## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of  
Woodfield Country Club 401(k) Plan  
Boca Raton, Florida

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Woodfield Country Club 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Woodfield Country Club 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Woodfield Country Club 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Woodfield Country Club 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Woodfield Country Club 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Woodfield Country Club 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held for investment purposes as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. **Description of Plan**

The following description of the Woodfield Country Club 401(k) Plan, (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

- a) *General* – The Plan is a defined contribution plan offered by the Plan Sponsor, The Country Club at Woodfield, Inc. (the "Club"), and covers all employees of the Club who have one year of service and have attained the age of twenty-one. The service requirement is waived for any employee who was employed on July 28, 2006. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed on March 15, 2001, and most recently restated effective January 1, 2022, as required by the Internal Revenue Service's (IRS) restatement cycle.
- b) *Plan Administration* – The Plan's Sponsor is also the administrator, and trustees are employees of the Club. The investment manager, custodian, and party which directs the custody and management of the Plan's assets is The Voya Retirement Insurance and Annuity Company (Voya). The Plan is serviced by 401(k) Plan Services, Inc., a third-party administrator (TPA).
- c) *Contributions* – Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan and as subject to limitations defined by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. Participants may cease their individual contributions at any time, but may otherwise alter their deferral percentage on the first day of the plan year or the first day of the 7<sup>th</sup> month of the plan year. The Plan allows the Club to make discretionary profit-sharing contributions. The Club elected not to make any discretionary profit-sharing contribution for the year ended December 31, 2024. The Club currently matches 50% of the participants' deferrals up to 8% of compensation.
- d) *Participant Accounts* – Each participant's account is credited with participant's contributions, Plan earnings, and the employer's matching contribution, if any. Allocations are based upon an eligible participant's relative compensation.
- e) *Vesting* – Participants are immediately vested in their salary deferral and rollover contributions plus actual earnings thereon. Participants are also 100% vested in the employer's profit-sharing and matching contributions upon entering the Plan. Upon death, disability or reaching age of 65, discretionary matching and non-elective contributions become 100% vested.
- f) *Administrative Expenses* – The Plan Sponsor has elected to pay the administrative costs associated with Plan operations and compliance. Plan participants pay for loan fees, and investment management fees and expenses.
- g) *Investment Options* – Upon enrollment in the Plan, a participant may direct the investment of their contributions into various investment options offered in the Voya portfolio of investments. Participants may change their investment options via telephone or internet access to Voya at any time.

---

1. **Description of Plan, continued**

- h) *Participant Notes Receivable* – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their individual vested account balance. Loan terms range from 1-5 years, except for the purchase of a primary residence, which may be longer. The loans bear interest at prevailing market rates as determined by the loan administrator at the time the loan is taken. The interest rate on participant notes receivable as of December 31, 2024 and 2023, ranged from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions. Loans to participants are reported at their unpaid principal balances plus any accrued interest. The loan balances are secured by the participants' investment accounts, therefore, no allowance for uncollectible loans was deemed necessary. For purposes of presentation on the schedule of assets held for investment purposes, the participant notes receivable are presented as part of the investments in the Form 5500 and are referred to as participant loans.
- i) *Payments of Benefits* – Upon retirement, disability, death, termination of service, or attainment of age 59½, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In the event of financial hardship, the participant may withdraw their own elective deferrals as a hardship distribution.
- j) *Forfeited Accounts* – Under the provisions of this plan, all contributions are 100% vested. Therefore, there are no forfeitures. Upon termination of employment, participants are entitled to their entire account balance.

2. **Summary of Significant Accounting Policies**

The following are the significant accounting policies followed by the Plan:

- a) *Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting.
- b) *Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c) *Valuation of Investments and Income Recognition* – The Plan's investments are stated at fair value except for its benefit-responsive investment contract, which is valued at contract value (Note 5). Investments are valued at quoted market prices (i.e. net asset value – "NAV"), if available, on a national securities exchange on the last business day of the year. Investment options that do not have readily available market quotations are valued according to quotations from the custodian. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.
- d) *Payment of Benefits* – Benefits are recorded when paid.

---

**2. Summary of Significant Accounting Policies, continued**

- e) *Plan Risk and Uncertainties* – The Plan and the Plan assets are sensitive to economic pressures prevalent in the investment market. The pressures primarily stem from interest rates, market and credit risk and their effect on bond rates, mortgage rates, the value of real estate, stock prices, and the overall stability of the market. Certain Plan investments are shares of pooled trust funds managed by the custodian. Change in the custodian's management may adversely affect operating results of the funds. Additionally, the financial position of the Plan Sponsor, The Country Club at Woodfield, Inc., may have a significant impact on the Plan. Specifically, the ability of the Plan Sponsor to continue to make contributions, under the program and/or the stability of the Plan Sponsor's operations. Other external factors which may affect the Plan, and the Plan assets include legislation or regulations established by the Internal Revenue Service, Employee Retirement Income Security Act of 1974, and/or Department of Labor (DOL).

**3. Fair Value Measurements**

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820-10, *Fair Value Measurement and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**3. Fair Value Measurements, continued**

The following information describes the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024.

- a) *Mutual funds held in pooled separate accounts* – These investments are public investment vehicles valued at their “accumulation unit value” (AUV) provided by the Plan’s custodian. The AUV is determined daily based on the net asset value (NAV) of shares of the underlying fund, the fund’s dividends, and the contract’s separate account charges. Since AUV is determined based on a combination of the fund NAV and the separate account charges, these investments are classified within Level 2 of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds held in pooled separate accounts	\$ <u>-</u>	\$ <u>11,941,381</u>	\$ <u>-</u>	\$ <u>11,941,381</u>

	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds held in pooled separate accounts	\$ <u>-</u>	\$ <u>9,859,674</u>	\$ <u>-</u>	\$ <u>9,859,674</u>

**4. Information Certified by the Plan’s Custodian**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, The Voya Retirement Insurance and Annuity Company, the custodian, certified that the data included in the accompanying financial statements and supplemental schedule is complete and accurate. The Plan’s independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

The following information was prepared and certified as complete and accurate by Voya Retirement Insurance and Annuity Company:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	\$ <u>11,941,381</u>	\$ <u>9,859,674</u>
Investments, at contract value	\$ <u>922,849</u>	\$ <u>819,762</u>
Net appreciation in fair value of investments	\$ <u>1,611,950</u>	
Interest on group annuity contract	\$ <u>13,423</u>	

---

**5. Investment Contract with Insurance Company**

The Plan has a traditional fully benefit-responsive group annuity contract (i.e. Voya Fixed Account investment option) with The Voya Retirement Insurance and Annuity Company (Voya). Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer, Voya, is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the group annuity contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the Voya Fixed Account investment as of December 31, 2024 and 2023, was \$922,849 and \$819,762, respectively. The minimum guaranteed credit interest rate applicable to all amounts held in the Voya Fixed Account under this contract for the 2024 calendar year will result in an effective annual yield of 1.50%. This may be changed as of January 1 of each calendar year. The actual credited interest rate earned during the quarter is the higher of the Plan's current declared interest rate or the minimum guaranteed interest rate under this contract. As of December 31, 2024 and 2023, the crediting interest rate was 1.50% and 1.37%, respectively. Interest is compounded daily to produce the stated effective annual yield.

Certain events limit the Plan's ability to transact at contract value with Voya. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion or equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transactions exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events includes (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

**6. Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants within 2½ months of each year-end. Excess contributions are reflected as a liability in the statements of net assets available for benefits as of December 31, 2024 and 2023.

**7. Related Party Transactions**

Certain plan investments are held by The Voya Retirement Insurance and Annuity Company. Voya is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. However, they are not considered prohibited transactions in accordance with appropriate ERISA exceptions.

**8. Tax Status**

The Plan is utilizing a Pre-Approved Non-Standardized Defined Contribution Plan document provided by its Plan custodian – The Voya Retirement Insurance and Annuity Company. The Plan reflects the implementation of the recent legislative changes in the regulations governing qualified tax-deferred arrangements via the IRS's Cycle 3 restatement. The restated Plan received an opinion letter from the Internal Revenue Service dated June 30, 2020. Furthermore, although the Plan has been amended since receiving the letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**9. Plan Termination**

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**10. Subsequent Events**

The Plan's management has evaluated subsequent events through October 7, 2025, the date on which the financial statements were available to be issued, and determined there were no additional events to disclose in these financial statements.

**11. Reconciliation of Financial Statements to Schedule H of Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2024 and 2023, to Schedule H of Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 13,171,642	\$ 10,905,150
Excess contributions payable	<u>7,688</u>	<u>13,144</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 13,179,330</u>	<u>\$ 10,918,294</u>

The following is a reconciliation of change in net assets per the financial statements for the year ended December 31, 2024 to Schedule H of Form 5500:

Change in net assets per the financial statements	\$ 2,266,492
Excess contributions payable as of December 31, 2024	7,688
