INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of Henderson, Franklin, Starnes, & Holt, P.A. Employee Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of DECEMBER 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Henderson, Franklin, Starnes, & Holt, P.A. Employee Profit Sharing Plan's financial statements in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Henderson, Franklin, Starnes, & Holt, P.A. Employee Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Henderson, Franklin, Starnes, & Holt, P.A. Employee Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Henderson, Franklin, Starnes, & Holt, P.A. Employee Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Henderson, Franklin, Starnes, & Holt, P.A. Employee Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2024 and 2023

NOTE A – PLAN DESCRIPTION

The following description of the Henderson, Franklin, Starnes, & Holt, P.A. Employee Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions, which can be obtained from the Plan’s Profit Sharing Committee.

General

The Plan is a defined contribution plan sponsored by Henderson, Franklin, Starnes, & Holt, P.A. (“the Company”) originally effective January 29, 1970. The Plan has been amended throughout the years to comply with tax legislation. The Plan was last amended effective October 1, 2024 permitting participant loans. The Plan covers all eligible employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees who have at least 3 months of eligible service and are twenty-one years of age or older may enter the Plan on the first day of each month.

Contributions

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code. Eligible participants are permitted to elect to have a percentage or a fixed amount, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) contributions of the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective August 1, 2022, the Plan was amended to include an automatic deferral provision, whereas, unless opted out, 4% of eligible compensation will be deferred and will be increased 1% each year to a maximum deferral of 15%. This amendment applies to participants who become eligible based on August 1, 2022 and participants with no deferral election.

The Company may, at its discretion, elect to make a qualified matching contribution or profit sharing contribution to the Plan. For the years ended December 31, 2024 and 2023, the Company matching contribution was 12.5% of up to the first \$2,000 of employee deferrals, with a maximum contribution per participant of \$250. For the year ended December 31, 2024, the Company match of \$27,967 was not reduced by forfeitures. For the year ended December 31, 2023, the Company match of \$30,872 was reduced by \$13 of forfeitures. For the years ended December 31, 2024 and 2023, the Company profit sharing contribution for non-equity-stockholders and staff was 3% of compensation under the FICA limit, and 6% of compensation over the FICA limit, respectively. For equity-stockholders, the contribution amount is individually established for each stockholder by the Executive Committee. For the year ended December 31, 2024, the Company profit sharing contribution of \$584,026 was reduced by \$38,000 of forfeitures. For the year ended December 31, 2023, the Company profit sharing contribution of \$603,299 was reduced by \$34,987 of forfeitures.

NOTE A – PLAN DESCRIPTION (continued)

Contributions (continued)

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans or conduit IRA's. Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a collective fund as investment options for participants. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's deferrals, the Company matching contribution, an allocation of the Company's profit sharing contribution, and an allocation of Plan earnings or losses. The profit sharing contribution is allocated based on participant compensation, as defined in the Plan. Income is allocated daily to participant accounts based on the number of shares owned by the participant or their account balance. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

Vesting

Participants are immediately vested in their contributions and the discretionary matching contributions, plus earnings thereon. Vesting in the Company profit sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100 percent vested after six years of credited service, at the rate of 20 percent per year beginning after two years of employment. A participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Notes Receivable from Participants

The Plan allows participants to borrow from their account balance. A participant may borrow a minimum of \$1,000 up to the lesser of 50% of the vested account balance or \$50,000 (reduced by the aggregate principal amount of any other loans outstanding from the plan during the past 12 months).

All loans must be secured by the participant's balance in the plan and be repayable on a regular schedule calling for reasonable interest rates. Principal and interest are paid ratably through monthly payroll deductions or in accordance with procedures provided by the Plan Administrator. Any loan which is not for the purchasing of a primary residence must be repaid within no more than five years. The loans are measured at their unpaid principal balance plus any accrued but unpaid interest.

Benefit Payments

Normal retirement age is the later of age 59½ or the fifth anniversary of the date of participation in the Plan. The distribution of a participant's vested account may occur as a result of either attainment of normal retirement age, death or disability, or termination of service with the employer. The participant will receive the value of the vested interest in his or her account in the form of a lump sum distribution, partial withdrawals or installment payments. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan Administrator will authorize the benefit payment without the participant's consent.

NOTE A – PLAN DESCRIPTION (continued)

Benefit Payments (continued)

If a participant terminates employment and the participant's account balance exceeds \$1,000 not exceeding \$7,000, the Plan Administrator will authorize the benefit payment to an individual retirement account without the participant's consent.

Forfeited Accounts

Employer contributions to the Plan are subject to the vesting schedule. If a participant leaves the Plan before being 100 percent vested, the non-vested employer contributions (forfeitures) may be used to reduce the employer's contribution to the Plan. During the December 31, 2024 and 2023 plan years forfeitures used to reduce match and profit sharing contributions totaled \$35,000 and \$20,335, respectively. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$39,669 and \$38,631, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with U.S. generally accepted accounting principles (GAAP).

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds and the collective trust are deducted from income earned on a daily basis and are not separately charged to an expense. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Plan Administrative Costs

The Company pays certain administrative expenses on behalf of the Plan.

Benefit Payments

Benefits are recorded when paid.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations prior to the last three open tax years.

Date of Management's Review

The Plan has evaluated subsequent events through October 6, 2025, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

As of December 31, 2024 and 2023, the following is a summary of the Plan's financial information and investments held by the trustee, that is included in the financial statements based on information certified by the trustee, as complete and accurate in accordance with Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974. Investments were held by Fidelity Management Trust Company as of December 31, 2024 and 2023.

NOTE D – FAIR VALUE MEASUREMENTS

Financial Accounting Standards established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the quoted net asset value as determined by the readily determinable fair value of shares held by the Plan at year end.

Self-directed brokerage accounts – Accounts consist primarily of mutual funds and common stocks that are valued at the readily determinable fair value of shares held by the Plan at year end.

Common collective trusts: Valued at net asset value (“NAV”) of units of the collective trusts provided by the trustee. The NAV is used as a practical expedient to estimate fair value. The NAV practical expedient would not be used if it is determined to be probable that a fund will sell an investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

Notes to Financial Statements
December 31, 2024 and 2023

NOTE D – FAIR VALUE MEASUREMENTS (continued)

Stable value common collective trust: The stable value fund is comprised of a diversified portfolio of fixed-income instruments, which primarily include guaranteed investment contracts (“GICs”) including synthetic, and insurance company separate account GIC, is valued at NAV of units of the common collective trust provided by the trustee. The NAV is used as a practical expedient to estimate fair value. The NAV practical expedient would not be used if it is determined to be probable that a fund will sell an investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidations will be carried out in an orderly manner.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value:

Fair Value Measurements as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 27,734,400	\$ -	\$ -	\$ 27,734,400
Self-directed brokerage accounts	9,796,101	-	-	9,796,101

Investments measured at net asset value*				3,552,535
Total investments at fair value				\$ 41,083,036

Fair Value Measurements as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 24,001,924	\$ -	\$ -	\$ 24,001,924
Self-directed brokerage accounts	8,109,934	-	-	8,109,934

(*) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

NOTE D – FAIR VALUE MEASUREMENTS (continued)

The following table presents additional disclosures for the fair value measurement of investments that calculate NAV per share (or its equivalent) as of December 31:

	2024 <u>Fair Value</u>	2023 <u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trusts	\$ 2,759,363	\$ 1,519,656	-	Daily	Daily
Stable value common collective trust	793,172	951,436	-	Daily	Daily

NOTE E – INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the advisory opinion, the Plan Administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE G – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are held in investments managed by the Plan trustee, and therefore, these transactions qualify as party-in-interest transactions.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statements of net assets available for benefits.
