Independent Auditor's Report

To the Trustees
FCA, LLC
401(k) Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of FCA, LLC 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of FCA, LLC 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Notes 2 and 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FCA, LLC 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt FCA, LLC 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FCA, LLC 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FCA, LLC 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) and Form 5500, Schedule H, Part IV, Line 4j – Schedule of Reportable Transactions as of and for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion–

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2024 and 2023

(1) Plan Description and Summary of Significant Accounting Policies

(a) Description of Plan

The following description of the FCA, LLC (the “Company”) 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution 401(k) savings plan established May 1, 2009 (as amended and restated effective January 1, 2023), covering all employees of FCA, LLC who have completed one year of service, as defined, and are age twenty-one or older. Participation in the Plan is voluntary and employees having met the eligibility requirements can enroll in the Plan on the first day of the month thereafter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Empower Trust Company, LLC serves as the custodian of the Plan beginning January 1, 2023. Prior to 2023, the Plan utilized Matrix Trust Company, LLC for custodial and administrative services. The Plan administrator oversees governance of the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions

Participants may contribute a percentage of eligible compensation (subject to federal limitations) in the form of pre-tax or after-tax contributions through a salary reduction. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may change or suspend the contribution rate throughout the year at times specified in the Plan. Participant rollover contributions from other qualified defined benefit or contribution plans are not permitted.

The Company contributes 100% of each participant's contribution up to 3% of each participant's eligible compensation plus 50% of each participant's contribution exceeding 3% of eligible compensation up to 5% of eligible compensation (safe harbor match). The Company’s matching contributions are determined annually at the discretion of the Company’s Board of Directors.

Employee contributions and matching employer 401(k) contributions are invested in one or more related investment funds offered by the Plan as directed by the individual participant.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contributions, and (b) Plan earnings and charged with the participant’s withdrawals and an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s accounts.

Forfeited balances of terminated participant's non-vested accounts are used to reduce employer contributions and/or pay administrative expenses. Forfeitures included in net assets available for benefits as of December 31, 2024 and 2023, amounted to \$52,590 and \$45,662 respectively. Total forfeitures used to reduce employer contributions and/or pay administrative expenses amounted to \$6,215 in 2024 and \$9,083 in 2023.

(a) **Description of Plan, continued**

Vesting

Participants are immediately vested in their elective deferrals plus actual earnings thereon and also the portion of their account related to the employer safe harbor match plus actual earnings thereon. Effective January 1, 2023, vesting in the remainder of their accounts related to employer contributions other than the safe harbor match vests ratably over three years for each year of service after the first year. Participants are fully vested after four years of credited service or upon death, disability or attainment of normal retirement age of 60.

Participants hired on or before January 1, 2023 were 100% vested in all employee and employer contributions plus actual earnings thereon.

Payment of Benefits and Participant Loans

On death, disability or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive as a distribution from his or her account the value of their account in a lump-sum payment or in periodic payments over a fixed period of time as described in the Plan document. A participant is also allowed to make hardship withdrawals in certain circumstances as described in the Plan document. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Effective January 1, 2023, participant loans are not permitted. Prior to January 1, 2023, participants could borrow (minimum of \$1,000) up to 50% of the total vested balance of their accounts up to a maximum of \$50,000. The loans are subject to a maximum term of five years or a period of time not to exceed ten years for loans used to acquire a principal residence. The loans are secured by the balance in the participant's account and bear interest at rates which is established by the plan administrator. Principal and interest are paid ratably through payroll deductions.

(b) **Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

The Plan evaluated subsequent events through October 2, 2025, which is the date the financial statements were available to be released.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are held by Empower Trust Company, LLC (Custodian and Trustee) who allocates plan assets to the individual accounts of each participant as directed by the participant.

Notes to Financial Statements

(1) Plan Description and Summary of Significant Accounting Policies, continued

(b) Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition, continued

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

The Plan's investments are stated at fair value, except for the fully benefit – responsive investment contract (EI Fixed Account) which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in a transaction between market participants at the measurement date. Contract value represents contributions made under the contract plus earnings at the contract rate (average rate of 1.41% in 2024 and 1.23% in 2023) less participant withdrawals and administrative expenses. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits and Participant Loans

Benefit payments to participants are recorded when paid.

Participant loans are valued at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant loan is recorded as a benefit payment based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative fees. Certain administrative expenses of the Plan are paid by the sponsor and are not included in the Plan's financial statements.

Revenue sharing credits received by the Plan are reflected as a reduction in administrative expenses.

Contribution Recognition

The Plan recognizes employee and related employer matching contributions based on the period the employee contribution is withheld by the Company from the employee's compensation.

Interest income on loans receivable from participants	\$ <u>851</u>	<u>6,454</u>

The Plan's investment contract is a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (Empower) who maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Empower. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

(3) Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices in active markets of similar assets for assets in non-active markets and Level 3 inputs which consist of other valuation techniques that have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no investments which required the use of Level 3 inputs in 2024 and 2023. There were no changes in the methods used to measure fair value or transfers between Levels in 2024 and 2023.

The fair values of the Plan's investments has been determined by Empower Trust Company, LLC and are reported in the statement of net assets available for benefits as follows:

	Fair Value	Fair Value Measurements Using:		
		Level 1	Level 2	Level 3
<u>December 31, 2024:</u>				
Mutual funds	\$ 12,130,107	12,130,107	-	-
Pooled separate accounts	8,917,996	-	8,917,996	-
	<u>\$ 21,048,103</u>	<u>12,130,107</u>	<u>8,917,996</u>	<u>-</u>
<u>December 31, 2023:</u>				
Mutual funds	\$ 10,911,719	10,911,719	-	-
Pooled separate accounts	7,434,408	-	7,434,408	-
	<u>\$ 18,346,127</u>	<u>10,911,719</u>	<u>7,434,408</u>	<u>-</u>

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements

The pooled separate accounts are maintained by Empower in which the underlying assets of the accounts are publicly traded open-end mutual funds registered with the U.S Securities and Exchange Commission. The net asset value of these mutual funds is determined daily. Thus, the fair value of substantially all mutual fund investments is based on the quoted market prices of the investments within the pooled separate accounts.

(4) Federal Income Taxes

Effective January 1, 2023, the Plan adopted a prototype plan document sponsored by CCH Incorporated, DBA ftwilliam.com (CCH). CCH received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). Prior to January 1, 2023, the Plan used a prototype plan document sponsored by Billings and Company who received an opinion letter from the IRS, dated March 21, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Notes to Financial Statements

(4) Federal Income Taxes, continued

The Plan evaluates the tax benefits of a tax position using the "more likely than not" threshold. As of December 31, 2024, management is not aware of any uncertain tax positions and related tax benefits which would be material to the Plan's financial statements. The Plan files annual information returns which for years subsequent to 2020 are subject to examination by taxing authorities.

(5) Plan Termination

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(6) Reconciliation to Form 5500

The following is a reconciliation of net assets as of December 31, 2024 and 2023 per the financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>

Add – contribution receivables	-	14,425

The following is a reconciliation of the net increase in net assets for the years ended December 31, 2024 and 2023 per the financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>

Change in contribution receivables	(14,425)	14,425
Net increase per financial statements	<u>\$ 2,246,857</u>	<u>2,963,416</u>

(7) Risks and Uncertainties

The Plan utilizes various investment securities. Investment securities, in general, are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect the amounts reported in the financial statements.

(8) Administrative Expenses

Plan administrative expenses related to member requested services and withdrawal charges are charged to participant accounts. A summary of Plan administrative expenses for the years ended December 31, 2024 and 2023 is as follows:

	<u>2024</u>	<u>2023</u>
Expenses charged to participant accounts	\$ 55,061	25,110
Advisory and managerial services	126,044	63,255
Other administrative expenses	16,850	28,100

(9) Related Party and Party-in-Interest Transactions

The Plan investments are held by Empower Trust Company, LLC as Custodian. Empower Trust Company, LLC is also the trustee as defined by the Plan. Matrix Trust Company, LLC provided custodian and administrative service for the Plan in 2023 and previously was also a trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the custodians for investment administrative services amounted to \$76,042 in 2024 and \$51,485 in 2023.

(10) Recent Developments

On December 29, 2022, the Consolidated Appropriations Act of 2024 was signed into law, which includes the package of retirement provisions referred to as "SECURE 2.0". These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. The Plan Administrator is working with Empower to determine that the Plan document is updated to comply with the provisions of SECURE 2.0 Act.

(11) Economic Impacts

National and worldwide factors have led to significant volatility in financial markets and have affected, and may continue to affect, the market value of the Plan's investments. The potential future impact of these conditions is difficult to assess or predict. The Plan sponsor is not able to estimate the full impact of these conditions on the Plan's financial statements.

(12) Plan Mergers and Plan Amendment

During 2021, the Plan sponsor acquired Timber Creek Resource, LLC. Effective January 1, 2023, the net assets of the Timber Creek Resource, LLC 401(k) Plan amounting to \$6,486,969 were merged into the FCA, LLC 401(k) Profit Sharing Plan.

Also effective January 1, 2023, the Plan was amended and restated to recognize the employees of Timber Creek Resource, LLC as eligible participants. The amended and restated Plan generally includes the same primary provisions as the existing Plan, however, the participants are now allowed to make after-tax (Roth) contributions effective January 1, 2023.

The Plan sponsor acquired several companies whose employees will become eligible to participate in the Plan in 2025. The Plan was amended in 2025 to allow the eligible employees of those acquired companies to participate in the Plan.
