributions are invested in the same manner as those directed by the participant. The Company did not make any discretionary matching contributions during the years ended December 31, 2024 and 2023.

**Participant Accounts**

Each participant's account is participant-directed and credited with the participant, Company, and rollover contributions, withdrawals, and allocations of (a) Plan earnings and (b) administrative expenses. Any earnings, losses, and administrative expenses are allocated to participant accounts based upon the investments selected by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting**

Participants are immediately vested in their contributions plus earnings thereon and are immediately vested in Company safe harbor matching contributions plus earnings thereon. Participants vest in Company discretionary matching contributions plus earnings thereon based on years of service, as defined by the Plan, according to the following schedule:

| Years of Service | Vested Percentage |
|------------------|-------------------|
| 1                | 20%               |
| 2                | 40%               |
| 3                | 60%               |
| 4                | 80%               |
| 5                | 100%              |

Upon attaining the normal retirement age of 65, or early retirement of 60 and the completion of four years of service, participants shall be entitled to receive the full value of their accounts. The full value of participants’ accounts will also be paid in the event of death or total permanent disability.

**Forfeitures**

Forfeitures of non-vested Company contributions can be used to reduce future Company contributions or administrative expenses. During the years ended December 31, 2024 and 2023, there were \$21 and \$0 forfeitures applied to reduce Company contributions, respectively, and there were no forfeitures applied to pay administrative expenses. As of December 31, 2024 and 2023, forfeitures available to the Plan totaled \$2,597 and \$2,559, respectively.

**Notes Receivable from Participants**

Participants may borrow up to 50% of their vested account balance not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000, and a participant can have no more than one note outstanding at any given time. The notes are secured by the vested balance in the participant's account and bear interest at rates commensurate with commercial rates in the local lending area for similar note types at the time of loan origination (prime plus 2%). Principal and interest is paid ratably through payroll deductions. Notes must be paid back within five years, unless for the purchase of a primary residence or the participant temporarily delayed loan repayments under the Coronavirus Aid, Relief, Economic and Security (CARES) Act, resulting in the extension of the maturity date by one year.

**1. DESCRIPTION OF THE PLAN – cont’d.**

**Payment of Benefits**

Upon termination of service, retirement, death, disability or attainment of age 59 ½, a participant or their beneficiary, in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon a qualifying distribution event, if the account balances are not fully withdrawn, remaining balances over \$5,000, will remain a part of the Plan and share in investment gains and losses. Remaining balances under \$5,000 will be distributed to the participant regardless of their consent. Effective January 1, 2024, the SECURE 2.0 Act increased the limit for mandatory distributions from \$5,000 to \$7,000. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. As of December 31, 2024 and 2023, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not received such distributions prior to year-end.

**Plan Expenses**

All administrative expenses are paid with the assets of the Plan, unless paid by the Company, at its discretion. For the years ended December 31, 2024 and 2023, the Company elected to pay a portion of the Plan's direct expenses. Expenses that are paid directly by the Company are excluded from the Plan's financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to participant accounts and are included in administrative expenses. Investment-related expenses are included in the net appreciation in fair value of investments.

**Unallocated Revenue Sharing Account**

The Plan's Service Agreement with Voya Financial requires Voya Financial to allocate excess revenue, as defined by the plan, into a revenue sharing account on a monthly basis. Amounts held in the unallocated revenue sharing account, as applicable, could be applied to pay administrative expenses, be allocated to Plan participants on either a pro-rata or per-capita basis, or reduce future Company contributions. During the years ended December 31, 2024 and 2023, \$4,138 and \$4,500, respectively, were applied to reduce Plan expenses. For the years ended December 31, 2024 and 2023, there were \$4,700 and \$3,554 funds allocated from the revenue sharing account to participant accounts, respectively. As of December 31, 2024 and 2023, amounts held in the unallocated revenue sharing account totaled \$6,136 and \$4,809, respectively.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.**

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant’s account and are included in administrative expenses when incurred. Interest income is recorded on an accrual basis. Delinquent notes are treated as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Notes receivable from participants totaled \$122,436 and \$141,625 as of December 31, 2024 and 2023, respectively.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Fair Value Measurement**

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.**

**Fair Value Measurement – cont’d.**

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

*Interest bearing cash:* Valued at amortized cost plus accrued interest, which approximates fair value.

*Interests in registered investment companies:* Valued at the closing price reported in the active market in which the funds are traded.

*Interest in guaranteed investment account:* Valued by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. Since participants may transact at contract value or surrender value, the fair value is determined annually for financial statement reporting purposes only. In determining the reasonableness of the methodology, Plan management evaluated a variety of factors including existing contract provisions (crediting rate and minimum rate), restrictions, economic conditions and contract value.

**Risks and Uncertainties**

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur that materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**Payment of Benefits**

Benefits are recorded when paid.

**Subsequent Events**

The Plan evaluated for disclosure any subsequent events through September 30, 2025, the date the financial statements were available to be issued and determined that there were no material events that warrant disclosure.

**3. INVESTMENTS**

All investment information contained in the accompanying financial statements and supplemental schedule, including assets held as of December 31, 2024 and 2023, and interest and dividend income and net realized and unrealized appreciation in fair value of investments for the years then ended was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Voya Retirement Insurance and Annuity Company and Voya Institutional Trust Company, the Custodian and Trustee of the Plan, respectively.

**4. PARTY-IN-INTEREST TRANSACTIONS**

As of December 31, 2024 and 2023, the Plan invests in a fund managed by an affiliate of Voya Financial, who acts as the Custodian to the Plan for this fund. The Plan loans funds to its participants according to the applicable provisions of the Plan document. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

**5. INCOME TAX STATUS**

The Plan adopted a volume submitter profit sharing plan / 401(k) plan which received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Effective September 30, 2021, the Plan adopted a restated pre-approved plan, in conjunction with the new Trustee and Custodian, with a deferral arrangement, which received a favorable opinion from the IRS dated June, 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receiving the letter; however, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2024 and 2023. The Plan is subject to routine audits by the IRS and the Department of Labor; however, there are currently no audits for any periods in progress.

**6. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all contributions to the Plan would cease and all affected participants would become 100% vested in their accounts.
