REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Participants and Plan Administrator
The 401(k) Partnership of Trusted Media Brands, Inc.

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of The 401(k) Partnership of Trusted Media Brands, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedule required by ERISA

The Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from

the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Participants and Plan Administrator
The 401(k) Partnership of Trusted Media Brands, Inc.

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of The 401(k) Partnership of Trusted Media Brands, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedule required by ERISA

The Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from

the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The 401(k) Partnership of Trusted Media Brands, Inc. (the “Plan,” which was previously known as The 401(k) Partnership of The Reader’s Digest Association, Inc.) is provided for general information purposes only. Participants should refer to the amended and restated plan document, for more complete information.

General

The Plan is a defined contribution plan sponsored by Trusted Media Brands, Inc. (the “Employer” or the “Company,” which was previously known as The Reader’s Digest Association, Inc.). It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Effective January 1, 2022, the Junkin Media Inc. 401(k) Plan merged into the Plan. Subsequent to the merger date, the Junkin Media Inc. 401(k) Plan and participant account balances of approximately \$1,950,000 were transferred to the Plan.

The Plan was amended, effective November 1, 2023, to allow rollover distributions from the Trusted Media Brands, Inc. Cash Balance Plan (“Cash Balance Plan”).

Participation

Under the terms of the Plan, all eligible employees of the Company and its subsidiaries are eligible for participation. Eligible employees are defined by the Plan as individuals who regularly perform services for the Company and are paid on the regular payroll except for (1) individuals covered by a collective bargaining agreement, (2) individuals who are eligible to participate in another defined contribution plan of the Company, (3) individuals employed by a foreign subsidiary of the Company, and (4) individuals employed as interns with less than one year of service.

Employees who become participants on or after January 1, 2013 and employees who became participants prior thereto and who have not made an election with respect to employee tax-deferred contributions (and who have not elected to “opt out”) shall be deemed to have elected to have automatic contributions to the employee tax-deferred contribution account on the participant’s behalf as of each payroll period at the rate of 3%. Each participant who has elected or is deemed to have elected to make employee tax-deferred contributions shall be deemed to have increased his or her employee tax-deferred contribution election by 1% as of the first pay period commencing as soon as practical after January 1, 2014 and the first day of each plan year thereafter. Such 1% increases shall continue on the first day of each plan year until the participant reaches a 6% deemed employee tax-deferred contribution election.

Effective January 1, 2018, the terms of the Plan were amended to change the deferral rate at which the participants are automatically enrolled to 4% and to cap the maximum automatic deferral rate at 10%. Effective May 29, 2018, the terms of the Plan were amended to allow qualified Roth contributions.

Contributions

The Plan provides for a maximum before-tax contribution level of 75% of an employee’s eligible compensation, up to certain Internal Revenue Service (“IRS”) limits. Employees who attain age 50 during the Plan year may contribute an additional amount, referred to as “catch-up contributions.” The IRS places certain limitations on these before-tax contributions. For the calendar year ended December 31, 2024, the Internal Revenue Code (the “Code”) limits an employee’s annual eligible compensation to \$345,000. The participant’s before-tax contribution for the calendar year 2024 was limited to \$23,000. The participant’s catch-up contribution for calendar year 2024 was limited to \$7,500. A participant’s contribution may be further limited as a result of the nondiscrimination test criteria, as defined by the Code. Participants direct

the investment of contributions into various mutual funds offered by the Plan. The Plan also offers an investment in a collective trust fund with Vanguard Retirement Savings Trust III as an investment option.

In connection with the termination of the Trusted Media Brands, Inc. Cash Balance Plan ("Cash Balance Plan"), surplus assets of \$7,509,833 were transferred to the Plan. As a result, the Plan was amended on January 1, 2024, to include temporary non-elective employer contributions. Under this amendment, the Company is required to contribute 5% of each participant's compensation annually to their employer contribution account. A subsequent amendment, on June 11, 2025, increased this rate to 8% for payrolls dated July 1 through December 31, 2025. For the year ended December 31, 2024, total employer contributions amounted to \$1,457,580, funded entirely from the surplus assets of the terminated Cash Balance Plan.

Annual discretionary contributions by the Company are paid out of the Company's profits for the year in an amount determined by its Board of Directors and cannot exceed its net income for the year, as defined. During the year ended December 31, 2024, there was no such discretionary contribution made by the Company.

Vesting

Participants are fully vested in their voluntary contributions plus actual earnings thereon at all times. Participants become vested in the Employer contributions, as applicable, and related earnings based upon the number of full years of the participant's service with the Company up to the date of termination. Participants become vested in employer contributions and earnings thereon over five years of credited service (20% after each year of credited service). Participants are 100% vested after five years or upon death or disability, as defined.

Forfeitures and Unallocated Balances

The portion of a participant's account attributable to company contributions, which is forfeited by participants resulting from their termination prior to full vesting, can be used to offset contributions to the Plan by the Company, or to pay for incurred plan expenses. Approximately \$108,984 of forfeitures were used by the Company to pay administrative expenses related to the Plan during the year ended December 31, 2024. The remaining forfeiture balance was \$202,267 and \$248,245 as of December 31, 2024 and 2023, respectively.

Unallocated balances in connection with the termination of the Cash Balance Plan were \$6,315,813 and \$7,509,833 as of December 31, 2024 and 2023, respectively. There were also additional unallocated balances of \$533,719 and \$431,078 as of December 31, 2024 and 2023, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and the Plan's earnings, and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Allocations are based on participant earnings or account balances, as defined.

Payment of Benefits

Upon retirement, death, or total disability, participants or their beneficiaries become entitled to the full value of the vested portions of their accounts and can either receive a lump sum from the Plan or they can rollover the amount to a 401(k) or IRA. If a participant leaves the employment of the Company for any other reason, an amount equal to the vested interest in his or her account is eligible to be paid. Eligible participants over the age of 59½ can also take an in-service distribution. Participants experiencing financial hardship may withdraw a portion of their account balance as defined by the Plan document.

The 401(k) Partnership of Trusted Media Brands, Inc.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

Management of the Plan Assets

Vanguard Fiduciary Trust Company serves as the trustee and the UBS Financial Services, Inc. serves as investment manager for the Plan's assets. The investment manager has been granted discretionary authority to purchase and sell securities in its respective funds.

Administrative Expenses

Costs and expenses of administering the Plan are shared by the Plan and the Company. Investment management and trustee fees are paid by the Plan. For the year ended December 31, 2024, other plan administrative fees, were primarily paid by the Plan, from the forfeiture account.

Notes Receivable From Participants

Participants may borrow up to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding note receivable balance from the Plan during the one-year period ending the day before the date the loan is made. A participant may have only one note payable of each type (general purpose or primary residential) outstanding at a time. General-purpose loans must be repaid within five years and primary residential loans must be repaid within 15 years. The minimum loan amount is \$500 and the minimum term is six months.

Notes receivable bear interest at a fixed rate based on the Prime Rate plus 1% and are secured by the participant's vested account balance. At December 31, 2024, these interest rates ranged from 4.25% to 9.50%. Notes receivable are repaid through after-tax payroll deductions and are deposited in participant accounts according to current investment elections. After a note receivable has been in effect for six months, participants can pay the outstanding balance in full.

Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Investments in mutual funds are stated at fair value based on unit values of the funds. Unit values of the funds are determined by the investment manager by dividing the fund's net assets at fair value by its units outstanding at the valuation date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Trustee.

The 401(k) Partnership of Trusted Media Brands, Inc.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The Plan is invested in a stable value collective trust fund which is stated at fair value using the net asset value ("NAV") per unit in each fund. The NAV as provided by the trustee is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities and then adjusted by the issuer to contract value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer, and also that limit the ability of the Plan to transact at contract value with participants.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Notes Receivable From Participants

Loans to participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

NOTE 3 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The Plan follows a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The 401(k) Partnership of Trusted Media Brands, Inc.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 - Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in markets that are not active;
- Observable inputs other than quoted prices that are used in the valuation of assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals); and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumptions about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The Plan uses observable market data if such data is available without undue cost and effort. The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Money market/mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The money market/mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at the net asset value of units of a bank collective trust. The net asset value as provided by the trustee is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. There are no unfunded commitments.

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Company has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard Fiduciary Trust Company, the Trustee, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate.

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment income, interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024.

NOTE 5 - TAX STATUS

The Plan has received a determination letter from the IRS dated December 17, 2015, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Subsequent to this determination by the IRS, the Plan was amended. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan, as amended, is qualified and the related trust is tax exempt.

U.S. GAAP requires the Plan Administrator to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company reserves the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of termination or partial termination of the Plan, participants would become fully vested in the Company contributions.

NOTE 7 - RELATED PARTIES AND PARTIES-IN-INTEREST

Certain plan assets consist of mutual funds managed by the Vanguard Group, Inc., an affiliate of Vanguard Fiduciary Trust Company. These transactions are party-in-interest transactions, as defined by ERISA; however, they are exempt from the prohibited transaction rules under ERISA.

The Plan has notes receivable from certain of its participants. These transactions also qualify as party-in-interest transactions, as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.
