INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Scripps Coastal Medical Group, Inc.
Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the accompanying financial statements of Scripps Coastal Medical Group, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Scripps Coastal Medical Group, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Nationwide Trust Company, FSB, a qualified institution, as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Scripps Coastal Medical Group, Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Scripps Coastal Medical Group, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Scripps Coastal Medical Group, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Scripps Coastal Medical Group, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at the end of the year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in

the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of Scripps Coastal Medical Group, Inc. Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan's Sponsor is San Diego Medical Group, Inc., dba Scripps Coastal Medical Group, Inc. (the "Company," "Plan Sponsor," or the "Employer").

GENERAL

The Plan, initially adopted July 1, 1999, is a defined contribution plan covering all employees of the Company excluding the following ineligible class of Employees: (A) Employees who are employed by an Affiliated Employer which is not an Adopting Employer; and (B) any Employee who is classified as a Fellow, Resident, Training Program Participant, Scholar, Casual Employee or Per Diem Employee. In addition, any Employees who complete a Year of Service shall be considered Eligible Employees as of the date they complete a Year of Service, excluding therefrom the ineligible classes of Employees in the immediately preceding sentence who shall not be Eligible Employees even if they do complete a Year of Service. Employees hired prior to May 1, 2002, who were classified as 30% or More Full-Time Equivalent Employees (i.e., employees regularly scheduled to work 625 hours or more in any Plan Year) shall continue to be Eligible Employees. Employees hired on or after May 1, 2002, who are classified as 50% or More Full-Time Equivalent Employees (i.e., Employees working 20 or more hours per week) shall be Eligible Employees.

CONTRIBUTIONS

Contributions to the Plan are as follows:

- 1) Participant contributions - Participants may elect to make pre-tax salary deferral contributions or Roth contributions to the Plan up to the annual limit (\$23,000 and \$22,500 in 2024 and 2023, respectively) established by the Internal Revenue Service ("IRS"). Participants who have attained at least age 50 can make catch-up contributions in addition to the above, up to the maximum amount allowed by the IRS (\$7,500 in both 2024 and 2023).
- 2) Rollover contributions - The Plan allows for the participants in a former employer's qualified plan to contribute direct rollovers to this plan, provided the rollover will not jeopardize the tax-exempt status of the Plan or create adverse tax consequences for the Employer.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

- 3) Matching contributions - The Plan allows for the Company to make discretionary matching contributions not to exceed the participant's contribution for the plan year and not to include catch-up contributions. These contributions are made on an annual basis. For the years ended December 31, 2024 and 2023, the amount was equal to each \$1.00 of salary deferrals for each participant who worked 1,472 hours during the plan year up to a maximum determined by the Company. For those participants with at least 800 hours of service but less than 1,472 hours during the plan year the Company made a contribution of the same amount as above multiplied by the ratio of hours worked divided by 1,840 hours.
- 4) Profit sharing contributions - The Company may also make an additional discretionary profit sharing contribution which shall be allocated to each eligible participant in proportion to his or her compensation for the period while a participant. To qualify, eligible participants must complete a year of service. Employer discretionary contributions made to the Plan were \$0 for the years ended December 31, 2024 and 2023.
- 5) Top heavy minimum contributions - The Company may at times make contributions to non-key participants to satisfy top heavy minimum contribution requirements. For the years ended December 31, 2024 and 2023, no top heavy minimum contributions were made.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, allocations of the Company's contributions and the Plan earnings (net of administrative fees). Allocations are based on participant's compensation or account balance, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately fully vested in participant contributions and the earnings and appreciation or depreciation thereon. Participants are vested in employer contributions and the earnings and appreciation or depreciation thereon based on years of service as follows:

1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

PAYMENT OF BENEFITS

On termination of service, death, disability, attainment of age 59.5, or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance or annual installments through the year of the participant's death. Account balances for terminated participants that are \$5,000 or less will be distributed in a lump sum, or, at the participant's election, will be rolled over to another qualified retirement plan or to an individual retirement account (IRA) of the participants choosing. Account balances for terminated participants that exceed \$1,000 may be distributed by the Plan Administrator with the participant's consent, or distributed in a lump sum for less than \$1,000. Hardship distributions are not permitted from the participant's employee deferral account.

COMPENSATION

Compensation means the participant's wages which includes compensation paid before becoming a participant of the Plan, and amounts that are paid after a participant's severance from employment, including regular pay, leave cash outs, and deferred compensation. Compensation in excess of \$345,000 shall be disregarded for all purposes other than for purposes of salary deferral elections.

ADMINISTRATIVE EXPENSES

All expenses incident to the administration, termination or protection of the Plan, including, but not limited to, legal, accounting and Trustee fees, shall be paid by the Company or, if not paid by the Company, shall be paid by the administrator from the Plan assets. A participant's account balance will be charged with certain fees and expenses. Asset-based fees (e.g. management fees and other operating expenses) are used to cover the expenses related to running an investment fund, and are generally deducted directly from a participant's investment returns. Amounts totaling \$44,868 and \$38,012 were paid by the Plan for consulting fees, Trustee fees, fees for benefits paid to participants and participant loan fees for the years ended December 31, 2024 and 2023, respectively. See note 4 for details. In addition, the Company provides administrative services to the Plan at no cost to the Plan. Certain investment related expenses are included as a reduction of investment return and are not separately reflected.

INVESTMENT OPTIONS

Participants may invest their entire account in specific assets, specific funds or other investments permitted under the Plan. All participant directed investments shall be charged or credited with the net earnings, gains, losses, and expenses as well as any appreciation or depreciation in the market value.

FORFEITED ACCOUNTS

Non-vested employer matching contributions forfeited by terminated participants may be made available to reinstate previously forfeited account balances of participants, if any, or may be used to satisfy any contribution that may be required pursuant to a participant who was erroneously omitted from the Plan, or used to pay any administrative expenses of the Plan. The remaining forfeitures, if any, shall be used for future employer matching contributions. Non-vested employer non-match contributions forfeited by terminated participants are used to reduce future non-match employer contributions such as discretionary or top-heavy minimum contributions. At December 31, 2024 and 2023, there was \$81,864 and \$51,484, respectively, of unallocated forfeitures. Subsequent to year end, forfeitures in the amount of \$81,864 and \$51,484 were used for employer contributions for the years ended December 31, 2024 and 2023, respectively.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants are permitted to borrow from their accounts. Loans shall not exceed a participant's vested interest in the Plan, must be adequately secured, and bear a reasonable rate of interest. Loans shall provide for a periodic repayment over a reasonable period of time.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting — The accompanying financial statements have been prepared using the accrual method of accounting in conformity with generally accepted accounting principles (GAAP) in the United States of America.

Estimates — The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Investments valuation and income recognition — Investments are stated at fair value as certified by the institution that holds the Plan's assets as an investment manager and are under the custody of the Plan's Trustee. Quoted market prices are used to value investments at fair value. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on accrual basis. Dividends are recorded on the ex-dividend date.

Investment contracts held by a defined-contribution plan are required to be reported at Net Asset Value (NAV). NAV is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Page 12

because NAV is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The Plan follows Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2015-12, Plan Accounting: Defined Contribution Pension Plans (Topic 962): Part (II) Plan Investment Disclosures. This standard simplifies employee benefit plan reporting with respect to plan investment disclosures.

Credit losses — The Plan follows ASU 2016-13 Financial Instruments – Credit Losses (Topic 326) and all related amendments. The standard replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The measurement of expected credit losses under the CECL methodology is applicable to trading receivables, financing receivables, held-to-maturity debt securities, and receivables relating to repurchase agreements and securities lending agreements. It also applies to off-balance sheet credit exposures not accounted for as insurance (loan commitments, standby letters of credit, financial guarantees, and other similar instruments) and net investments in leases recognized by a lessor in accordance with Topic 842 on leases. Financial assets held by the Plan that are subject to this guidance are contributions receivable. At December 31, 2024 and 2023, management has determined that there is no allowance for credit losses for the financial assets subject to this guidance.

Notes receivable from participants — Loans to participants are reported at the unpaid principal balances plus any accrued but unpaid interest.

Benefits paid to participants — Benefits are recorded when paid.

Fair value measurement — The Plan follows accounting standards consistent with the FASB Codification which defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements for all financial assets and liabilities.

Classification and measurement of financial instruments — The Plan follows ASU 2016-01 “Recognition and Measurement of Financial Assets and Financial Liabilities” which amends certain aspects of current guidance on the recognition, measurement and disclosure of financials instruments. Among other changes, this ASU requires most equity investments to be measured at fair value. Additionally, the ASU eliminates the requirement to disclose the method and significant assumptions used to estimate the fair value for instruments not recognized at fair value in the Plan’s financial statements.

Income taxes — The pension plan is tax exempt under the Internal Revenue Code Section 401(k) and consequently pays no income tax.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Page 13

The Plan uses a prototype 401(k) profit sharing agreement provided by the Trustee. The prototype agreement received its most recent opinion letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the agreement as then designed was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan adopted this agreement effective January 1, 2015. The agreement has been amended since that time in order to conform to more recent pension laws and regulations. The Plan Sponsor and Nationwide Financial Services (the Trustee) believe the Plan is operating in accordance with applicable requirements of the IRC; however no formal determination letter has been received for the amended Plan.

The Plan follows accounting standards for uncertainty in income taxes recognized in the Plan's financial statements and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. It also provides guidance on derecognition and measurement of a tax position taken or to be taken in a tax return. As of December 31, 2024 and 2023, the Plan has not accrued interest or penalties related to uncertain tax positions.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the rights of all employees to account balances accrued to the date of the termination are fully vested and non-forfeitable.

NOTE 4 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee which qualifies these transactions as party-in-interest transactions. Administrative fees incurred by the Plan to the Trustee totaled \$44,868 and \$38,012 for the years ended December 31, 2024 and 2023, respectively. In addition, the Company pays certain administrative fees of the Plan, which are not reimbursed as well as providing administrative services to the Plan at no cost to the Plan. The Plan also has investments in funds owned by the Trustee. Total net assets invested in the Trustee funds were \$26,977,121 and \$28,556,804 as of December 31, 2024 and 2023, respectively.

NOTE 5 INFORMATION CERTIFIED BY THE TRUSTEE

The Company has obtained certification from the Trustee that all of the information provided to the Company by the Trustee is complete and accurate. The Trustee certification applies to substantially all of the Plan's investment assets, transactions, and supplemental schedules. The Trustee reports such information primarily on a cash basis while the accompanying financial statements and supplemental schedules are presented on an accrual basis. Therefore, certain amounts reflected in the financial statements and supplemental schedules may differ from the information certified by the Trustee.

During 2024 and 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the years) changed in value as follows:

	2024	2023
Mutual funds	\$ 16,486,414	\$ 15,746,027

NOTE 6 COMMON-COLLECTIVE TRUST

The Plan has a benefit-responsive investment contract through a common-collective trust. The Trustee maintains Plan contributions in an unallocated account which is part of the general assets of the Trustee. The contract is included in the financial statements at NAV as reported to the Plan by the Trustee. NAV represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at NAV.

There are no reserves against NAV for credit risk of the contract issuer or otherwise. The NAV of the common-collective trust at December 31, 2024 and 2023, was \$5,827,501 and \$8,160,246, respectively. The crediting interest rate, based on a formula agreed upon with the issuer, at December 31, 2024 and 2023 was 1.92% and 2.31%, respectively. Such interest rates are reviewed on a quarterly basis for resetting.

Page 15

Certain events limit the Plan's ability to transact at NAV with the Trustee. Such events may include but are not limited to the following: (a) mergers, (b) mass layoffs, (c) plan terminations, (d) implementation of early retirement incentive programs or (e) other events within the control of the investment contract or Plan sponsor resulting in a material and adverse financial impact on the issuer's obligations under the investment contract. The Plan administrator does not believe that occurrence of an event, which would limit the Plan's ability to transact at NAV with the Plan is probable. The investment contracts do not permit Nationwide Financial Services to terminate the agreement prior to the scheduled maturity date.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 FAIR VALUE MEASUREMENTS

The Company follows the methods of fair value measurement to value its financial assets and liabilities. Fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels has been established, which are described below:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

Mutual funds: Mutual fund shares are based on the unit value as determined from the daily price traded on an active market, dividends declared, and capital gains and are classified as Level 1 investments.

SCRIPPS COASTAL MEDICAL GROUP, INC. RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Common-collective trust comprised of the Nationwide Fixed Select Contract (the "Contract") is valued at the NAV of units held at year end. The NAV is used as a practical expedient to estimate fair value. The NAV is calculated by the fund based on net assets which include fully benefit responsive contracts at NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the investments mutual fund accounts on the statement of net assets available for plan benefits measured at fair value on a recurring basis by level within the valuation hierarchy as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Assets				
Mutual funds	\$125,735,598	\$ -	\$ -	\$125,735,598
