Independent Auditor's Report

To the Participants and Plan Administrator of the
McDermott Savings Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of McDermott Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information described in Note 4 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events that, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance; therefore, it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Participants and Plan Administrator of the
McDermott Savings Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events that, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Information Required by ERISA

The supplemental information listed in the index as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Participants and Plan Administrator of the
McDermott Savings Plan

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

McDermott Savings Plan

Notes to the Financial Statements December 31, 2024 and 2023

Note 1 – Plan Description

The following description of the McDermott Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan, which was established on April 1, 1978, is a defined contribution benefit plan administered by the Savings Plan Investment Committee as appointed by the governing body of McDermott Investments, LLC (“McDermott Incorporated”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“IRC”).

Effective December 31, 2023, the Plan was amended and restated to designate the Plan as a qualified replacement plan with respect to the McDermott (U.S.) Retirement Plan (the “Pension Plan”). The Plan was also amended to allow for a discretionary nonelective contribution from the Pension Plan.

On November 30, 2024 (the “Closing Date”), substantially all membership interests of CB&I Storage Tank Solutions LLC and CBI Services, LLC (individually and collectively “CB&I Tanks”) were sold and ceased being an adopting employer of the Plan. All terminated employees who were participants in the Plan were fully vested in their account balances at the Closing Date.

Plan Custodian, Trustee, and Recordkeeper

Fidelity Management Trust Company (“Fidelity,” the “Custodian,” “Trustee,” or “Recordkeeper”) is the Plan’s Custodian, Trustee, and Recordkeeper, and maintains custody of all investments held by the Plan, maintains the Plan’s participant account balances, and provides recordkeeping services.

Eligibility

The Plan covers substantially all United States employees of the Company, participating subsidiary, and affiliated companies (collectively, the “Employer”). Employees are eligible to participate in the Plan immediately upon completion of one hour of service.

Participant Contributions

Participants may contribute to the Plan, on a pre-tax deferred basis or an after-tax Roth basis, an amount up to 75% of eligible compensation, subject to the lower of dollar limits set by the Internal Revenue Service (“IRS”) or percentage limits set by the Employer in advance of a given Plan year. Highly compensated employees are limited to a maximum elective deferral rate of 10% of eligible compensation. For 2024, the maximum dollar amount allowed for deferral by the IRC was \$23,000. Participants who reach the age of 50 before the end of the Plan year are also eligible to make catch-up contributions of up to the maximum dollar amount allowed annually by the IRC, which was \$7,500 for 2024. Participants may elect to change their contribution percentages at any time. Participants may also transfer in amounts representing distributions from other qualified defined benefit or defined contribution plans, subject to approval by the Employer.

Employer Contributions

Participant contributions are considered eligible to receive Employer matching contributions. Employer contributions are discretionary, and participant eligibility can be constrained by union agreement, Company subsidiary, or service.

McDermott Savings Plan

Notes to the Financial Statements December 31, 2024 and 2023

Note 1 – Plan Description (continued)

Employer Contributions (continued)

The Plan provides for Safe Harbor Employer matching contributions. The Company makes Safe Harbor Employer matching contributions equal to 100% of the matched employee contributions up to 4% of the participant's eligible compensation per pay period.

The Company matches the contributions of union employees who make elective deferral contributions to the Plan. Union employees who make elective deferral contributions to the Plan receive a matching contribution equal to 100% of the participant's contribution, up to a total of 4% of eligible compensation in accordance with the collective bargaining agreement.

As described in the *General* section of Note 1, the Company amended and restated the Plan to allow for a discretionary nonelective contribution related to the termination of the Pension Plan. The Company received \$10,030,094 from the Pension Plan on December 7, 2023, as an Employer discretionary nonelective contribution. During 2024, the Company allocated the discretionary nonelective contribution to eligible participants in the amount of \$10,441,011 which included the original contribution of \$10,030,894 and related earnings.

Participant Accounts

Individual accounts are maintained for each Plan participant. Participant and Employer contributions are allocated to investments within each participant's account based upon the participant's directed percentages. Investment earnings of funds are allocated to participant accounts based upon the participant's relative percentage ownership of the total applicable fund. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of a participant's account.

Vesting

Participants are immediately 100% vested in their own contributions and all earnings thereon, as well as any Safe Harbor Employer, nonelective, and qualified matching contributions. Participant accounts for those not actively employed with the Employer as of December 31, 2018, shall remain subject to a three-year cliff vesting schedule applied to the account prior to transfer into the Plan.

Participant-Directed Investments

All assets of the Plan are participant-directed investments. Participants have the option of directing their account balances to one or more investment options offered by the Plan. The Plan has selected various investment options, as more fully described in the Plan Document, to which participants may designate the allocation of their account balances. The funds vary in type of investment, rates of return, and investment risk.

Unallocated Assets

Investment-related income may represent all revenue from processing fees, service fees, distribution fees, and all other fees received by the Recordkeeper from mutual funds or collective trust providers that are attributable to the Plan's assets invested in such investments. Investment-related income is remitted to the Plan's trust quarterly by the Recordkeeper to be held in an unallocated account. This account may be used to pay administrative expenses or reduce Employer contributions at the discretion of the Plan Administrator. Investment-related income remitted to the Plan's trust in 2024 totaled \$191,766, and funds from the unallocated account were used to offset \$93,071 of administrative expenses.

McDermott Savings Plan

Notes to the Financial Statements December 31, 2024 and 2023

Note 1 – Plan Description (continued)

Unallocated Assets (continued)

At December 31, 2024 and 2023, the balance in the unallocated account totaled \$603,061 and \$10,541,092, respectively. During 2024, Employer discretionary nonelective contributions of \$10,441,011 were allocated to participant accounts.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 less the highest outstanding loan balance during the prior twelve months or 50% of their vested account balance. Participants may have one loan outstanding at any given time. Notes receivable from participants are secured by the balance in the participant's account, bear interest at a fixed rate of Prime plus 1%, and are repayable over a period not to exceed five years, with the exception of principal residence loans, which are repayable over a period not to exceed fifteen years for loans entered into prior to January 1, 2014, and ten years for loans entered into on or after January 1, 2014. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

Upon death, disability, retirement, or termination of employment, participants may elect to receive either a lump sum payment of their account balance, subject to the vesting provisions described above, or substantially equal annual or more frequent installments over a period not to exceed the joint life expectancy of the participant and their beneficiary. Prior to January 1, 2024, if a terminated participant's vested account balance was less than \$5,000, the Plan permitted immediate lump sum distributions. Effective January 1, 2024, the threshold for such distributions increased from \$5,000 to \$7,000. If there is no direction from the participant and the vested balance is greater than \$1,000 but less than the threshold effective on the date of the distribution, the vested balance is distributed as a direct rollover into an individual retirement account selected by the Plan Administrator. Vested balances of \$1,000 or less are distributed as a lump sum.

The Plan allows hardship withdrawals in accordance with IRC regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the employee and is limited to certain purposes. Active participants at the age of 59½ or older may also withdraw all or any part of their vested account.

Forfeitures

Forfeitures of terminated participants' nonvested account balances may be used to restore participant account balances required to be reinstated, to pay administrative expenses, or to reduce Employer contributions. Forfeited nonvested balances at December 31, 2024 and 2023, totaled \$57,503 and \$34,674, respectively. In 2024, forfeitures of \$53,239 were used to reduce Employer contributions.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying Plan financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

McDermott Savings Plan

Notes to the Financial Statements December 31, 2024 and 2023

Note 2 – Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold, as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases making loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

Administrative Expenses

Certain expenses for maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses specifically incurred by, or attributable to, a participant will be paid from that participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1), and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB Accounting Standards Codification ("ASC") 820 are described as follows:

McDermott Savings Plan

Notes to the Financial Statements December 31, 2024 and 2023

Note 3 – Fair Value Measurements (continued)

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- **Level 3** – Inputs that are unobservable inputs for the assets or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

- **Mutual Funds** – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- **Money Market Fund** – Valued at cost, which approximates fair value.
- **Self-Directed Brokerage Accounts** – Accounts primarily consist of money market funds, mutual funds, and common stocks that are valued on the basis of readily determinable market prices. Common stocks are valued at the closing price reported on the active market on which the individual securities are traded.
- **Common Collective Trust Funds** –
 - **Stable Value Common Trust Fund** – The Vanguard Retirement Savings Trust II is primarily comprised of fully benefit-responsive investment contracts that are valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value; however, the practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily and there are no unfunded commitments. There are no significant restrictions on participant redemptions; however, if the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations will be carried out in an orderly manner.
 - **Other Common Collective Trust Funds** – The fair values of the New Horizons Trust, Large-Cap Growth Trust, Core Plus Bond Fund, and Small Cap Value Commingled Pool are determined by the NAV provided by the fund administrator. Although the NAV unit prices are quoted on a private market that is not active, the unit prices are based on underlying investments which are traded on an active market (“market approach”). There are also no restrictions on the NAV price or its equivalent. Participant transactions (purchases and sales) may occur daily and there are no unfunded commitments. There are no significant restrictions on participant redemptions; however, if the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require up to 60 days’ notification in order to ensure that securities liquidations will be carried out in an orderly manner.

Note 3 – Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 389,427,493	\$ -	\$ -	\$ 389,427,493

Investments at fair value	<u>\$ 689,381,275</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,303,344,282</u>

(a) In accordance with ASC 820-10, certain investments (stable value common trust fund and other common collective trust funds) that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value presented in this table is intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4 – Information Prepared and Certified by the Plan’s Trustee

The Employer has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company has certified that the following data included in the accompanying financial statements is complete and accurate:

December 31,	2024	2023
Investments at fair value	\$ 1,347,117,861	\$ 1,303,344,282
Notes receivable from participants	6,311,900	5,787,992

Year Ended December 31,	2024
Net appreciation in fair value of investments	\$ 152,968,520
Interest	730,759
Dividends	14,636,047
Interest income on notes receivable from participants	446,902

McDermott Savings Plan

Notes to the Financial Statements December 31, 2024 and 2023

Note 4 – Information Prepared and Certified by the Plan’s Trustee (continued)

The Plan’s independent auditor did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedules.

Note 5 – Related Party and Party-in-Interest Transactions

Transactions of the Plan involving Trustee-managed investments, investments in shares of common stock of McDermott International, and notes receivable from participants, qualify as party-in-interest transactions under the provisions of ERISA. These transactions are all exempt from the ERISA rules regarding prohibited transactions.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, affected participants would become 100% vested in their accounts.

Note 7 – Income Tax Status

The Plan operates under an adoption agreement in connection with a volume submitter profit sharing plan (“Volume Submitter Plan”) sponsored by Esler & Vanderschaaf Co., LPA. This Volume Submitter Plan document has been filed with the appropriate agency, and the Volume Submitter Plan sponsor has obtained a determination letter from the IRS, dated June 30, 2020, stating that the Volume Submitter Plan constitutes a qualified plan under Section 401 of the IRC, and that the related trust was tax exempt as of the financial statement date. Although the Plan has been amended since that date, the Plan Administrator and the Plan’s tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

McDermott Savings Plan

Notes to the Financial Statements December 31, 2024 and 2023

Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023, to Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 1,353,705,893	\$ 1,309,472,842

Less: participant contributions receivable, end of year	(186,193)
Less: refund of excess contributions, beginning of year	(2,501)
Net income per Form 5500	<u>\$ 44,297,577</u>

Note 10 – Prohibited Transactions

The Company failed to remit to the Plan's Custodian certain participant contributions totaling \$854,547 within the period prescribed by DOL Rules and Regulations. Delays in remitting contributions to the Custodian were due to circumstances outside of the Company's control. The Company is in the process of correcting these contributions under the Voluntary Fiduciary Correction Program and compensating affected participants for potential lost earnings due to the delays.

Note 11 – Subsequent Events

The Plan has evaluated all events and transactions that occurred through September 11, 2025, the date these financial statements were available to be issued.

Effective January 1, 2025, the Plan adopted certain provisions of the Setting Every Community Up for Retirement Enhancement ("SECURE") 1.0 and 2.0 Acts including: increase in the catch-up contribution limit to \$11,250 for participants between the ages of 60 and 63, to allow withdrawals not subject to the 10% penalty tax for federally declared disasters, to permit withdrawals for the birth or adoption of a child, withdrawals for victims of domestic abuse, and withdrawals for emergency expenses.

Effective February 1, 2025, CB&I STS Delaware, LLC, established the CB&I Savings Plan. A special discretionary rollover window was opened through March 12, 2025, during which, participants rolled over \$149,568,328 from the Plan.
