## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Cache Creek 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audits***

We have performed audits of the financial statements of Cache Creek 401(k) Plan (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024, and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore there is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule of assets held at end of year, as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## CACHE CREEK 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS December 31, 2024 and 2023

#### NOTE 1: DESCRIPTION OF PLAN

The following description of Cache Creek 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution 401(k) profit sharing plan covering all employees of Cache Creek Casino Resort, an enterprise of the Yocha Dehe Wintun Nation (the “Plan Sponsor”). Employees are eligible to participate in the Plan once they have reached the age of 18 and have completed 6 months of service. Eligible employees may begin deferring a portion of their compensation into the Plan on the first day of the month following eligibility. Nonresident aliens, leased employees, employees covered by a collective bargaining agreement unless the agreement requires the employees to be included under the Plan, tribal members, members of the board, and tribal employees are not eligible to participate in the plan.

Fidelity Management Trust Company served as the Trustee until September 2, 2024. Effective September 3, 2024, and in connection with the transfer to Transamerica Retirement Solutions, the Plan’s assets were transferred to State Street Bank and Trust Company, who assumed custodial and trustee responsibilities. In addition, the Plan adopted a new prototype plan document as of that date, however, there were no significant changes to the provisions of the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(a) of the Internal Revenue Code (the “Code”). The Plan Sponsor’s Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plans’ Board of Trustees.

#### **Plan Year**

The Plan year begins January 1<sup>st</sup> and ends December 31<sup>st</sup>.

#### **Contributions**

The Plan allows for the following types of contributions:

- **Employee Salary Deferral Contributions**  
The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Code. Employees may voluntarily contribute a portion of their compensation, up to 100%, of their eligible compensation to the Plan, subject to certain nondiscrimination tests and limitations prescribed by the Code. Employee salary deferrals include both pre-tax elective deferrals and Roth after-tax elective deferrals. Employees age 50 or over are permitted to make additional catch-up contributions.
- **Safe Harbor Matching Contributions**  
The Plan permits the Plan Sponsor to contribute safe harbor matching contributions equal to 100% of eligible employee deferrals up to 4% of compensation. The Plan Sponsor made safe harbor matching contributions of \$2,230,480 and \$2,141,357 for the Plan years ending December 31, 2024, and 2023, respectively.

NOTE 1: **DESCRIPTION OF PLAN (Continued)**

**Contributions (Continued)**

- **Discretionary Matching Contribution**  
The Plan Sponsor may make a discretionary matching contribution in an amount determined by the Plan Sponsor for eligible employees. Total contributions for the years ending December 31, 2024, and 2023 were \$34,932 and \$1,093,179 respectively. Discretionary matching contributions were discontinued effective September 3, 2024.
- **Discretionary Employer Profit Sharing Contributions**  
The Plan permits the Plan Sponsor to make a discretionary profit-sharing contribution. No discretionary employer profit sharing contributions were made for the Plan years ending December 31, 2024, and 2023, respectively.
- **Collectively Bargained Employer Profit Sharing Contributions**  
In accordance with the UNITE HERE! union contract, union employees shall receive an additional \$400 employer contribution on the first of the month following each employee's fifth year anniversary and annually thereafter. This contribution is in addition to and apart from any matching contributions the Plan Sponsor makes. Total contributions for the years ending December 31, 2024, and 2023 was \$0 and \$237,200, respectively. Collectively bargained employer profit sharing contributions were discontinued January 1, 2024.
- **Rollover Contributions**  
Employees may make rollover contributions over eligible amounts from another qualified plan. The Plan will not accept rollovers of after-tax employee contributions.

**Participant Accounts and Allocations**

The Plan provides various investment fund options and allows participants to direct their investments. Investment earnings and losses are allocated based on the actual earnings or losses in participants' self-directed accounts. Each participant's self-directed account is credited with the participant's salary deferral contributions, Plan Sponsor contributions, an allocation of investment gains and losses, and an allocation of certain plan expenses, as defined by the Plan. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account balance.

**Vesting and Forfeitures**

Participants are immediately fully vested in their contributions, safe harbor matching contributions, other employer contributions and related earnings at all times. Forfeitures may be used to reduce Plan sponsor contributions or to offset the administrative expenses under the Plan. At December 31, 2024, and 2023, forfeitures available to reduce matching contributions and offset plan expenses were \$0 and \$4,148, respectively.

**Retirement**

Normal retirement under the Plan is the later of age sixty-five (65) or the 5<sup>th</sup> anniversary of the Participant's employment commencement date.

**NOTE 1: DESCRIPTION OF PLAN (Continued)**

**Payment of Benefits**

Payment of benefits may be made at the following times under the Plan: 1) normal retirement, 2) termination of employment, 3) termination of the Plan, 4) in-service for those who have attained age 59½, 5) upon demonstration of financial hardship, or 6) death or disability of the participant. Benefit payments are made in a single lump sum distribution.

Participants who separate from service and have vested account balances of \$1,000 or less may receive a lump-sum cash distribution of their entire vested account balance, subject to applicable tax withholding, if a distribution election is not made within a reasonable period of time following termination of employment.

Retired participants must begin receiving distributions from the Plan no later than April 1 of the year following the year in which the participant attains age 72.

**Notes Receivable from Participants**

The Plan allows participants to borrow from their accounts. Loans are limited to the lesser of \$50,000 or 50% of the participant's vested account balance. The minimum loan amount is \$1,000 and participants may have two outstanding loans at a time. Loans bear interest at a rate determined by the Plan administrator based on prevailing rates. Loans are repaid through regular payroll deductions and generally must be repaid within five years, or longer if for the acquisition of a principal residence. The loans are secured by the balance in the participant's account and in the event of default, the unpaid loan principal will be offset against the participant's vested account balance.

**Administrative Expenses**

The Plan pays certain investment manager, administrator and professional fees. All other expenses incurred for administration of the Plan are paid by the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

**Investment Valuation and Income Recognition**

Investments are reported at fair market value. Fair market value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recognized when earned. Dividends are recognized on the ex-dividend date. Capital gains are recorded in dividend income. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year. Increases in the unit values of investments are reflected in each participant's individual account. Investments are valued daily.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024, and 2023. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded upon distribution of the related collateral.

**Payment of Benefits**

Benefits to participants are recorded when paid.

**Income Taxes**

The Plan adopted a prototype plan, which obtained a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine examinations by taxing authorities; however, there are currently no examinations for any tax periods in progress.

**Estimates and Assumptions**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

**NOTE 3: INFORMATION CERTIFIED BY THE TRUSTEES**

The following amounts are included in these financial statements and supplemental schedules and were taken directly from statements provided and certified as complete and accurate by Fidelity Management Trust Company and State Street Bank and Trust Company, the trustees, as of and for the years ended December 31, 2024 and 2023 as follows:

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 110,211,166	\$ 95,794,026
Money market fund	\$ 10,883,658	\$ 10,288,189
Notes receivable from participants	\$ 5,778,951	\$ 5,354,984
Net appreciation in fair value of investments	\$ 19,340,972	\$ 17,953,670
Dividend and interest income	\$ 2,295,007	\$ 2,714,232
Interest income, notes receivable from participants	\$ 439,636	\$ 304,890

**NOTE 4: FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets and liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024, and 2023.

*Mutual Funds:* Valued at the daily closing price as reported by the exchange the asset is actively traded on. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

*Money Market Fund:* Underlying short-term investments with quoted prices in active markets to preserve the value of the investment at \$1.00 per share.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024, and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 110,211,166	\$ -	\$ -	\$ 110,211,166
Money market fund and cash	10,883,658	-	-	10,883,658
	<u>\$ 121,094,824</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 121,094,824</u>

  

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 95,794,026	\$ -	\$ -	\$ 95,794,026
Money market fund	10,288,189	-	-	10,288,189
	<u>\$ 106,082,215</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 106,082,215</u>

**NOTE 5: RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Fees paid by the Plan for investment management services and recordkeeping services are recorded in administrative expenses. Certain fund management fees are recorded against net appreciation in fair value of investments. Plan investments include notes receivable from participants and a cash account held by the Trustee and third-party administrator. These transactions and investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

**NOTE 7: RECONCILIATION TO FORM 5500**

Net assets and contributions in these financial statements differ from the amounts reported in the Form 5500 as follows:

	<u>2024</u>	<u>2023</u>
Net assets as reported	\$ 127,057,219	\$ 111,590,264
Employer contribution receivable excluded from 5500	-	(153,004)
Employee contribution receivable excluded from 5500	-	(61)
Net assets per Form 5500	<u>\$ 127,057,219</u>	<u>\$ 111,437,199</u>
Employer contributions as reported	\$ 2,265,412	\$ 3,471,736
Change in employer contributions excluded from 5500	<u>153,004</u>	<u>(5,497)</u>
Employer contributions per Form 5500	<u>\$ 2,418,416</u>	<u>\$ 3,466,239</u>
Employee contributions as reported	\$ 7,604,263	\$ 7,061,163
Change in employee contributions excluded from 5500	<u>61</u>	<u>(61)</u>
Employee contributions per Form 5500	<u>\$ 7,604,324</u>	<u>\$ 7,061,102</u>

**NOTE 8: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

*NOTE 9:* **SUBSEQUENT EVENTS**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 6, 2025, the date the financial statements were available to be issued, and management has determined that no subsequent events have occurred that should be disclosed.
